## Another Effort to Explain and Present the Truth

This is another attempt to show the Court that the mortgage filed is fraudulent. Since my sworn testimony was not enough, and the documents that brought to the hearing support my explanation were not allowed, I am trying again. The evidence shows that:

- \$169,492.34 was fraudulently added to the principal of the mortgage agreement
- The interest rate was changed from 7.0% or 7.5% to 11.55%
- The type was changed from a FIXED RATE to an ADUSTABLE RATE

These financial elements combine to a *total extorted amount of \$1,087,011.83* if I were to have

acquiesced and paid the mounting costs charged by from this scam. If the mortgage servicers

continue to pay my taxes and insurance, *it would take at least 24 years to pay back the money* they are attempting to steal.

Attachments VIII - XIII include evidence of the line items above.

I KNOW, UNEQUIVOCALLY, THAT THE MORTGAGE FILED IS FRAUDULENT. I also

know the primary people who are responsible for the forgery and fraud. Since I have not been believed, however, I have initiated multiple investigations.

I was stonewalled throughout the foreclosure legal process<sup>2</sup>. My attorney was unable to extend the hearing on December 23, 2009 (Case F-28279-09). Although I made a desperate attempt to attend the hearing, I was unable to do so. Rather than acknowledge the "errors" with the mortgage, the Plaintiffs opened another foreclosure action. In my first attempt to fight the Plaintiffs' illegal acts, Case No. L – 000081-11, neither the Plaintiffs (Defendants in this action) nor their attorneys showed up. In the other cases L – 004753-13 and F – 000839-13, hearings were held without my knowledge or presence. I was not informed of hearings when I was represented by Denbeaux and Denbeaux. I did not learn about the 2014 decision until years later! See Attachment XIX.

<sup>&</sup>lt;sup>1</sup> Williams never considered Fremont's offer a "modification" because the "mortgage" that was being *modified* was fraudulent – it was not the real, correct and valid mortgage.

<sup>&</sup>lt;sup>2</sup> Federal torts laws protect against these and other actions by Defendants.

I am including the following information from the last document filed with the Superior Court on May 15, 2019.

This document presents the Motion WITH SELECTED EVIDENCE THAT SUPPORTS each point. The evidence provided should be more than sufficient, however, additional information is available – if necessary – from the 8,000 pages filed. The foreclosure was fraudulent, it was executed deceptively, and William has repeatedly been denied due process in her numerous attempts to be heard by the Courts.

The fraudulent mortgage and other evidence of the crimes in this case are evidenced in filings with the NJ Superior Court, the U.S. District Court of New Jersey, the U.S. Court of Appeals, Third District and several Federal Agencies. The injunction and both dismissals should be granted for several reasons, including:

- The mortgage in the foreclosure documents is fraudulent. The principal amount, interest rate, type of interest and terms are not what Williams agreed to. See Attachment I
- The mortgage was filed after the foreclosure was filed; over 2 years after allegedly executed.
- Foreclosure hearings were held without the knowledge or presence of the property owner, named in the foreclosure. See Attachment II
- The foreclosure case filings contain extensive false information. See Attachment III
- The first law firm hired to seek the foreclosure had accurate information and notified the property owner. See Attachment IV
- A second law firm was hired, used false information, and did not give the property owner sufficient notice. See Attachment III
- The NJ Judge who signed the final order DID NOT preside over the foreclosure hearing. Neither Judge listened to the property owner. See Attachment V
- The property owner's cases (NJ Case Docket No. ESSX L 000081-11, NJ Case Docket No. ESSX L 004753-13, U.S. District Court of NJ Case 2:16-cv-05301-ES-JAD, U.S. Court of Appeals, Third District 19-1032) include *more than* 7 witnesses who were involved in or directly responsible for creating the fraudulent mortgage. See Attachment VI
- The loss incurred by the property owner, thus far, vastly exceeds the amount of the mortgage and the value of the property. See Attachment VII
- If necessary, I can subpoen legal and financial professionals who are aware of dubious actions by firms involved in this fraud.

An additional copy of supporting filings and documents (over 16GB) was provided to the Court on a thumb drive with the Motion. Defendants have been given multiple copies of everything.

# **CLOSING FOR THIS FILING**

The thumb drive that I submitted was returned to me by the Clerk of the Superior Court of New Jersey. Since the Court does not accept thumb drives, and paper documents further exacerbate the difficulty in understanding the financial and operational intricacies of this case, I request that the Court allow me to explain the filed information using the underlying digital files. I can present them at the hearing using a PC and computer projection machine.

I have a moral and civic responsibility to shine light on flaws in the processes that enable financial fraud, and to take steps to stop it. I will do so. Removing my illegal foreclosure is an important early step. This document should clarify the forged, modified agreement for the Court. Results from the investigations initiated should allow law enforcement to stop potential continuing acts by the perpetrators. My other efforts will define measures that can dramatically help protect others in the future.

The focus of this motion is on reversing the illegal foreclosure and fraudulent mortgage that underlies it. The other fraud in this case is being litigated and mitigated in separate actions and initiatives.

Respectfully submitted,

I, Veronica Williams, authored and created a storyboard to simplify the explanation of how this fraud was conducted. The storyboard incorporates documents filed with the State of New Jersey, the Federal Courts and multiple Federal Agencies. Slides and pages from the storyboard are referenced in the attachments as well as many filings and some of the 1,140+ evidence items. I will gladly provide or explain any and all of the documents that indisputable support my multifaceted motion.

## ATTACHMENT I

• The mortgage in the foreclosure documents is fraudulent. The principal amount, interest rate, type of interest and terms *are not what Williams agreed to*.

I knew right away – when Fremont quoted me a monthly payment of were \$3,000 rather than the approx. \$1,000 correct amount – that they were **trying to earn more** *in interest alone* **than \$ 614,733.33 more** than the mortgage I had signed up for. Once the equity grab and extraneous fees are added, the **total amount of the intended GRAND THEFT** is *at least* **\$1,039,630.58**. I had already agreed to pay \$35,399 more in interest than was necessary just to get out of Litton Loan's fraudulent grasp. Doing that doubled what was necessary to retire my mortgage, from ~\$35,000 to ~\$70,000. I agreed to a principal of ~\$70,000, a firm fixed interest rate of 7% amortized over 30 years. The mortgage agreement that Fremont, Litton Loan and the Stated of New Jersey revealed in 2017, 10 years later, was a fraudulent agreement with \$261,000 principal; 11.25% adjustable interest rate that had not been seen in over 30 years! This is an obvious act of criminal ignorance of finance: An impossible principal based on my 20+ year payment history, an interest rate not seen since the hyper inflated 1970's, and with an adjustable ride only a fool could have agreed to!

## DETAILS OF ERRORS & MISTRUTHS – INCOMPLETE, THIS IS IN PROCESS

## **MORTGAGE IS FRAUDULENT**

The mortgage agreement filed is fraudulent. A mortgage agreement that reflects what the Plaintiff originally agreed to and signed in March 2007 is provided in the document filed on 4/24/17. This document was presented as a modification to the fraudulent mortgage because Fremont said they could not fix what had already been filed. The correct mortgage can be viewed at <a href="http://finfix.org/proof/ADDL/Case 2-16-cv-05301 NJ-Foreclosure-Mortgage-Fraudulent-4-24-17.pdf">http://finfix.org/proof/ADDL/Case 2-16-cv-05301 NJ-Foreclosure-Mortgage-Fraudulent-4-24-17.pdf</a>. It not the same mortgage as the one presented in the Foreclosure complaint. People involved in the original mortgage process, including former Fremont employees, have been added to the Plaintiff's witness list. The preliminary problems identified with the fraudulent mortgage are highlighted below.

## P. 3

On 03/27/2006, borrower Veronica Williams executed and delivered an Adjustable Rate Note to FGC Commercial Mortgage Finance, DBA Fremont Mortgage, its Successors and/ or assigns upon the premises 541 Scotland Road, South Orange, NJ in the sum of \$261,000.00 together with interest at the initial rate of 11.5500% on the unpaid principal balance together with such other amounts until paid, said amounts to be paid at the initial monthly payment amount of \$2,594.63 and payable pursuant to the terms of the note (and mortgage). A copy of the note is attached hereto as Exhibit "A".

# P.4 The Plaintiff checked Hall of Records with assistance from employee; they did not find this recording in 2010

To secure payment of the note, Veronica Williams (as more fully set forth in the mortgage) granted a mortgage in the Property to FGC Commercial Mortgage Finance DBA Fremont Mortgage Its Successors and/or Assigns on the same date as the note providing that such conveyance shall be void in the event full payment is made in accordance with the note. Said mortgage is recorded in the Clerk's Office in and for Essex County on 04/05/2006 at Book 11177, Page 730 and is incorporated herein by reference as though set forth at length herein. A copy of the mortgage is attached as Exhibit "B".

## P.4 Plaintiff never received confirmed modification

Said Note and Mortgage was modified by Loan Modification Agreement dated November 9, 2007. The Unpaid Principal Balanace was adjusted to \$295,892.58 consisting of the unpaid amounts loaned to Borrower plus and interest and other amounts capitalized. Interest was to be charged on the Unpaid Principal Balance at the yearly rate of 7.25%. Monthly principal and interst payments in the amount of \$2050.60 were to commence on December 1, 2007 and continue until the principal and interest payment were paid in full on the maturity date of April 1, 2036. Said Modification was not recorded.

# p.13 Plaintiff never agreed to Adjustable Rate Note, the Plaintiff never agreed to an interest rate above 7%

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. S 261,000.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is FREMONT MORTBAGE ITS SUCCESSORS AND/OR ASSIGNS

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 11.550 %. The interest rate I will pay will change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the first day of each month beginning on May 1, 2006

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on April 1, 2036, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly bayments at 2727 E IMPERIAL HIGHWAY, BREA CA 92821

or at a different place if required by the Note Holder.

# p.13 There is an extra line before "or at a different place if required" could be unapproved change

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. ## p.14 Extra lines between sections of agreement that are not correct"

## 1. Line before (C) Calculation of Changes

## 2. Line before (E) Effective Date of Change

#### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

#### (A) Change Dates

The interest rate I will pay may change on the first day of April 1, 2008 , and on that day every sixth month thereafter. Each date on which my interest rate could change is called a "Change Date."

#### (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in The Wall Street Journal. The most recent Index figure available 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

#### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Six and Ninety-Nine

Hundredths percentage points ( 6,9900 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment. (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 13,550 % or less than 11,5500 %. Thereafter, my interest rate will never be increased or decreased on any subsequent Change Date by more than 1,5000 from the rate of interest I have been paying for the preceding period. My interest rate will never be greater than 17,5500 % or less than 11,5500 %.

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

### 7. BORROWER'S FAILURE TO PAY AS REQUIRED

## (A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.0 % of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

#### (B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

#### (C) Notice of Default

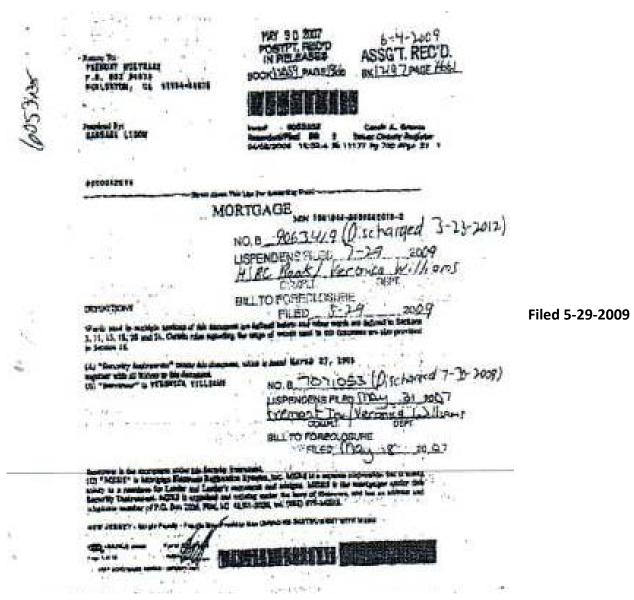

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

#### (D) No Waiver by Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

### (E) Payment of Note Holder's Costs and Expenses

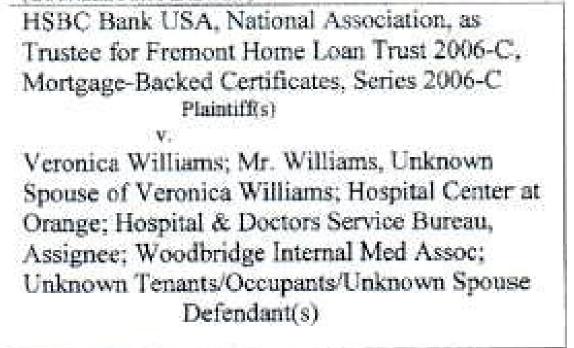

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees. p. 19

## FONT SIZE

The first indication of a problem with the foreclosure complaint filed is obvious. The font in the mortgage agreement submitted in the complaint is so miniscule that one needs a magnifying glass to read it. The Plaintiff used compute, scanners and software to read and review the mortgage agreement. Further the **fonts used for numbers vary from each other**, indicating that multiple changes have been made.

#### (B) The Index

Beginning with the first Change Cate, my interest rate will be based on an index. The

the iverage of interbank offered rates for six-month U.S. dellar-denominated dappoits in the London merket ("LIBOR"), as sublished in the WALL STREET JOURNAD most recent index figure available as of the date: 1 45 days before each Change Date is called the "Current Indox."

If the index is no longer systlaple, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this photoe.

#### (C) Calculation of Changes

Before pach Change Date, the Note Holder will calculate my new interest rate by atnicq equinected adding bix and Minety-Wine Hundreeths 8. \$508\_%) to the Current Index. The Note Holder will then round the result of this addition to the D Nearest Next Highest Next Lowest One-Eighth

%). Subject 0.128 to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate

until the next Change Date. The Note Holder will then datermine the amount of the monthly payment that would be putticient to repay the unpeld principal I am expected to own at the Change Date in full on the majurity date at my new interest rate in substantially equal payments. The result of this pairculation will be the new amount of my monthly payment.

#### Interest-Only Period

The "Interest-only Pariod" is the period from the date of this Note through For the interest-only period, after calculating my new interest rate as provided above, the Note Holder will then determine the amount of the monthly psyment that would be sufficient to pay the Interest which accrues on the unpaid principal of my loan. The result of this calculation will be the new amount of my monthly payment.

The "Amortization Period" is the ported after the Interest-only period. For the emonization period, after calculating my new interest rate as provided above, the Note Holder will then determine the smount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Dale at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

NO QA OR QC

There was not sufficient QA (Quality Assurance) or QC (Quality Control). In other words, there were not reliable procedures and processes that ensured acceptable and approved mortgage agreements provided to field representatives or approved clients. This was a lack of Quality Assurance. There were also not IV&V (independent verification and validation) or steps taken to ensure reliable agreements submitted by sales representatives. That would confirm that the mortgage agreements submitted were what was expected and were also acceptable to the mortgage holders. This was a lack of Quality Control. This is why between the time that the Plaintiff signed the final pages with M. Conception, and the time that an agreement was submitted to the NJ Courts, the agreement was completely different.

# DAMAGES CATASTROPHIC AND GROWING

'The defendants' actions have prevented me from getting a job, from closing sustainable contracts, and proceeding with the contracts that I worked over 30 years to attain. The defendant's actions caused severe illness that almost took my life (attested to by doctors and medical reports). In short, the defendants' actions imposed severe damages for which I am seeking tens of millions of dollars." # On March 31, 2006 Fremont Investment & Loan wired \$86,26.34 into Williams' bank account. The bank cannot provide *written* proof without a subpeona. Other pertinent accounts cannot provide requested information without a subpeona. This and other information from Williams' accounts will be provided during Discovery.

Fremont promised Williams that she had 10 days (est.) to cancel the mortgage. The fraudulent mortgage is dated March 27, 2006. A Fremont representative blamed the wire transfer for not cancelling the mortgage but promised to send the correct agreement. This representative only sent a fax with the intended "modification" amount. The promised mortgage and modification were never sent. THIS WILL BE FULLY EXPLAINED AND VERIFIED AT TRIAL.

Veronica,

I received the following email from opposing counsel yesterday afternoon. It is a serious issue that requires your attention.

Defendant has issued a frivolous litigation letter. Normally I am not concerned about these letters, but I do think it is a significant concern in your case. Read it for the specifics. In generally the way this works is as follows: If we lose the case, Defendants and their attorney can sue not only you but also the law firm under the frivolous claims act. Liability can be substantial.

As you know from our recent discussions, I do not believe you have a viable case. You are a very smart and driven person. The problem is, that we talk every week and every week I am told evidence is coming and it doesn't. We are out of time to produce new evidence and have been for a few weeks. That said, I have told you that if you were able to produce quickly, we could try to get it in. With each passing day I am growing more concerned. Having received this letter, the concern is no longer about whether you will have a successful case, it is also about the potential liability you are now exposing yourself to.

During your deposition you suggested the damages to you are in the millions of \$. You are now looking at a situation where if you choose to go forward with the case you may end up owing thousands of dollars to the Defendants and their attorney for pursuing a frivolous case.

I have asked that Josh reach out to you to discuss the severity of the situation. He is currently tied up.

Even with the threat of frivolous litigation, I believe that we can get a settlement in the ballpark of \$20,000 simply for stopping the bleeding and saving the other side from expending costs to go to trial. I strongly suggest you take this very seriously.

#### To: Adam Deutsch Subject: Veronica Williams v. Ocwen et al.

#### FRIVOLOUS PLEADING PURSUANT TO RULE 1:4-8

#### Adam,

On behalf of the Defendants Litton Loan Servicing, Ocwen Loan Servicing, Goldman Sachs Mortgage Corporation and HSBC Bank USA, N.A., Freemont Home Loan Trust 2006-C Mortgage-Backed Certificates, Series 2006-C (hereinafter "Defendants"), and pursuant to Rule 1:4-8 (Frivolous Litigation), we hereby give you notice of our demand that Plaintiff Veronica Williams ("Williams") voluntarily withdraw the Complaint ("the Complaint") filed in this action as the contents of the Complaint violate the provisions of this Rule. The claims against Defendants are not warranted by the evidence or by existing law.

The Complaint claims that the Defendants violated the Fair Debt Collection Practices Act ("FDCPA"), the New Jersey Consumer Fraud Act ("CFA"), Breached a Contract, and Intentional Infliction of Emotional Distress. With discovery closing, Williams has not provided any documents that confirm the allegations in the Complaint.

As to the FDCPA count, the debt was valid and owed. That is undisputed. Williams has no evidence that any of the evidence of any violation of the FDCPA. At her deposition, Williams admitted that Goldman Sachs Mortgage Corporation did not contact her and neither did HSBC Bank USA, N.A., Freemont Home Loan Trust 2006-C Mortgage-Backed Certificates, Series 2006-C. Her complaints against the loan servicers, Litton and Ocwen, are not based on what transpired having reviewed the comments log. Williams did not convey any proof that Litton or Ocwen improperly contacted Williams related to the debt or any other violation of the FDCPA. Just because Williams believes that she was owed a loan modification doesn't make that a violation of the FDCPA. The FDCPA count must be dismissed.

As to the CFA claim, it too fails as a matter of law. Every action that Williams complained of at the deposition was directed at Litton. However, Litton did not violate the CFA. Williams Complaint is essentially the allegation that she believed she was going to get a loan modification and when she did not get one, the timing was poor as her business ventures required her to be current on her loan. However, there is no law that requires a borrower to receive a loan modification and Williams has not proven that any money was accepted by Litton to evidence that she was paying under a modification agreement. In fact, Williams admitted that Litton returned checks during the time Williams was communicating with Litton about a loan modification. The fact that the Judge handling the Foreclosure action has stricken her Answer is further evidence that she did not have a loan modification. Williams testified that she could afford her loan and purposely went into default to obtain a modification. That is abuse of the system and could be seen as fraud. There has been no violation of the CFA by the Defendants. There was no unlawful practice by any of the Defendants.

As for the Breach of Contract claim, there has been no breach of contract. The mortgage itself could be the only contract Williams might reference. Therefore, right off the bat, every Defendant except the mortgagee must be dismissed immediately. Moreover, Williams testified that her loan was not in default and she purposely defaulted to obtain a modification. She was discussing a modification with Litton. That is not a breach of contract by the Defendants. Williams further testified that she had money that could have been used to pay her mortgage, but instead paid other unsecured debt. None of the Defendants, including the mortgagee, breached a term in the mortgage.

As to Williams' claim that the Defendants caused an Intentional Infliction of Emotional Distress. Again, the Complaint is her belief that Litton was required to give her a loan modification. Yet, she hasn't proven that she applied timely, timely provided all the required documents and timely made the required monthly payments for any loan modification. The Litton comments log and payment support the dismissal of the Complaint. If Williams has been distressed, it was caused when she purposefully defaulted on her loan to attempt to obtain a modification.

Finally, please bring all of the remaining documents that Williams referenced during her deposition with you to the deposition on Monday. Please discuss these documents with Sal as he took copious notes of the documents Williams referenced. Williams appeared to be selective in what she said and what documents she turned over in discovery.

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

#### 2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 11,550 %. The interest rate I will pay will change in accordance with Section 4 of this Note.

The interest rate required by this Section 2 and Section 4 of this Note is the rate I will pay both before and after any default described in Section 7(B) of this Note.

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the first day of each month beginning on May 1, 2008

I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. #### INTEREST RATE AND MONTHLY PAYMENT CHANGES 4

### (A) Change Dates

The interest rate I will pay may change on the first day of April 1, 2008

, and on that day every sixth month thereafter. Each date on which my interest rate could change is called a "Change Date." (B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six-month U.S. dollar-denominated deposits in the London market (\*LIBOR\*), as published in The Wall Street Journal. The most recent Index figure available 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

### (C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Six and Ninety-Nine

Hundredths percentage points ( 6.9900 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be my new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpuid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

# (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 13,550 % of less than 11.5500 %. Thereafter, my interest rate will never he increased or decreased on any subsequent Change Date by more than 1.5000 from the rate of interest I have been paying for the preceding period. My interest rate will never be greater than 17.5500 % or less thau 11.5500 ×.

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

#### BORROWER'S RIGHT TO PREPAY 5.

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a Prepayment. When I make a Prepayment, I will tell the Note Holder in writing that I am doing so, I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note,

I may make a full Prepayment or partial Prepayments without paying any Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due dates of my monthly payments unless the Note Holder agrees in writing to those changes. My partial Prepayment may reduce the amount of my monthly payments after the first Change Date following my partial Prepayment. However, any reduction due to my partial Prepayment may be offset by an interest rate increase.

#### LOAN CHARGES 6.

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

1515N2MS 01/01 Page 2 of 4

#### 7. BORROWER'S FAILURE TO PAY AS REOUTRED

### (A) Late Charges for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.0 of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

#### (B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

#### (C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

# (D) No Waiver by Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

#### (E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

### 8. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

### 9. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

#### 10. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Disbonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

#### 11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

Page 3 of 4

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law, Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Leader and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

# RIDER

This is a Rider to the CITYLINE Mortgage/Deed of Trust/Deed to Secure Debt between <u>VERONICA WILLIAMS</u> and City Federal Savings aN&XX&&XXXXXX dated MAY 13, 1986 \*BANK

The Section entitled "NOTICE: THIS MORTGAGE/DEED OF TRUST/DEED TO SECURE DEBT SECURES AN AGREEMENT WHICH CONTAINS A PROVISION ALLOWING FOR CHANGES IN THE INTEREST RATE" is amended as follows:

"The interest rate will be 2.00 percentage points above the Prime Rate defined as the base rate on corporate loans at large United States money center commercial banks and as most recently published in The Wall Street Journal prior to the last business day of the month immediately preceding the first day of each monthly billing cycle (the "Index"). If more than one rate is published, Borrower will be charged the highest rate.

This means that the interest rate may change each billing cycle. Each change in the interest rate will apply to any principal balance outstanding on the effective date of such change as well as to the future advances. An increase in the Index will increase the Borrower's total interest and the minimum monthly payment due pursuant to the Agreement. Lender reserves the right to, at any time, charge the Borrower a lower rate than the formula might indicate without losing any rights. The interest rate at no time will be reduced below 9.75 %. If the Index is no longer available, Lender will choose a new index which is an interest rate index or a national or regional index that measures the rate of inflation or the rate of change in consumer disposable income."

Ms. Veronica Williams M-15 Farmhouse Lane Morristown, NJ 07960

Dear Ms. Williams

Based on the facts stated in your application, the contract of sale, credit report and appraisal, and for the purpose stated in your application, we are pleased to offer you a loan secured by the property described below.

AMOUNT OF LOAN: The amount of the loan is \$ 80,000. TERM: 30 years.

SECURED PROPERTY:

541 Scotland Road South Orange, NJ

THE INTEREST RATE: The initial interest rate on your loan will be 2.0 percentage points above an Index, rounded up to the nearest 1/8% (.125%). The Index will be the one checked below:

The latest average discount rate prior to your closing on twenty six (26) week Treasury Bills as announced by the U.S. Treasury.

The weekly average yield prior to your closing on United States Treasury Securities adjusted to a constant maturity of \_\_\_\_\_\_ years as published by the Federal Reserve Board in Statistical Release H-15 (519) published weekly.

ADJUSTMENT OF INTEREST RATE: The rate of interest will be adjusted every <u>60</u> months during the term of the loan, using the same index and the same formula described above. The new interest rate will be based on the most recently available index on the date the rate is scheduled to change, unless the monthly payment is also scheduled to change (see below). If the monthly payment is also scheduled to change, the index will be the most recently available one at the time Notice of Change of the monthly payment is given.

SUBSTITUTION OF INDEX: A new Index may be substituted during the loan term if the initial Index ceases to be publicly announced by its source. The substituted Index will be used to determine the changes in the interest rate beginning with the first interest rate change after the substitution.

MONTHLY PAYMENTS OF PRINCIPAL AND INTEREST: Your loan payment will increase over the first \_\_\_\_\_\_ years of the loan term as follows:

| First Year:  | \$643.70        | Sixth Year:   | \$ |
|--------------|-----------------|---------------|----|
| Second Year: | \$              | Seventh Year: | \$ |
| Third Year:  | \$ 743.38       | Eighth Year:  | \$ |
| Fourth Year: | s <u>799.68</u> | Ninth Year:   | s  |
| Fifth Year:  | \$ 859.66       | Tenth Year:   | \$ |
| riidi tear:  | • <u>007.00</u> | Tenth Year:   | \$ |

ADJUSTMENT OF MONTHLY PAYMENTS: Starting with the first monthly payment in the <u>sixth</u> year of the loan term and every <u>fifth</u> year after that, your monthly payments of principal and interest will change. The change will be based on the rate of interest in effect at that time so as to pay off the principal loan balance in equal monthly installments over the remaining loan term.

UNPAID INTEREST ADDED: Because your monthly payments may not be enough to pay the monthly interest due on your loan, the unpaid interest will be added to your principal balance each month and will be charged interest at the rate then in effect. This is commonly known as negative amortization. You may make increased payments to wholly or partially avoid this. If the total unpaid interest which is added to your principal balance reaches 25% of the original loan amount, we may require that you pay the full amount of interest charged on the outstanding balance each month.

THE MORTGAGE: The mortgage is to be a <u>first</u> lien on the above property and is to be written at 125% of the original loan amount, rounded up to the nearest \$1,000.

OCCUPANCY: The terms of the loan, including the rate of interest, are based on your statements as to whether or not you are or will be occupying the property as your principal residence.

035-386-01-1082 (1 of 3)

FLOOD INSURANCE: This insurance is required at this time only if an amount is inserted for this item in the estimated monthly payments. If it is not required at this time, it may be required at the time of closing if the official flood maps are changed. If it is required either now or at the time of closing, the amount will be the lesser of the loan amount or the maximum amount available.

TAX SERVICE CONTRACT: A one time charge of \$ 20.00 is made to cover the cost of servicing your real estate tax account. This is to be paid at closing.

ESCROW DEPOSIT: An amount to be determined by us in accordance with Federal regulations, is to be deposited at closing for the payment of future taxes and other items listed above.

FEES TO CITY FEDERAL: You are to pay a Loan Commitment Fee and/or an Application/Loan Processing Fee to City Federal as follows:

| 0 | Total Due                          | \$2        | 600.00 |

The amounts paid before closing will not be returned if the closing does not take place. Amounts due at the closing may be deducted from the loan proceeds at or before the closing.

LATE PAYMENT CHARGES: Your payments are due on the first day of each month. If any payment is not received within 15 days after it is due a late charge of 5% of the principal and interest due will be charged.

PREPAYMENT CHARGES: You may prepay the loan either in full or in part at any time. There is no charge or penalty for doing so.

ASSUMPTION - TRANSFER: If all or any part of the property, or an interest in the property is sold or transferred without our prior written consent, we may declare all sums secured by the mortgage to be immediately due and payable. A new owner cannot take over or assume the mortgage payments without our written agreement permitting such an assumption.

TITLE INSURANCE: We require that our interest as mortgagee be insured through a title company licensed to do business in the state in which the property is located and which is acceptable to us. Title to the property is to be free and clear of all exceptions or objections except those specifically acceptable to us. The amount of title insurance is to be 125% of the original loan amount, rounded up to the nearest \$1,000. The policy is to affirmatively insure the validity, priority and enforceably of the lien of the mortgage by reason of changes in the interest rate and the addition of unpaid interest to the principal balance. All title charges and premiums are to be paid by you.

We do not accept responsibility for faulty construction. It is your responsibility to determine that the dwelling is built to your satisfaction.

Evidence that the construction is insured under a home warranty program is to be presented at closing, where such a program is legally required.

# Attachment III – LITTON LOAN – MODIFICATION CONFIRMATION CBR Balance: \$27306.00 (Highlights of Litton Loan)

This section explains why my mortgage with Litton Loan will soon be in good standing and how we got here.

I acted in good faith, notifying Litton Loan that I intended to apply for the Federal HAMP Program. Since last January the following key events occurred:

Litton indicated I should pay other bills because I had to be at least 3 months in arrears to qualify. Litton would add the delinquent payments to the back end of the loan. Over the ensuing months, I made repeated phone calls, receiving assurance that Litton was working on my application and would offer me a modification plan if my HAMP application was not approved.

To my surprise and chagrin, I was served for foreclosure on my home in late July 2009. This was after notifying Litton that I had surgery in May, in height of preparation for new tenants, in financial disputes as well as additional challenges.

Litton repeatedly reassured me that they intended to complete processing of the modification – twice, in writing as well as by delaying my foreclosure. So I sold a major asset to pay off debt. I sent three certified payments that were returned by Litton while their representatives continued to make assurances.

In response to requests, I submitted extensive information several times to Litton Loan:

- I submitted modification request February 25, 2009
- I re-submitted modification request March 29, 2009
- I submitted response to Workout Plan August 2, 2009
- I submitted additional information for Workout Plan August 8, 2009
- I submitted response to new Workout Plan September 28, 2009
- I submitted additional information for new Workout Plan October 19, 2009
- I re-submitted additional information for new Workout Plan October 21, 2009
- I re-submitted additional information for new Workout Plan October 28, 2009
- I submitted additional information for Workout Plan November 25, 2009
- Submitted additional information for Workout Plan December 3, 2009

Based on feedback from Litton representatives I expect the latest modification to be approved by the end of this year. The next few pages show both Workout Plans and proof of payments towards these plans.

### HOME AFFORDABLE MODIFICATION TRIAL PERIOD PLAN (Step One of Two-Step Documentation Process)

Trial Period Plan Effective Date: 11/1/2009 Borrower ("I")<sup>1</sup>: Veronica Williams Lender ("Lender"): Litton Loan Servicing LP Date of first lien Security Instrument ("Mortgage") and Note ("Note"): 3/31/2006 Loan Number: 40212367 Property Address ("Property"): 541 Scotland Rd, South Orange, NJ 07079

If I am in compliance with this Trial Period Plan (the "Plan") and my representations in Section 1 continue to be true in all material respects, then the Lender will provide me with a Home Affordable Modification Agreement ("Modification Agreement"), as set forth in Section 3, that would amend and supplement (1) the Mortgage on the Property and (2) the Note secured by the Mortgage. The Mortgage and Note together, as they may previously have been amended, are referred to as the "Loan Documents." Capitalized terms used in this Plan and not defined have the meaning given to them in the Loan Documents.

If I have not already done so, I am providing confirmation of the reasons I cannot afford my mortgage payment and documents to permit verification of all of my income (except that I understand that I am not required to disclose any child support or alimony unless I wish to have such income considered) to determine whether I qualify for the offer described in this Plan (the "Offer"). I understand that after I sign and return two copies of this Plan to the Lender, the Lender will send me a signed copy of this Plan if I qualify for the Offer offer offer offer. This Plan will not take effect unless and until both I and the Lender sign it and Lender provides me with a copy of this Plan with the Lender's signature.

- 1. My Representations. 1 certify, represent to Lender and agree:
  - A. I am unable to afford my mortgage payments for the reasons indicated in my Hardship Affidavit, and as a result, (i) I am either in default or believe I will be in default under the Loan Documents in the near future, and (ii) I do not have sufficient income or access to sufficient liquid assets to make the monthly mortgage payments now or in the near future;
  - B. I live in the Property as my principal residence, and the Property has not been condemned;
  - C. There has been no change in the ownership of the Property since I signed the Loan Documents;
  - D. I am providing or already have provided documentation for all income that I receive (and I understand that I am not required to disclose any child support or alimony that I receive, unless I wish to have such income considered to qualify for the Offer);
  - E. Under penalty of perjury, all documents and information I have provided to Lender pursuant to this Plan, including the documents and information regarding my eligibility for the program, are true and correct; and
  - F. If Lender requires me to obtain credit counseling, I will do so.

<sup>1</sup> If there is more than one Borrower or Mortgagor executing this document, each is referred to as "I". For purposes of this document words signifying the singular (such as "I") shall include the plural (such as "we") and vice versa where appropriate.

 The Trial Period Plan. On or before each of the following due dates. I will pay the Lender the amount set forth below ("Trial Period Payment"). which includes payment for Escrow Items, including real estate taxes, insurance premiums, and other fees, if any, of U.S. \$1,340.89.

| Trial Period | Trial Period | Due Date       |
|--------------|--------------|----------------|
| Payment #    | Payment      | On or Before # |
| 1            | \$2,316.53   | 11/1/2009      |
| 2            | \$2,316.53   | 12/1/2009      |
| 3            | \$2,316.53   | 1/1/2010       |

The Trial Period Payment is an estimate of the payment that will be required under the modified loan terms, which will be finalized in accordance with Section 3 below.

During the period (the "Trial Period") commencing on the Trial Period Effective Date and ending on the earlier of: (i) the first day of the month following the month in which the last Trial Period Payment is due (the "Modification Effective Date") or (ii) termination of this Plan, I understand and acknowledge that:

- A. TIME IS OF THE ESSENCE under this Plan;
- B. Except as set forth in Section 2.C. below, the Lender will suspend any scheduled foreclosure sale, provided 1 continue to meet the obligations under this Plan, but any pending foreclosure action will not be dismissed and may be immediately resumed from the point at which it was suspended if this Plan terminates, and no new notice of default, notice of intent to accelerate, notice of acceleration, or similar notice will be necessary to continue the foreclosure action, all rights to such notices being hereby waived to the extent permitted by applicable law;
- C. If my property is located in Georgia, Hawaii, Missouri, or Virginia and a foreclosure sale is currently scheduled, the foreclosure sale will not be suspended and the lender may foreclose if I have not made each and every Trial Period Payment that is due before the scheduled foreclosure sale. If a foreclosure sale occurs pursuant to this Section 2.C., this agreement shall be deemed terminated;
- D. The Lender will hold the payments received during the Trial Period in a non-interest bearing account until they total an amount that is enough to pay my oldest delinquent monthly payment on my loan in full. If there is any remaining money after such payment is applied, such remaining funds will be held by the Lender and not posted to my account until they total an amount that is enough to pay the next oldest delinquent monthly payment in full;
- E. When the Lender accepts and posts a payment during the Trial Period it will be without prejudice to, and will not be deemed a waiver of, the acceleration of the loan or foreclosure action and related activities and shall not constitute a cure of my default under the Loan Documents unless such payments are sufficient to completely cure my entire default under the Loan Documents;
- F. If prior to the Modification Effective Date, (i) the Lender does not provide me a fully executed copy of this Plan and the Modification Agreement; (ii) 1 have not made the Trial Period payments required under Section 2 of this Plan; or (iii) the Lender determines that my representations in Section 1 are no longer true and correct, the Loan Documents will not be modified and this Plan will terminate. In this event, the Lender will have all of the rights and remedies provided by the Loan Documents, and any payment 1 make under this Plan shall be applied to amounts 1 owe under the Loan Documents and shall not be refunded to me; and

- G. I understand that the Plan is not a modification of the Loan Documents and that the Loan Documents will not be modified unless and until (i) I meet all of the conditions required for modification, (ii) I receive a fully executed copy of a Modification Agreement, and (iii) the Modification Effective Date has passed. I further understand and agree that the Lender will not be obligated or bound to make any modification of the Loan Documents if I fail to meet any one of the requirements under this Plan.
- 3. The Modification. I understand that once Lender is able to determine the final amounts of unpaid interest and any other delinquent amounts (except late charges) to be added to my loan balance and after deducting from my loan balance any remaining money held at the end of the Trial Period under Section 2.D. above, the Lender will determine the new payment amount. If I comply with the requirements in Section 2 and my representations in Section 1 continue to be true in all material respects, the Lender will send me a Modification Agreement for my signature which will modify my Loan Documents as necessary to reflect this new payment amount and waive any unpaid late charges accrued to date. Upon execution of a Modification Agreement by the Lender and me, this Plan shall terminate and the Loan Documents, as modified by the Modification Agreement, shall govern the terms between the Lender and me for the remaining term of the loan.

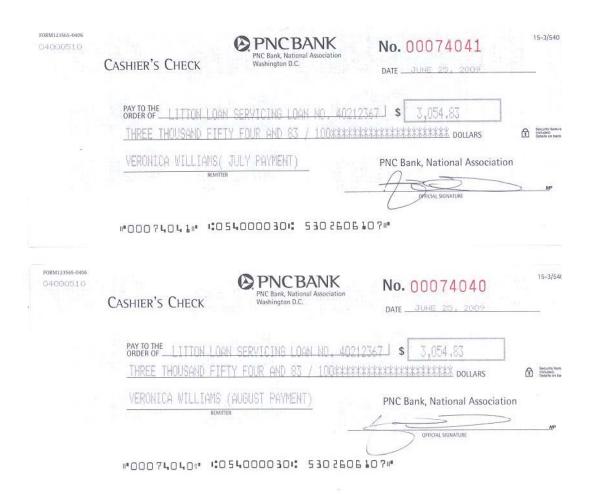

### 4. Additional Agreements. I agree to the following:

- A. That all persons who signed the Loan Documents or their authorized representative(s) have signed this Plan, unless a borrower or co-borrower is deceased or the Lender has waived this requirement in writing.
- B. To comply, except to the extent that they are modified by this Plan, with all covenants, agreements, and requirements of Loan Documents, including my agreement to make all payments of taxes, insurance premiums, assessments, Escrow Items, impounds, and all other payments, the amount of which may change periodically over the term of my loan.
- C. That this Plan constitutes notice that the Lender's waiver as to payment of Escrow Items, if any, has been revoked, and I have been advised of the amount needed to fully fund my Escrow Account.
- D. That all terms and provisions of the Loan Documents remain in full force and effect; nothing in this Plan shall be understood or construed to be a satisfaction or release in whole or in part of the obligations contained in the Loan Documents. The Lender and I will be bound by, and will comply with, all of the terms and provisions of the Loan Documents.
- E. Notwithstanding anything herein to the contrary, if my final two Trial Period Payments are received by Servicer after the close of business on the 15th calendar day of the last month of the Trial Period but before the end of the Trial Period, I agree that the Trial Period shall be extended by one calendar month (the "Additional Trial Period"). I agree to abide by all terms and provisions of this Trial Period Plan during the Additional Trial Period. In addition, I agree to make a Trial Period Payment in the amount of \$2,316.53 no more than 30 days after the last due date listed in the chart in Section 2 above.

In Witness Whereof, the Lender and I have executed this Plan.

If I am in compliance with this Loan Workout Plan (the "Plan") and my representations in Section 1 continue to be true in all material respects, then the Lender will provide me with a Loan Modification Agreement ("Modification Agreement"), as set forth in Section 3, that would amend and supplement (1) the Mortgage on the Property, and (2) the Note secured by the Mortgage. The Mortgage and Note together, as they may previously have been amended, are referred to as the "Loan Documents." Capitalized terms used in this Plan and not defined have the meaning given to them in the Loan Documents.

If I have not already done so, I am providing confirmation of the reasons I cannot afford my mortgage payment and documents to permit verification of all of my income (except that I understand that I am not required to disclose any child support or alimony unless I wish to have such income considered) to determine whether I qualify for the offer described in this Plan (the "Offer"). I understand that after I sign and return two copies of this Plan to the Lender, the Lender will send me a signed copy of this Plan if I qualify for the Offer or will send me written notice that I do not qualify for the Offer. This Plan will not take effect unless and until both I and the Lender sign it and Lender provides me with a copy of this Plan with the Lender's signature.

- My Representations. I certify, represent to Lender and agree:
  - A. I am unable to afford my mortgage payments for the reasons indicated in my Hardship Affidavit and as a result, (i) I am either in default or believe I will be in default under the Loan Documents in the near future, and (ii) I do not have access to sufficient liquid assets to make the monthly mortgage payments now or in the near future;
  - B. I live in the Property as my principal residence, and the Property has not been condemned;
  - C. There has been no change in the ownership of the Property since I signed the Loan Documents;
  - D. I am providing or already have provided documentation for all income that I receive (except that I understand that I am not required to disclose any child support or alimony that I receive, unless I wish to have such income considered to gualify for the offer);
  - E. Under penalty of perjury, all documents and information I have provided to Lender pursuant to this Plan, including the documents and information regarding my eligibility for the program, are true and correct; and
  - F. If Lender requires me to obtain credit counseling, I will do so.

<sup>&</sup>lt;sup>1</sup> If there is more than one Borrower or Mortgagor executing this document, each is referred to as "I". For purposes of this document words signifying the singular (such as "I") shall include the plural (such as "we") and vice versa where appropriate.

# Attachment III cont'd. – LITTON LOAN – MODIFICATION CONFIRMATION CBR Balance: \$27306.00

 The Loan Workout Plan. On or before each of the following due dates, I will pay the Lender the amount set forth below ("Trial Period Payment"), which includes payment for Escrow Items, including real estate taxes, insurance premiums and other fees, if any, of U.S. \$1,356.07.

| Trial Period<br>Payment # | Trial Period<br>Payment | Due Date<br>On or Before # |

| 1                         | \$3,054.83              | 7/1/2009                   |

The Trial Period Payment is an estimate of the payment that will be required under the modified loan terms, which will be finalized in accordance with Section 3 below.

During the period (the "Trial Period") commencing on the date of this Plan and ending on the earlier of: (i) the first day of the month following the month in which the last Trial Period Payment is due (the "Modification Effective Date") or (ii) termination of this Plan, I understand and acknowledge that:

- A. TIME IS OF THE ESSENCE under this;
- B. Except as set forth in Section 2.C. below, the Lender will suspend any scheduled foreclosure sale, provided I continue to meet the obligations under this Plan, but any pending foreclosure action will not be dismissed and may be immediately resumed from the point at which it was suspended if this Plan terminates, and no new notice of default, notice of intent to accelerate, notice of acceleration, or similar notice will be necessary to continue the foreclosure action, all rights to such notices being hereby waived to the extent permitted by applicable law;
- C. If my property is located in Georgia, Hawaii, Missouri, or Virginia and a foreclosure sale is currently scheduled, the foreclosure sale will not be suspended and the lender may foreclose if I have not made each and every Trial Period Payment that is due before the scheduled foreclosure sale. If a foreclosure sale occurs pursuant to this Section 2.C., this agreement shall be deemed terminated;
- D. The Lender will hold the payments received during the Trial Period in a non-interest bearing account until they total an amount that is enough to pay my oldest delinquent monthly payment on my loan in full. If there is any remaining money after such payment is applied, such remaining funds will be held by the Lender and not posted to my account until they total an amount that is enough to pay the next oldest delinquent monthly payment in full;
- E. When the Lender accepts and posts a payment during the Trial Period it will be without prejudice to, and will not be deemed a waiver of, the acceleration of the loan or foreclosure action and related activities and shall not constitute a cure of my default under the Loan Documents unless such payments are sufficient to completely cure my entire default under the Loan Documents;
- F. If prior to the Modification Effective Date, (i) the Lender does not provide me a fully executed copy of this Plan and the Modification Agreement; (ii) I have not made the Trial Period payments required under Section 2 of this Plan; or (iii) the Lender determines that my representations in Section 1 are no longer true and correct, the Loan Documents will not be modified and this Plan will terminate. In this event, the Lender will have all of the rights and remedies provided by the Loan Documents, and any payment I make under this Plan shall be applied to amounts I owe under the Loan Documents and shall not be refunded to me; and

Dear Mr. Erbey,

Ocwen must send a written explanation of Statements for Mortgage No.7090650115, that explains all figures and why it appears that funds have been given to the mortgage holder (Veronica Williams).

Representatives from the State of New Jersey have made multiple phone calls to Ocwen and none have been returned. I also made several phone calls, sent numerous correspondence (some attached), yet Ocwen has not returned my calls and has only sent a few form letters.

Again, for the record, none of the figures on your statements are correct. Ocwen has repeatedly failed to produce documents to validate this mortgage. Moreover, I believe my mortgage was transferred to Ocwen in violation of an Agreement that Goldman Sachs and Litton Loan had with the U.S. Securities and Exchange Commission. Any insurance, property tax or other payments made to third parties were clearly to protect Ocwen's effort to coerce me into making payments not owed or to steal my property.

The stress of unfair and deceltful actions, and the lack of responses, by Ocwen, Litton Loan and Goldman Sachs continue to take their toll on me. I recently returned home from an 8-day hospitalization for a stress induced illness, My recovery is further delayed by Ocwen's refusal to respond. Badly needed benefits have been delayed and I am at risk of losing much more without a guick response.

To avoid further losses, I must insist that Ocwen send a written explanation no later than 4:00 pm on Monday, November 5, 2012 to:

Mr. Brendan McDonagh CEO HSBC North America Holdings Inc. 26525 N. Riverwoods Blvd. Mettawa, IL 60045

Dear Mr. McDonagh,

I would like your assistance to ensure that I receive a mortgage modification that is in the mutual best interests of HSBC, my community and I. Given the manner in which my previous efforts have been handled by Litton Loan (see Attachment I), I believe we can resolve this matter in a mutually beneficial and fair way with your intervention.

### FORECLOSURE BAD BUSINESS DECISION FOR HSBC

**HSBC earns a greater return with modification than foreclosure**; the proposed modification gains \$35,864 vs. the foreclosure which *loses* \$50,413 (see Attachment IV). Foreclosure puts HSBC at a financial and strategic disadvantage (see Attachment I). I qualify for HAMP (see Attachment II) but Litton Loan recently told Tri-City they don't participate in HAMP. In December 2008, Litton Loan told me they would provide me with a HAMP modification.

My foreclosure, as many others, is not in the spirit of US Banking Laws. The manner in which my account has been handled by Litton Loan is not consistent with HSBC's history & reputation.

### **HSBC CHARTERED TO SUSTAIN NOT DESTROY COMMUNITIES**

My neighborhood, like so many others in the U.S., is beginning to decline due to empty foreclosed homes and other casualties of the economy. The Federal Reserve<sup>1</sup> seeks to sustain U.S. communities when banking and mortgage charters are issued to institutions like HSBC. Indeed, HSBC is still fairly new in the US banking market<sup>2</sup>. I ask that you review your obligation to shareholders, mortgage holders and US citizens as you reconsider options to assist me.

I thank you for joining in the spirit of the Federal effort to generate our Nation's economic recovery.

Sincerely yours,

### **MODIFICATION HAS STRONG MERIT FOR HSBC**

A true mortgage modification will allow Litton Loan and HSBC to continue receiving a revenue stream while this home remain occupied More importantly, Litton Loan/HSBC will qualify for Federal assistance on this asset, further reducing the prospect of future losses.

### HSBC CHARTERED TO PROVIDE MORTGAGE FINANCING FOR US HOMEOWNERS

While homeowners who can afford their mortgages are walking away from their commitment, this homeowner made Herculean efforts to work out a resolution with the mortgagor. Financially, her efforts have cost her dearly. The total cost of ownership (maintenance costs except mortgage and taxes) are equal to the cost of renting an apartment in her area. Having lived in this home 27 years, her concern to maintain the neighborhood and contribute financially to society is greater than her desire to preserve money for herself. This is exactly the type of citizen that the Federal Reserve<sup>4</sup> is trying to support when banking and mortgage charters are issued to institutions like Litton Loan/HSBC. Indeed, HSBC is still fairly new in the US banking market<sup>5</sup>. I ask that you review your obligation to shareholders, mortgage holders and US citizens as you reconsider options to assist this homeowner.

Dear Mr. Litton,

I need a mortgage modification as soon as possible. Many Litton representatives have been working with me since this effort began in December 2008. I am particularly grateful to Bessie Cahee who has patiently and diligently conveyed requests from others at Litton. I am seeking your assistance to ensure that this effort is completed successfully.

The lack of a mortgage modification agreement prevents me from filing my latest financial statements. My income will, therefore, be reduced for the following reasons:

- Three (3) tenants broke their rental agreements and may not be backfilled before May (see Attachment I)
- A contingent Federal job offer may not be approved with the foreclosure on my record (Federal Security Clearance required and pending)
- A contingent offer from Federal contractor may not be approved with the foreclosure on record (Security clearance required)

My home provides my most reliable source of revenue at this time. Losing my home will impose added financial and health burdens that will surely threaten my survival. Without a modification I will attempt to sell my home to remove the foreclosure status from my record. By the time this is done, however, I expect the two contract jobs pending will no longer be available. That could very well leave me homeless and eliminate my current sources of income.

My revised financial statements (prepared on an accrual basis) will show reduced revenue due to:

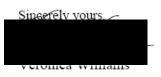

- Lost rental income from tenants who broke leases (Heidi Boon, Shelley Peachey, Catharine Swain)
- Revenue from contracts pending security clearance can lo longer be accrued
- Loss of a place to live threatens my ability to earn income on existing contracts (can no longer accrue revenue from existing commitments)

I will provide the financial statements as soon as I have completed the revisions.

I have tried to dig out of my financial predicament without foreclosure, to no avail. I am willing to do anything that is morally and legally possible to remove the foreclosure from my record. I hope to do so without losing my home of more than 26 years. *Time is of the essence.* 

Bessie Cahee, with whom I have worked since last summer, is no longer assigned to my account. The customer service representatives cannot identify an individual for me to speak with. Please let me know how to proceed in working out a mutually beneficial solution. I can be reached at 202-636-8190.

In anxious anticipation, I am

Dear Sir/Madam:

In response to a suggestion by Marie Bernard of Litton (on 9/17/09 at 3:41pm), I am writing to explain why Litton should accept and honor the Loan Modification agreement your firm proposed and I accepted. You should note that I have:

- made all required payments (July, August & September)
- provided all information requested (received by Litton DATE) copy attached, 48 pages
- been self-employed since 1993 long before the original mortgage was instituted
- rented rooms to provide yet another source of income sufficient in itself to cover both mortgages
- sufficient income right now to pay for the Litton mortgage, my second mortgage as well as my basic living expenses
- presented budgets that clearly demonstrate my ability to meet mortgages and basic financial obligations
- a preliminary offer from the U.S. Dept. of Homeland Security which will further increase my income
- become a newly instituted Arbitrator, which will also provide additional income.

Documentation attached shows rental income, Arbitrator approval and more. I have attached the offer letter from FEMA.

I contacted Litton last month to inform you that major water damage in my home would delay my payment. Unfortunately the damage was not in my bedroom but one that I rent. My insurance company has still not paid nor settled the claim.

I am told that Litton sent a letter dated 8/14/09. I have not yet received it.

I request an expeditious acceptance (i.e. 3 days) of our modification so that I may proceed in establishing repayment agreements with other creditors. Please contact me by phone at 973-715-8580 and via facsimile at 888-492-5864 right away.

Thank you

Dear Sir/Madam:

This is to re-confirm that I accept the Loan Workout Plan proposed by Litton Loan Servicing LP. In response to my conversations with Litton representatives on July 31, 2009, I have attached the following documents:

- Loan Workout Plan (3 pages)
- Hardship Affidavit (2 pages)
- Copy of Request for Transcript of Tax Return (Attachment II)
- Copy of Request for Modification submitted February 25, 2009
- Copy of Application for Modification of Mortgage submitted March 29, 2009
- Copy of 2007 & 2008 IRS Returns (4 pages and 19 pages, respectively)

The major changes since March are that I had surgery in May and have landed new sources of income. Despite challenges beyond my control, I have recovered from surgery. After a concerted effort to solidify my income, I have three new sources of income:

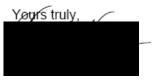

- Contract Program Manager for Semper-Alexander, Inc.
- FINRA Arbitrator (listed in New York, NY and Newark, NJ)
- ACT Inc. contractor

Collectively, the income from these sources will allow me to meet my mortgage payments while also providing me sufficient time (about 15 business days a month) to earn additional income. My revised budget is outlined in Attachment I – Creditor Repayment Schedule/Budget.

Please note that I am the leading candidate for two private industry positions and in the hiring process for a contractor position with a Federal agency.

I will be able to repay the mortgage and recover financially under the proposed Workout Plan. I do meet the requirements for the Federal Modification Program, however, and would still prefer that option if it is available. That is, the mortgage interest rate of 2%, in a fixed, 30-year note.

I thank you for your assistance in my financial recovery.

Dear Ms. Williams:

This letter is in response to your correspondence dated June 16, 2010 regarding the above referenced account.

Please be aware that HSBC Bank U.S.A. acts as a trustee for certain loan securitization trusts in connection with the issuance of mortgage backed securities. As trustee, the bank has only a nominal role with the respect to the properties owned by the trust. If I am in compliance with this Loan Workout Plan (the "Plan") and my representations in Section 1 continue to be true in all material respects, then the Lender will provide me with a Loan Modification Agreement ("Modification Agreement"), as set forth in Section 3, that would amend and supplement (1) the Mortgage on the Property, and (2) the Note secured by the Mortgage. The Mortgage and Note together, as they may previously have been amended, are referred to as the "Loan Documents." Capitalized terms used in this Plan and not defined have the meaning given to them in the Loan Documents.

If I have not already done so, I am providing confirmation of the reasons I cannot afford my mortgage payment and documents to permit verification of all of my income (except that I understand that I am not required to disclose any child support or atimony unless I wish to have such income considered) to determine whether I qualify for the offer described in this Plan (the "Offer"). I understand that after I sign and return two copies of this Plan to the Lender, the Lender will send me a signed copy of this Plan if I qualify for the Offer or will send me written notice that I do not qualify for the Offer. This Plan will not take effect unless and until both I and the Lender sign it and Lender provides me with a copy of this Plan with the Lender's signature.

- 1 My Representations. I certify, represent to Lender and agree:
  - A I am unable to afford my mortgage payments for the reasons indicated in my Hardship Affidavit and as a result, (i) I am either in default or believe I will be in default under the Loan Documents in the near future, and (ii) I do not have access to sufficient liquid assets to make the monthly mortgage payments now or in the near future:
  - 8. I live in the Property as my principal residence, and the Property has not been condemned;
  - C There has been no change in the ownership of the Property since I signed the Loan Documents.
  - D I am providing or already have provided documentation for all income that I receive (except that I understand that I am not required to disclose any child support or alimony that I receive, unless I wish to have such income considered to qualify for the offer);
  - E Under penalty of perjury, all documents and information I have provided to Lender pursuant to this Plan, including the documents and information regarding my eligibility for the program, are true and correct, and
  - F. If Lender requires me to obtain credit counseling. I will do so.

<sup>1</sup> If there is more than one Barrower or Mortgagor executing this document, each is referred to as 1° ... For purposes of this document - words signifying the singular (such as 1°) shall include the plural (such as 1we') and vice varia where appropriate.

- A. TIME IS OF THE ESSENCE under this;
- B. Except as set forth in Section 2.C, below, the Lender will suspend any scheduled foreclosure sale, provided I continue to meet the obligations under this Plan, but any pending foreclosure action will not be dismissed and may be immediately resumed from the point at which if was suspended if this Plan terminates, and no new notice of default, notice of intent to accelerate, notice of acceleration, or similar notice will be necessary to continue the foreclosure action, all rights to such notices being hereby waived to the extent permitted by applicable law;

- D. The Lender will hold the payments received during the Trial Period in a non-interest bearing account until they total an amount that is enough to pay my oldest delinquent monthly payment on my loan in full. If there is any remaining money after such payment is applied, such remaining funds will be held by the Lender and not posted to my account until they total an amount that is enough to pay the next oldest delinquent monthly payment in full;
- E. When the Lender accepts and posts a payment during the Trial Period it will be without prejudice to, and will not be deemed a waiver of, the acceleration of the loan or foreclosure action and related activities and shall not constitute a cure of my default under the Loan Documents unless such payments are sufficient to completely cure my entire default under the Loan Documents;
- F. If prior to the Modification Effective Date, (i) the Lender does not provide me a fully executed copy of this Plan and the Modification Agreement; (ii) I have not made the Trial Period payments required under Section 2 of this Plan; or (iii) the Lender determines that my representations in Section 1 are no longer true and correct, the Loan Documents will not be modified and this Plan will terminate. In this event, the Lender will have all of the rights and remedies provided by the Loan Documents, and any payment I make under this Plan shall be applied to amounts I owe under the Loan Documents and shall not be refunded to me; and

If I am in compliance with this Trial Period Plan (the "Plan") and my representations in Section 1 continue to be true in all material respects, then the Lender will provide me with a Home Affordable Modification Agreement ("Modification Agreement"), as set forth in Section 3, that would amend and supplement (1) the Mortgage on the Property and (2) the Note secured by the Mortgage. The Mortgage and Note together, as they may previously have been amended, are referred to as the "Loan Documents." Capitalized terms used in this Plan and not defined have the meaning given to them in the Loan Documents.

If I have not already done so, I am providing confirmation of the reasons I cannot afford my mortgage payment and documents to permit verification of all of my income (except that I understand that I am not required to disclose any child support or alimony unless I wish to have such income considered) to determine whether I qualify for the offer described in this Plan (the "Offer"). I understand that after I sign and return two copies of this Plan to the Lender, the Lender will send me a signed copy of this Plan if I qualify for the Offer or will send me written notice that I do not qualify for the Offer. This Plan will not take effect unless and until both I and the Lender sign it and Lender provides me with a copy of this Plan with the Lender's signature.

- 1. My Representations. 1 certify, represent to Lender and agree:
  - A. I am unable to afford my mortgage payments for the reasons indicated in my Hardship Affidavit, and as a result, (i) I am either in default or believe I will be in default under the Loan Documents in the near future, and (ii) I do not have sufficient income or access to sufficient liquid assets to make the monthly mortgage payments now or in the near future;

| Trial Period<br>Payment # |            |           |

During the period (the "Trial Period") commencing on the Trial Period Effective Date and ending on the earlier of: (i) the first day of the month following the month in which the last Trial Period Payment is due (the "Modification Effective Date") or (ii) termination of this Plan, I understand and acknowledge that:

- A. TIME IS OF THE ESSENCE under this Plan;
- B. Except as set forth in Section 2.C. below, the Lender will suspend any scheduled foreclosure sale, provided I continue to meet the obligations under this Plan, but any pending foreclosure action will not be dismissed and may be immediately resumed from the point at which it was suspended if this Plan terminates, and no new notice of default, notice of intent to accelerate, notice of acceleration, or similar notice will be necessary to continue the foreclosure action, all rights to such notices being hereby waived to the extent permitted by applicable law;
- C. If my property is located in Georgia, Hawaii, Missouri, or Virginia and a foreclosure sale is currently scheduled, the foreclosure sale will not be suspended and the lender may foreclose if I have not made each and every Trial Period Payment that is due before the scheduled foreclosure sale. If a foreclosure sale occurs pursuant to this Section 2.C., this agreement shall be deemed terminated;

If there is any remaining money after such payment is applied, such remaining funds will be held by the Lender and not posted to my account until they total an amount that is enough to pay the next oldest delinquent monthly payment in full;
- E. When the Lender accepts and posts a payment during the Trial Period it will be without prejudice to, and will not be deemed a waiver of, the acceleration of the loan or foreclosure action and related activities and shall not constitute a cure of my default under the Loan Documents unless such payments are sufficient to completely cure my entire default under the Loan Documents;

In this event, the Lender will have all of the rights and remedies provided by the Loan Documents, and any payment I make under this Plan shall be applied to amounts I owe under the Loan Documents and shall not be refunded to me; and

Dear Mr. Litton,

I need a mortgage modification as soon as possible. Many Litton representatives have been working with me since this effort began in December 2008. I am particularly grateful to Bessie Cahee who has patiently and diligently conveyed requests from others at Litton. I am seeking your assistance to ensure that this effort is completed successfully.

The lack of a mortgage modification agreement prevents me from filing my latest financial statements. My income will, therefore, be reduced for the following reasons:

- Three (3) tenants broke their rental agreements and may not be backfilled before May (see Attachment I)
- A contingent Federal job offer may not be approved with the foreclosure on my record (Federal Security Clearance required and pending)
- A contingent offer from Federal contractor may not be approved with the foreclosure on record (Security clearance required)

My home provides my most reliable source of revenue at this time. Losing my home will impose added financial and health burdens that will surely threaten my survival. Without a modification I will attempt to sell my home to remove the foreclosure status from my record. By the time this is done, however, I expect the two contract jobs pending will no longer be available. That could very well leave me homeless and eliminate my current sources of income.

My revised financial statements (prepared on an accrual basis) will show reduced revenue due to:

- Lost rental income from tenants who broke leases (Heidi Boon, Shelley Peachey, Catharine Swain)
- Revenue from contracts pending security clearance can lo longer be accrued
- Loss of a place to live threatens my ability to earn income on existing contracts (can no longer accrue revenue from existing commitments)

I will provide the financial statements as soon as I have completed the revisions.

I have tried to dig out of my financial predicament without foreclosure, to no avail. I am willing to do anything that is morally and legally possible to remove the foreclosure from my record. I hope to do so without losing my home of more than 26 years. *Time is of the essence.* 

Bessie Cahee, with whom I have worked since last summer, is no longer assigned to my account. The customer service representatives cannot identify an individual for me to speak with. Please let me know how to proceed in working out a mutually beneficial solution. I can be reached at 202-636-8190.

In anxious anticipation, I am

Sincerely yours,

Veronica Williams

Dear Borrower(s):

Congratulations! You are approved to enter into a trial period plan under our modification program. This is the first step toward qualifying for more affordable mortgage payments. Please read this letter so that you understand all the steps you need to take to modify your mortgage payments.

#### What you need to do...

To accept this offer, you must make new monthly "trial period payments" in place of your normal monthly mortgage payment. Send in your monthly trial period payments--instead of your normal monthly mortgage payment--as follows:

| 1st | payment: | \$3,333.55  | by 5/1/2010 |  |
|-----|----------|-------------|-------------|--|
| 2nd | payment: | \$3,333.55  | by 6/1/2010 |  |
| 3rd | payment: | ~\$3,333.55 | by 7/1/2010 |  |
|     |          | 6           |             |  |

If you do not make each trial period payment in the month in which it is due, your loan will not be modified.

In addition to making your trial period payments on time, you must send copies of all the documents that are noted on the attached checklist no later than 3/30/2010, so that we can verify the financial information you already provided to us (use the return envelope provided for your convenience). If the documents are not received by 3/30/2010, this offer will end and your loan will not be modified.

After all trial period payments are timely made and you have submitted all the required documents, your mortgage would then be permanently modified if you qualify. (Your existing loan and loan requirements remain in effect and unchanged during the trial period.) If you have any questions, or if you cannot afford the trial period payments shown above but want to remain in your home, or if you have decided to leave your home but still want to avoid foreclosure, please call us at 1-800-999-8501 as we may be able to help you.

Sincerely,

Dear Mr. Litton,

I need a mortgage modification as soon as possible. Many Litton representatives have been working with me since this effort began in December 2008. I am particularly grateful to Bessie Cahee who has patiently and diligently conveyed requests from others at Litton. I am seeking your assistance to ensure that this effort is completed successfully.

The lack of a mortgage modification agreement prevents me from filing my latest financial statements. My income will, therefore, be reduced for the following reasons:

- Three (3) tenants broke their rental agreements and may not be backfilled before May (see Attachment I)
- A contingent Federal job offer may not be approved with the foreclosure on my record (Federal Security Clearance required and pending)
- A contingent offer from Federal contractor may not be approved with the foreclosure on record (Security clearance required)

My home provides my most reliable source of revenue at this time. Losing my home will impose added financial and health burdens that will surely threaten my survival. Without a modification I will attempt to sell my home to remove the foreclosure status from my record. By the time this is done, however, I expect the two contract jobs pending will no longer be available. That could very well leave me homeless and eliminate my current sources of income.

My revised financial statements (prepared on an accrual basis) will show reduced revenue due to:

- Lost rental income from tenants who broke leases (Heidi Boon, Shelley Peachey, Catharine Swain)
- Revenue from contracts pending security clearance can lo longer be accrued
- Loss of a place to live threatens my ability to earn income on existing contracts (can no longer accrue revenue from existing commitments)

I will provide the financial statements as soon as I have completed the revisions.

I have tried to dig out of my financial predicament without foreclosure, to no avail. I am willing to do anything that is morally and legally possible to remove the foreclosure from my record. I hope to do so without losing my home of more than 26 years. *Time is of the essence.* 

Bessie Cahee, with whom I have worked since last summer, is no longer assigned to my account. The customer service representatives cannot identify an individual for me to speak with. Please let me know how to proceed in working out a mutually beneficial solution. I can be reached at 202-636-8190.

In anxious anticipation, I am

Sincerely yours, erover/1/ili

Re: Veronica Williams v. Litton Loan Servicing, LP and Goldman Sachs & Co. Docket No. L-000081-11

Dear Judge Rothschild:

We write as counsel for Defendant Litton Loan Servicing LP ("Litton"), and ask that Your Honor accept this letter brief in lieu of a more formal brief in response to Plaintiff's pending Motion to Reinstate for Trial (the "Motion"), which is returnable on September 2, 2011.

On July 22, 2011, this case was dismissed, without prejudice, by the Court pursuant to Rule 1:13-7 for lack of prosecution. Specifically, Plaintiff failed to file with the Court a proof of service of the summons and complaint upon Litton, or an acknowledgment of service by Litton, within the time prescribed by the Rule, which resulted in the suit being dismissed.

In support of the Motion, Plaintiff states that "On or about December 23, 2010, a summons was mailed to the defendants. The case defaulted on or about January 23, 2011." <u>See</u> Motion to Reinstate for Trial, paragraph 1. While it appears that Plaintiff did mail a summons to Litton in December, 2010, Plaintiff's statement that the "case defaulted on or about January 23, 2011" is in error. Rule 4:4-4 clearly identifies the methods by which service upon a corporate defendant can be made. Mail service alone that is not subsequently accompanied by an appearance from the defendant or an acknowledgement of service is not proper service under the rules. Litton was thus never properly served with the Summons and Complaint in this case prior to the time it was dismissed by the Court pursuant to Rule 1:13-7. Therefore, as it was never properly served, it is plain that Litton did not default prior to the dismissal on July 22.

Accordingly, in the event the Court grants the Motion and reinstates this case to the active calendar, Litton respectfully requests that: (1) Plaintiff be required to properly serve Litton after restoration in accordance with the Court Rules, and (2) that the case be treated according to the Rules for scheduling purposes from the date that Plaintiff is able to establish proper service of the Summons and Complaint upon Litton.

# Press Release

# FEDERAL RESERVE press release

Release Date: September 1, 2011

#### For immediate release

The Federal Reserve Board on Thursday announced a formal enforcement action against the Goldman Sachs Group, Inc. and Goldman Sachs Bank USA to address a pattern of misconduct and negligence relating to deficient practices in residential mortgage loan servicing and foreclosure processing involving its former subsidiary, Litton Loan Servicing LP.

Goldman Sachs sold Litton to Ocwen Financial Corporation on September 1, 2011 and has ceased to conduct residential mortgage servicing. Litton is the 23rd largest mortgage servicer in the United States.

The action orders Goldman Sachs to retain an independent consultant to review foreclosure proceedings initiated by Litton that were pending at any time in 2009 or 2010. The review is intended to provide remediation to borrowers who suffered financial injury as a result of wrongful foreclosures or other deficiencies identified in a review of the foreclosure process. The foreclosure review will be conducted consistent with the reviews currently underway at the 14 large mortgage servicers that consented to <u>enforcement actions</u> brought by the banking agencies on April 13, 2011.

If Goldman Sachs re-enters the mortgage servicing business while the action is in effect, it will be required to implement enhanced corporate governance, risk-management, compliance, borrower communication, servicing and foreclosure practices comparable to what the 14 mortgage servicers are implementing.

As noted in the April press release, the Federal Reserve believes monetary sanctions are appropriate and plans to announce monetary penalties. These monetary penalties against Goldman Sachs will be in addition to the corrective actions that Goldman Sachs will be taking pursuant to today's action. Goldman Sachs has acknowledged in today's action that it will be responsible for satisfying any civil money penalty that the Board of Governors could have assessed against Litton for its conduct.

### Goldman Sachs Will Sell Litton Loan Servicing to Ocwen for \$264 Million

#### By Christine Harper - Jun 6, 2011

<u>Goldman Sachs Group Inc. (GS)</u> agreed to sell <u>Litton Loan Servicing LP</u> to <u>Ocwen Financial Corp. (OCN)</u> for \$263.7 million in cash, ending the New York-based bank's 3-1/2 year experiment in processing home-loan payments.

In addition to the cash payment, which may be adjusted at closing, Ocwen will pay about \$337.4 million to retire some of Litton's debt, according to a filing by <u>West Palm Beach</u>, Florida-based Ocwen. The sale of Litton comes two months after Goldman Sachs wrote down the value of the mortgage-servicing business by about \$200 million.

"It really makes sense for them to sell it, and better for them to sell it sooner rather than later," said David B. Hilder, a New York-based analyst at Susquehanna Financial Group LP who has a positive rating on Goldman Sachs. "They bought it at a time when the business was easier and it looked like there might be some insights to be gained in the mortgage market from having a servicer."

Mortgage servicing firms send out bills, collect payments and handle foreclosures. Goldman Sachs acquired Litton, based in Houston, and 1,000 employees at a time when investors including billionaire <u>Wilbur Ross</u> and Centerbridge Capital Partners LLC purchased mortgage servicers to help them better understand the market, and profit from buying discounted loans. Goldman Sachs said in March that it was considering selling Litton, and a person familiar with the matter said the firm had failed to find enough distressed <u>mortgage loans</u> to buy.

#### \$41.2 Billion Portfolio

Ocwen is getting a portfolio of loans with about \$41.2 billion in unpaid principal balance as of March 31, most of them non-prime home mortgages, the filing said. Ocwen agreed to finance about \$2.47 billion of servicing advances associated with the business, the statement said. Advances include the principal, interest, taxes and insurance remittances that servicers must make to securities trusts even when homeowners fall behind on those payments.

Goldman Sachs will remain liable for fines and penalties that could be imposed by government authorities relating to Litton's foreclosure and servicing practices before the deal closes, the statement said, and Goldman Sachs will share some of the losses arising out of claims from third parties, such as investors and borrowers, in connection to servicing agreements.

#### **Fines and Penalties**

Litton is among the mortgage-servicing businesses cooperating with investigations by 50 state attorneys general into foreclosure practices. The probe began after authorities discovered some firms used faulty paperwork to seize homes.

The inquiries "may result in the imposition of fines or other regulatory action," Goldman Sachs said in its quarterly regulatory filing with the U.S. Securities and Exchange Commission on May 10. "As of the date of this filing, the firm is not aware of foreclosures where the underlying foreclosure decision was not warranted."

Litton's value has declined since Goldman Sachs purchased it in 2007. Most of a \$220 million impairment charge that Goldman Sachs took on assets held for sale in the first quarter was related to Litton, the bank said. Litton's mortgage- servicing rights were "not material" to Goldman Sachs as of March, having dropped from \$283 million at the end of February 2008, filings show.

#### Keeping 'Certain Assets'

"Goldman Sachs does not expect the sale to have any material impact on earnings in the second quarter due to the combination of the sales price and the impairment charge announced in the first quarter of 2011 primarily related to Litton," the bank said in a

statement today, adding that the company plans to retain "certain assets."

Goldman Sachs never disclosed how much it paid to acquire Litton from Credit-Based Asset Servicing and Securitization LLC, or C-Bass. Radian Group Inc. (RDN), the second-largest U.S. mortgage insurer and a part owner of C-Bass, disclosed a month before the sale was completed that the unit would be sold for about \$467.9 million to an unnamed buyer.

"Dealing with individual homeowners and individual borrowers just doesn't fit the rest of Goldman's business," said Susquehanna's Hilder. "The decline in home prices overwhelmed any benefit."

**Ocwen's Advance** 

In contrast to Goldman Sachs's falling stock price this year, Ocwen's shares gained more than 30 percent in New York Stock Exchange composite trading through last week. The shares gained 7 cents to \$12.57 as of 11:52 a.m. in New York. Goldman Sachs fell 72 cents to \$134.61.

Ocwen agreed in May 2010 to buy HomEq Servicing, a mortgage-servicing business owned by London-based Barclays Plc (BARC), for about \$1.3 billion in cash conditional on the value of certain assets at completion, according to a statement from Barclays at the time. Barclays also agreed to provide Ocwen with about \$1 billion in secured financing in connection with the deal and offered assistance in raising more funds, the statement said.

Barclays advised Ocwen on the purchase of Litton and is one of the lenders, along with Bank of America Corp. (BAC) and Royal Bank of Scotland Plc, providing Ocwen's new facility to finance Litton's servicing advances. Ocwen has also received a commitment letter from Barclays to provide a senior secured term loan facility of \$575 million to finance the transaction, the filing said.

Before buying Litton, Goldman Sachs had tried to avoid businesses that involved the mass-market or retail customer. David Viniar, Goldman Sachs's chief financial officer, told analysts in September 2006, more than a year before the company bought Litton, that the firm was reluctant to buy a lender because of the "retail concern."

"Goldman Sachs is largely an institutional business," Viniar said at the time. "There are different risks when you're touching the retail customer."

I understand your concern. I have nothing to lose and am not afraid of proceeding.

While I much prefer to proceed with Denbeaux & Denbeaux, I will regrettably accept your decision to withdraw. If your firm chooses not to go forward, please let me know by Monday, Oct. 27<sup>th</sup>. I will need time to extend the discovery date and prepare for mediation and trial. We will also need to confirm how our agreement will be terminated.

If you decide to continue to represent me, I need you to read everything I've sent and help me complete a response by Oct. 31<sup>st</sup>. That means, spending a lot of time next week.

All the best,

Veronica

Veronica,

I received the following email from opposing counsel yesterday afternoon. It is a serious issue that requires your attention.

Defendant has issued a frivolous litigation letter. Normally I am not concerned about these letters, but I do think it is a significant concern in your case. Read it for the specifics. In generally the way this works is as follows: If we lose the case, Defendants and their attorney can sue not only you but also the law firm under the frivolous claims act. Liability can be substantial.

As you know from our recent discussions, I do not believe you have a viable case. You are a very smart and driven person. The problem is, that we talk every week and every week I am told evidence is coming and it doesn't. We are out of time to produce new evidence and have been for a few weeks. That said, I have told you that if you were able to produce quickly, we could try to get it in. With each passing day I am growing more concerned. Having received this letter, the concern is no longer about whether you will have a successful case, it is also about the potential liability you are now exposing yourself to.

During your deposition you suggested the damages to you are in the millions of \$. You are now looking at a situation where if you choose to go forward with the case you may end up owing thousands of dollars to the Defendants and their attorney for pursuing a frivolous case.

I have asked that Josh reach out to you to discuss the severity of the situation. He is currently tied up.

Even with the threat of frivolous litigation, I believe that we can get a settlement in the ballpark of \$20,000 simply for stopping the bleeding and saving the other side from expending costs to go to trial. I strongly suggest you take this very seriously.

## FRIVOLOUS PLEADING PURSUANT TO RULE 1:4-8

#### Adam,

On behalf of the Defendants Litton Loan Servicing, Ocwen Loan Servicing, Goldman Sachs Mortgage Corporation and HSBC Bank USA, N.A., Freemont Home Loan Trust 2006-C Mortgage-Backed Certificates, Series 2006-C (hereinafter "Defendants"), and pursuant to Rule 1:4-8 (Frivolous Litigation), we hereby give you notice of our demand that Plaintiff Veronica Williams ("Williams") voluntarily withdraw the Complaint ("the Complaint") filed in this action as the contents of the Complaint violate the provisions of this Rule. The claims against Defendants are not warranted by the evidence or by existing law.

The Complaint claims that the Defendants violated the Fair Debt Collection Practices Act ("FDCPA"), the New Jersey Consumer Fraud Act ("CFA"), Breached a Contract, and Intentional Infliction of Emotional Distress. With discovery closing, Williams has not provided any documents that confirm the allegations in the Complaint.

As to the FDCPA count, the debt was valid and owed. That is undisputed. Williams has no evidence that any of the evidence of any violation of the FDCPA. At her deposition, Williams admitted that Goldman Sachs Mortgage Corporation did not contact her and neither did HSBC Bank USA, N.A., Freemont Home Loan Trust 2006-C Mortgage-Backed Certificates, Series 2006-C. Her complaints against the loan servicers, Litton and Ocwen, are not based on what transpired having reviewed the comments log. Williams did not convey any proof that Litton or Ocwen improperly contacted Williams related to the debt or any other violation of the FDCPA. Just because Williams believes that she was owed a loan modification doesn't make that a violation of the FDCPA. The FDCPA count must be dismissed.

As to the CFA claim, it too fails as a matter of law. Every action that Williams complained of at the deposition was directed at Litton. However, Litton did not violate the CFA. Williams Complaint is essentially the allegation that she believed she was going to get a loan modification and when she did not get one, the timing was poor as her business ventures required her to be current on her loan. However, there is no law that requires a borrower to receive a loan modification and Williams has not proven that any money was accepted by Litton to evidence that she was paying under a modification agreement. In fact, Williams admitted that Litton returned checks during the time Williams was communicating with Litton about a loan modification. The fact that the Judge handling the Foreclosure action has stricken her Answer is further evidence that she did not have a loan modification. Williams testified that she could afford her loan and purposely went into default to obtain a modification. That is abuse of the system and could be seen as fraud. There has been no violation of the CFA by the Defendants. There was no unlawful practice by any of the Defendants.

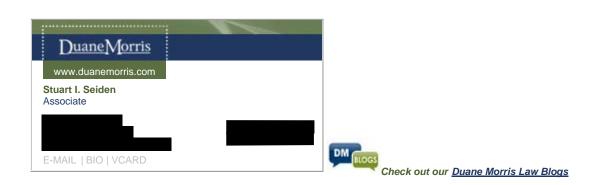

As for the Breach of Contract claim, there has been no breach of contract. The mortgage itself could be the only contract Williams might reference. Therefore, right off the bat, every Defendant except the mortgagee must be dismissed immediately. Moreover, Williams testified that her loan was not in default and she purposely defaulted to obtain a modification. She was discussing a modification with Litton. That is not a breach of contract by the Defendants. Williams further testified that she had money that could have been used to pay her mortgage, but instead paid other unsecured debt. None of the Defendants, including the mortgagee, breached a term in the mortgage.

As to Williams' claim that the Defendants caused an Intentional Infliction of Emotional Distress. Again, the Complaint is her belief that Litton was required to give her a loan modification. Yet, she hasn't proven that she applied timely, timely provided all the required documents and timely made the required monthly payments for any loan modification. The Litton comments log and payment support the dismissal of the Complaint. If Williams has been distressed, it was caused when she purposefully defaulted on her loan to attempt to obtain a modification.

Finally, please bring all of the remaining documents that Williams referenced during her deposition with you to the deposition on Monday. Please discuss these documents with Sal as he took copious notes of the documents Williams referenced. Williams appeared to be selective in what she said and what documents she turned over in discovery.

This email constitutes notice pursuant to Rule 1:4-8 that if the claims alleged against Defendants are not voluntarily dismissed, and if counsel fees are expended to resolve this matter on behalf of Defendants, an application for sanctions, including attorneys' fees, will be made at the appropriate time under the Rule.

Thank you for your attention to this matter.

There have been over 25 million foreclosures in the US since 2000. That is 28.9% of all homeowners!

Nearly 6 million Americans have been forced from their homes. Many were the victims of mortgage fraud. I too am one of these victims. I bought my home over 31 years ago. Now, I find myself fighting the firms that deceived me.

Will you help? After 6 long years of deception, crafty legal maneuvers, and character assassination, I will finally have my day in court in January 2015.

This fight is about much more than saving my home. I have lost contracts, jobs and was hospitalized multiple times due to stress. I am all in to win my battle against Ocwen, HSBC, Goldman Sachs and those who have taken my income and health.

## **CIVILACTION**

## **RESPONDING STATEMENT IN OPPOSITION TO PLAINTIFF'S STATEMENT OF MATERIAL**

1. Defendant, Veronica Williams admits the statement set forth in paragraph 1 of Plaintiff's Statement of Material Facts.

2. Defendant, Veronica Williams admits the statement set forth in Paragraph 2 of Plaintiff's Statement of Material Facts.

3. Defendant, Veronica Williams admits the statement set forth in Paragraph 3 of Plaintiff's Statement of Material Facts.

4. Defendant, Veronica Williams disputes in part the facts set forth in Paragraph 4 of Plaintiff's Statement of Material Facts. In January and February 2009 Veronica Williams was for the first time delinquent in making mortgage payments as required by the note and mortgage. On February 25, 2009 plaintiff requested a mortgage modification to allow a fresh start and applied for the Loan Workout Plan for assistance. She was advised by Francisco Navarro, a employee of Litton Loan Servicing LP, servicing agent for HSBC Bank USA, National Association that she should delay payments to plaintiff for at least three (3) months in order to qualify for the Program.

## **Counter Statement of Facts**

1. Defendant received the Loan Workout Plan in or about June 1, 2009 and promptly completed the documentation process in accordance with same. (See Williams Cert. referencing Exhibit A).

2. The Loan Workout Plan required that the following payments to the Lender be made as follows:

| <b>Trial Period</b> | <b>Trial Period</b> | <b>Due Date</b> |
|---------------------|---------------------|-----------------|
| <u>Payment</u>      | <u>Payment</u>      | on or Before    |
| 1                   | \$3,054.83          | 7/1/09          |
| 2                   | \$3,054.83          | 8/1/09          |
| 3                   | \$3,054.83          | 9/1/09          |

3. On June 25, 2009 defendant lived up to her obligations under the Plan by forwarding payments #1 and #2 to Litton by cashier check nos 00074040 and 00074004 in the amount of \$3,054.83 each. (Williams Certification referencing Exhibit B)

4. At the time defendant commenced participation in the Plan she had not been served with the instant foreclosure Complaint (the complaint was filed on May 29, 2009).

5. Paragraph 2B of the Loan Workout Plan provides as follows:

Except as set forth in Section 2C below the Lender will suspend any scheduled foreclosure sale provided I continue to meet the obligations under this Plan, but any pending foreclosure action will not be dismissed and may be immediately resumed from the point at which it was suspended if this Plan terminates and no new notice of default, notice of intent to accelerate, notice of acceleration or similar notice will be necessary to continue the foreclosure action, all rights to such notices being hereby waived to the extent permitted by applicable law.

The Complaint had not been served or joined by the defense at the time defendant commenced the "Trial Period."

6. Defendant hereby incorporates the Affirmative Defenses set forth in the Answer to the Complaint and makes the same a part hereof. Exhibit C

7. According to defendant she was advised by Litton's Representatives that in light of pending mortgage modification and trial period payments her home would not be foreclosed upon.

8. On July 27, 2009 plaintiff served defendant with a foreclosure complaint.

9. Defendant has certified that she was not served with notice of intent to foreclose as required by the Fair Foreclosure Act of 1995.

For the foregoing reasons plaintiff's Complaint to foreclose must be dismissed.

## **CERTIFICATION OF** VERONICA WILLIAMS IN OPPOSITION TO PLAINTIFF FORECLOSURE COMPLAINT

I VERONICA WILLIAMS, hereby certifies as follows: 1. I am the defendant in the above matter and own the subject property known as 541 Scotland Road, South Orange, New Jersey. As such I am fully familiar with the facts set forth herein.

The land and improvements thereon is my primary residence. I have owned this property since August 25, 1983.

3. In or about March 2006 defendant, I refinanced the subject property with Fremont Home Loan ("Fremont").

4.

In 2008 I was directed by Fremont to make my mortgage payments to Litton Loan Servicing, L.P. ("Litton") of Houston, Texas. In February 2009 due to serious health problems resulting in significant

decline in my income I applied to Litton for a modification of her mortgage.

6. In good faith I disclosed my personal and financial challenges to Litton and submitted all information requested of me on February 25, 2009.

7. Litton's representative advised me that the modification should be completed in forty-five (45) days.

8. Litton advised me that the company was awaiting release of the Presidential Foreclosure Program and that she should not worry.

9. On April 19, 2009 Litton's Representative, Nick Valdecaras advised me to suspend mortgage payments until the modification was completed. He informed me that the modification should be completed within forty-five (45) days.

10. Litton reassured me that I qualified and would receive a lower interest rate which would allow me to resume payments consistent with my revised budget.

11. I was further advised that if the Presidential Foreclosure Program was not released by June 2009, Litton would offer a comparable modification program.

12. In or about the latter part of May 2009 or the early party of June 2009 I received a Loan Workout Plan from Litton permitting me to make three (3) "Trial Period Payments" pending finalization of the loan modification program. **Exhibit A** 

13. Litton advised me that the modified mortgage would bear interest at 4.75% with annual percentage increases not to exceed 7%.

14. I was also advised that in light of the pending mortgage modification and trial period payments her property would not be foreclosed upon.

15. On July 27, 2009, I was served with a foreclosure Complaint.

16. I relied upon the representation made by Litton that the interest rate would be reduced to 3% with increases annually not to exceed 7% and that I would not be foreclosed upon.

17. In reliance thereon I was induced to enter into a trial period modification where the interest rate started at 7.5% and to her add egregious agony to injury a foreclosure complaint was filed against the property.

18. On the advise of counsel Litton's statements and reassurances to me constitute misrepresentation, undue influence and fraud in the inducement.

19. At no time was 1 served with a notice of intention to foreclose.

I hereby certify that the foregoing statements are true. I realize that if said statements are wilfully false that I am subject to punishment.

Litton Modification Department/Loss Mitigation c/o Mr. Julius Connor Customer Care Supervisor Litton Loan Servicing L.P. 4828 Loop Central Drive Houston, TX 77081

Subject: Modification of Loan No 40212367

Sent via facsimile to 972-653-6340

Dear Sir/Madam:

I was surprised, and pleased, to learnt hat Litton is now offering loan modifications.

## UNFORESEEN CHALLENGES LEAD TO UNPAID BILLS

A series of health, business and family challenges over the past 4 years have resulted in a loss of income, drain of savings and increased debt. These challenges include, but are not limited to:

- 5 surgeries
- extended radiation treatments
- extended physical therapy after auto accident
- lengthy illness and death of my father
- loss of business revenue and income

Much of the debt incurred since 2004 was unanticipated and unavoidable. For example, I was forced to charge several thousand dollars on credit cards one hour before surgery in August 2006.

## **RECOVERY PLAN**

My efforts to recover from my losses and also generate income have been daunting, to be sure. I have worked short-term contracts, a tenuous job, various assignments and even temporary work. These efforts coupled with government subsidies have helped me survive. Many creditors have assisted by restructuring my debt.

After more than 3 years of efforts I have now reached a position whereby I could develop an achievable plan that should help me recover financially. Part of the first phase was completed last month with the modification of my second mortgage. If Litton is willing to meet the terms and conditions provided by the second mortgage company, I can complete the first phase of my plan.

## MATCHING EXISTING MOFICIATION FROM OTHER MORTAGOR

I am delighted that Litton is willing to match the mortgage refinance offer that I received from another mortgagor. A comparable offer from Litton will include:

- 30 year, fixed rate of 3%
- 17 payments in non-interest accruing account to be paid off when property is sold
- no points

The revised monthly payment is included in the monthly budget that supports my initial payoff plan. My budget is highlighted below:

Sent via Facsimile to 713-793-4464 - 15 total pages

Dear Sir/Madam:

The purpose of this letter is to provide an update on my efforts to pay off my debt. My credit dropped precipitously over the past few years due to personal illness, the illness and death of my father, customer defaults and slowing revenue from my business. As a result, my savings were exhausted and my income disappeared. A summary of these unforeseen and financially devastating events is attached (Attachment I – What Happened).

## UNEXPECTED CHALLENGES LEAD TO UNPAID BILLS

A series of health, business and family challenges over the past 4 years (since Dec. 2004) have resulted in a loss of income, drain of savings and increased debt. These challenges include, but are not limited to:

- 5 surgeries
- extended radiation treatments
- extended physical therapy after auto accident
- lengthy illness and death of my father
- loss of business revenue and income

Much of the **de**bt incurred since 2004 was unanticipated and unavoidable. For example, I was forced to charge several thousand dollars on credit cards one hour before surgery in August 2006. I incurred over \$225,000 due to illness, death and loss of income.

#### **RECOVERY PLAN**

My efforts to recover from my losses and also generate income have been daunting, to be sure. I have worked short-term contracts, a tenuous job, various assignments and even temporary work. These efforts coupled with government subsidies have helped me survive. Some creditors have already assisted by restructuring my debt (Attachment II – Summary of Outstanding Credit).

After more than 3 years of searching, last year I landed four positions, however, changes and lost contracts forced my employers to lay me off. I have been searching for employment and contracts since last summer and am hopeful that I will be hired soon. To help me recover financially, I have used my tax return to pay some debts and am preparing a repayment plan for remaining creditors for which I anticipate securing agreement after this mortgage modification has been approved. If my Litton loan is restructured in a similar manner that Chase restructured the second mortgage on my home (see letter dated Feb. 25, 2009), I will be able to repay the mortgage and recover financially. That is, the mortgage interest rate is lowered to 2%, fixed, 30-year and 9 months of payments are put into a non-interest accruing account, payable when the house is sold. My monthly budget under this scenario is outlined in Attachment III – Creditor Repayment Schedule/Budget. Forms 1021 and 4509 are also attached.

I will contact you as soon as possible to determine how to proceed with this mortgage modification.

I thank you in advance for your cooperation.

Yours truly,

Veronica Williams

Subject: Modification of Loan No 40212367

Sem via facsimile to 972-653-6340

Dear Sir/Madam:

I was surprised, and pleased, to learnt hat Litton is now offering loan modifications.

#### UNFORESEEN CHALLENGES LEAD TO UNPAID BILLS

A series of health, business and family challenges over the past 4 years have resulted in a loss of income, drain of savings and increased dobt. These challenges include, but are not limited to:

- 5 surgeries
- extended radiation treatments
- · extended physical therapy after auto accident
- lengthy illness and death of my father
- loss of billsiness revenue and income

Much of the debt incurred since 2004 was unanticipated and unavoidable. For example, f was forced to charge several thousand dollars on credit cards one hour before surgery in August 2006.

#### RECOVERY PLAN

My efforts to recover from my losses and also generate income have been dounting, to be sure. I have worked short-term contracts, a tenuous job, various assignments and even temporary work. These efforts coupled with government subsidies have helped me survive. Many creditors have assisted by restructuring my debt.

After more than 3 years of efforts I have now reached a position whereby I could develop an achievable plan that should help the recover financially. Part of the first phase was completed last month with the modification of my second mortgage. If Litton is willing to meet the forme and conditions provided by the second mortgage company. I can complete the first phase of my plan.

### MATCHING EXISTING MOFICIATION FROM OTHER MORTAGOR

I am delighted that Litton is willing to match the mortgage refinance offer that I received from another mortgager. A comparable offer from Litton will include:

- 30 year, fixed rate of 3%
- 17 payments in non-interest accruing account to be paid off when property is sold.
- no points

The revised monthly payment is included in the monthly budget that supports my initial payoff plan. My budget is highlighted below:

Honorable Harriet F. Klein Judge Superior Court of New Jersey Chancery Division Wilentz Justice Complex 212 Washington Street, 8<sup>th</sup> Floor Newark, New Jersey 07102

> RE: HSBC Bank USA National Association, as Trustee under the Pooling and Servicing Agreement dated as of September 1, 2006 Fremont Home Loan Trust 2006-C v. Veronica Williams, et al. Docket No.: F-28279-09 Our File No.: 9293

Dear Judge Klein:

My firm represents Veronica Williams in connection with the above referenced matter. Defendant opposes plaintiff's motion for summary. We ask the court's indulgence in accepting this letter memorandum of law in lieu of a more formal brief.

Plaintiff asserts that this is a "routine foreclosure of a first mortgage on premises owned by the defendants." We disagree as there are substantive material issues of fact which requires that plaintiff's motion be dismissed as a matter of law.

### Legal Argument

Veronica Williams originally purchase the subject property in August 1983. The home is her primary residence. She refinanced the property through Fremont Mortgage in 2006. Due to critical health problems Ms. Williams suffered a significant decline in income which caused her to fall behind in her mortgage. On February 25, 2009 she applied to Litton Loan Servicing, L.P., (plaintiff's nominee and/or Servicing Company) for a modification of her mortgage. In or about late May 2009 or early June 2009 Loan Workout documents were sent to her which provided for Trial Period Payments while the Loan Modification Agreement was being considered. The Trial Period Payments including the payment of real estate taxes insurance premiums and "other fees" were to be made as follows:

Honorable Harriet F. Klein December 16, 2009

Page ~2~

| <b>Trial Period</b> | <b>Trial Period</b> | <b>Due Date</b>     |
|---------------------|---------------------|---------------------|
| <u>Payment</u>      | <b>Payment</b>      | <u>on or Before</u> |
| 1                   | \$3,054.83          | 7/1/09              |
| 2                   | \$3,054.83          | 8/1/09              |
| 3                   | \$3,054.83          | 9/1/09              |

(William Cert. referencing Exhibit A)

Defendant promptly submitted the trial period payments on June 2009. (William Cert. refinancing Exhibit B)

Between April 2009 and June 2009 Litton represented and reassured defendant that she qualified and would receive a lower interest rate which would allow her to cure the default and resume making monthly payments consistent with her revised budget. She was further advised that the modified mortgage would bear interest at 4.75% with annual increase not toe exceed 7%. When the Loan Workout Plan was presented however, the interest rate started at 7.5%. Litton representatives also advised Ms. Williams that they would forebear from instituting foreclosure so long as she complied in making payments during the trial period.

On July 27, 2009 defendant was served with a foreclosure Complaint. Plaintiffs failed to follow procedures as set forth in the Fair Foreclosure Act, N.J.S.A. 2A:50-53, et. seq., and failed to provide proper Notice of Intent to Foreclosure as outlined in N.J.S.A. 2A:50-56 of the Act.

The conduct of plaintiff, it agents, representatives and or employees constitutes an unconscionable commercial practice, deception and misrepresentation in connection with the subject mortgage.

The essential purpose of the Consumer Fraud Act, N.J.S.A. 56:8-1 et seq., is to protect the consumer from sharp practices and dealings in the marketing of merchandise and real estate. In light of the numerous misrepresentations made by the plaintiff, the court should dismiss the foreclosure Complaint in the interest of justice.

Finally and most importantly plaintiff failed to provide Ms. Williams with due notice of the intent to foreclose. N.J.S.A. 2A:50-56 provides as follows:

Honorable Harriet F. Klein December 16, 2009

Page ~3~

- Upon failure to perform an obligation of a residential mortgage debtor and before any residential mortgage lender may accelerate the maturity of any residential mortgage obligation and commence any foreclosure or other legal action to take possession of the residential property which is the subject of the mortgage, the residential mortgage lender shall give the residential mortgage debtor notice of such intention at least thirty (30) days in advance of such action as provided in this section.
- Notice of intention to take action as specified in subsection (a) of this section shall be in writing, sent to the debtor by registered or certified mail, return receipt requested at the debtor's last known address, and, if different, to the address of the property which is the subject of the residential mortgage. The notice is deemed to have been effectuated on the date the notice is delivered in person or mailed to the party. (Emphasis Supplied)

To be sure, the Notice of Intention Foreclose produced by plaintiff identifies a post office box. N.J.S.A. 2A:50-56 b., requires the notice to be sent to debtor's last known address and if different, to the address of the property which is the subject of residential mortgage. This was not done. In <u>GE Capital Mortgage Service v. Weisman</u>, 339 N.J. Super. 590, the court held that mailing the statutory notice by first class was improper. Similarly making the notices as done here, to a post office box is incurable and complaint must be dismissed as a matter of law.

For the foregoing reasons we urge this honorable court to dismiss this case as a matter of law and equity.

Respectfully Submitted,

Page 5 KEVIN FLANNIGAN, after having been 1 first duly sworn, was examined and testified as 2 follows: 3 4 EXAMINATION 5 6 7 BY MR. DENBEAUX: My name is Joshua Denbeaux, I 8 Ο. represent Veronica Williams in two cases, which is 9 the foreclosure matter and then the Law Division 10 case, which is Williams versus Litton Loan 11 Servicing in the Law Division of Essex County. 12 I believe it's the MR. DENBEAUX: 13 Law Division filing, this deposition, is that 14 15 correct? MR. SEIDEN: Yes. 16 BY MR. DENBEAUX: 17 Okay. Mr. Flannigan, have you been 18 Ο. deposed before? 19 Yes I have. 20 Α. Okay, so you just generally know Q. 21 the rules --22 Yes, sir. 23 Α. -- correct? 24 Q. Yes, sir. 25 Α.

### VERITEXT REPORTING COMPANY www.veritext.com

Page 6 All right, I generally don't go 1 Q. through all those list of questions, but just tell 2 me if you don't understand a question because not 3 all my questions are perfect and I don't want you 4 to guess, all right? 5 Α. Yes, sir. 6 And you know to stop talking if the 7 Ο. attorney for -- or your lawyer or the attorney 8 representing the defendants here objects to any of 9 my questions, right? 10 Yes. 11 Α. All right. So who do you work for? 12 Q. I work for Ocwen Financial Α. 13 14 Corporation. Okay. And are you here on behalf Ο. 15 of anyone other than Ocwen? 16 I'm here representing Litton Loan 17 Α. 18 Servicing, LP. Are you here representing Ocwen as 19 Q. 20 well or just Litton? Just Litton. 21 Α. MR. SEIDEN: The deposition notice 22 was for Litton. 23 MR. DENBEAUX: 24 Okay. 25 BY MR. DENBEAUX:

Page 7 If you are employed by Ocwen, what 1 Q. personal information, in a general sense, don't 2 give me specifics yet, generally what personal 3 information can you have regarding Litton's 4 businesses, business practices in this case in 5 particular? 6 Well, Litton was acquired by Ocwen 7 Α. 8 back in 2011. Got it. Was that -- to the best of 9 Q. your knowledge, was that a 100 percent sale or was 10 it some other thing like an asset sale without 11 liabilities? 12 It was an acquisition by Ocwen of 13 Α. Litton Loan Servicing, LP. 14 As far as you know, that was just a Ο. 15 complete acquisition, soup to nuts, the whole 16 17 nine vards? As far as I know, yes. 18 Α. Okay. Have you ever seen the 19 Q. documents related to that transaction? 20 Not specifically, no. Α. 21 Okay, and what's the basis of your 22 Ο. information saying that Ocwen purchased all of 23 24 Litton? Well it's, first of all, common Α. 25

> VERITEXT REPORTING COMPANY www.veritext.com

Page 8 knowledge. And secondly, I've -- I worked at 1 Litton when the acquisition occurred, it was back 2 in September of 2011. 3 Okay, and have you continued your 4 ο. employment continuously from your time at Litton 5 all the way through today at Ocwen? 6 7 Yes. Α. And what's your job today? 8 Ο. I'm a senior loan analyst. 9 Α. Okay, what does that mean? 10 Ο. Well, my job basically entails Α. 11 reviewing loans that are in dispute or that are 12 being contested and to find out what the basis of 13 the dispute is and try to help bring a resolution 14 to that dispute. 15 Okay. Were you -- I presume that 16 Q. you weren't familiar with Ms. Williams' loan or 17 situation until after this litigation started, am 18 I right about that? 19 That's right. 20 Α. All right. When you -- have you 21 Ο. looked through any of the documents in this case 22 23 in preparation for this deposition? I've reviewed the Litton payment 24 Α. history, the Litton loan comments, and a few of 25

the letters that were mailed out to the borrower 1 2 from Litton. Okay, and have you reviewed 3 0. 4 anything else? Not that I can recall. 5 Α. Okay. Now when you looked at the 6 Q. Litton loan history, was there a reference to 7 account numbers -- not account numbers, but 8 numbers for different employees associated with 9 comments being entered on the system? 10 Not on the loan history, the loan 11 Α. history -- when I refer to the loan history, I'm 12 referring to the payment history which basically 13 just shows dollar amounts being applied on the 14 loan, the principal balances, just payments being 15 16 applied basically. Got it, I see what you mean. So 17 Q. when you say loan history, you mean the accounting 18 of the loan? 19 20 Α. Correct. Okay. What other documents -- did 21 Q. you review any other internal documents aside from 22 the loan -- well I see the -- I'm looking at page 23 -- one of the pages in discovery, it's identified 24 as Litton payment history, is that what you meant 25

### **KEVIN FLANNIGAN**

Page 10 by account history? 1 2 Α. That's correct. Okay. Did you look at any other 3 Ο. type of underlying documents to the loan that 4 would have been created by Litton in preparation 5 for the deposition? 6 The loan comments. 7 Α. Okay, so that's actually what I was 8 Ο. talking about, when you looked at the loan 9 10 comments, did you see reference numbers or reference tags to the Litton individual entering 11 12 those comments? Well they -- they usually reference 13 Α. a username that's next to those comments. 14 Okay. And when you went through 15 0. 16 those comments, did you recognize any usernames of 17 people you knew? 18 Α. Not that I can recall. Okay. Did you work on the file? 19 Q. 20 Α. No. Okay. Does Litton have recordings 21 Q. 22 -- excuse me, does Ocwen have recordings of conversations between its customers calling in and 23 calls -- excuse me, does Ocwen have recordings of 24 conversations between Litton and Litton customers? 25

| 1  | A. I don't believe so.                             |
| 2  | Q. Did they used to, to the best of                |
| 3  | your knowledge?                                    |
| 4  | A. No, no, to the best of my knowledge             |
| 5  | I don't again, I don't believe so, no.             |
| 6  | Q. There is no telephone recording                 |
| 7  | system for the incoming calls or outgoing calls on |
| 8  | a file?  |
| 9  | A. Well Litton had a telephone                     |
| 10 | recording system, I believe the name of the system |
| 11 | was Engage is the name of it, or was the name of   |
| 12 | it rather. I believe, to my understanding,         |
| 13 | certain calls, when they were made, were recorded  |
| 14 | for a specific amount of time and I believe it was |
| 15 | around 60 days and after that the information was  |
| 16 | purged or cancelled.                               |
| 17 | Q. Got it. So is it fair to say that               |
| 18 | you well, that's a stupid way to start a           |
| 19 | question, I should have an objection already, so I |
| 20 | object to my question, let me start again.         |
| 21 | MR. SEIDEN: I'm not going to do                    |
| 22 | it to you, Josh.                                   |
| 23 | MR. DENBEAUX: That's a good one                    |
| 24 | not to object to because it will be useless if we  |
| 25 | ever get it at trial.                              |

| 1  | MR. SEIDEN: You could just ask                     |
|----|--|
| 2  | him to speculate if you want to cut to the chase.  |
| 3  | BY MR. DENBEAUX:                                   |
| 4  | Q. To the best of your knowledge, does             |
| 5  | Litton or Ocwen still have any recordings of       |
| 6  | conversations between Litton and my client?        |
| 7  | A. No. Not to again, to the best                   |
| 8  | of my knowledge, no.                               |
| 9  | Q. Let me just clarify, does that mean             |
| 10 | to the best of your knowledge you don't know       |
| 11 | whether they have them, or to the best of your     |
| 12 | knowledge you believe that there are no such       |
| 13 | recordings anymore?                                |
| 14 | A. I believe that there are no such                |
| 15 | recordings anymore.                                |
| 16 | Q. Okay. Other than the notes in the               |
| 17 | system that Litton employees or agents or          |
| 18 | representatives, or whatever word you want to use, |
| 19 | took during work on Ms. Williams' file, are there  |
| 20 | any other documents to her file that would be in   |
| 21 | the Litton/Ocwen system that haven't been produced |
| 22 | in discovery?                                      |
| 23 | MR. SEIDEN: We you guys never                      |

| 5  | MR. DENBEAUX: Right, yeah, okay,                   |
| 6  | that's it. So when Mr. Flannigan is speaking,      |
| 7  | he's not looked at the foreclosure documents then? |
| 8  | MR. SEIDEN: It's not this case,                    |
| 9  | no.  |
| 10 | MR. DENBEAUX: All right. Well                      |
| 11 | let me go over the foreclosure document.           |
| 12 | MR. SEIDEN: I can give him, and I                  |

| 17 | the Law Division side, right?                      |
| 18 | MR. SEIDEN: Yes.                                   |
| 19 | MR. DENBEAUX: Okay, well I                         |
| 20 | imagine he's seen the complaint already, I'll get  |
| 21 | to the complaint in a second.                      |
| 22 | MR. SEIDEN: Okay.                                  |
| 23 | MR. DENBEAUX: Yeah, I'm seeing                     |
| 24 | that Litton produced 926 pages in the foreclosure  |

Right. Yes, that's what I was reviewing, 10 Α. 11 yes. MR. DENBEAUX: We produced both in 12 the Law Division file, correct? 13 14 MR. | 2  | I suppose it's a shorter way to do this, you're    |

| 5  | records he looked at on the Ocwen system?          |

| 8  | MR. DENBEAUX: Right, I just                        |
| 9  | assumed since Ocwen took over Litton it's the same |
| 10 | systems, there's two different systems going on?   |
| 11 | THE WITNESS: That's right, Ocwen                   |
| 12 | has a system that's called Real Servicing, it's a  |
| 13 | database that's set up that Ocwen uses and         |
| 14 | Litton's Radar database is still in existence,     |
| 15 | although Litton of course isn't servicing loans    |
| 16 | anymore, there's still access to Litton's Radar    |
| 17 | database.  |

Page 16 Okay. And I -- give me one second, Q. 1 2 all right? Α. Okay. 3 4 (Discussion off the record.) BY MR. DENBEAUX: 5 Do you have any documents in front 6 Ο. 7 of you now? Yes, I have the loan comments, the 8 Α. 9 payment history, and I'm referring to Litton, and a few letters that were printed from the database 10 at Litton. 11 Okay. Did there come a time, to 12 Ο. the best of your knowledge, that Ms. Williams 13 entered into a modification agreement with Litton? 14 There were several attempts for a 15 Α. loan modification, but there was never one that 16 was actually put in place for this loan, not when 17 18 the loan was with Litton. So to the best of your knowledge, 19 Ο. what were the dates that the loan modifications 20 were attempted? 21 Early 2009 through I believe 2010. 22 Α. What period in 2010, if you know? 23 Q. Maybe around the middle of 2010 to 24 Α. possibly August, I'm not sure. I'd have to look 25

| 1  | back at the records to be certain.                 |
|----|--|
| 2  | Q. Well maybe I will ask you to do                 |
| 3  | that if we take a little break here. How many      |
| 4  | payments did Ms. Williams make according to Litton |
| 5  | records with regard to a modification attempt?     |
| 6  | A. Well, from what I can tell there                |
| 7  | were several payments made, it looks like there    |
| 8  | may have been payments made on maybe a couple of   |
| 9  | modification trial period payments. So again, if   |
| 10 | you're talking about specifics, I'm not exactly    |
| 11 | sure, but I do recall that there were payments     |
| 12 | made for specific trial modifications.             |
| 13 | Q. How many do you have denial                     |
| 14 | letters in your file?                              |
| 15 | A. I believe so, yes.                              |
| 16 | Q. How many denial letters do you have             |

| 20 | MR. SEIDEN: Sure.                                  |

| 1  | Q. Do you have dates for those?                    |
|----|--|
| 2  | A. Yes, it was I have one from                     |
| 3  | March 5th 2009. One from August 14th 2009.         |
| 4  | There's one from it looks like January 31st 2010.  |
| 5  | March 16th 2010. I think actually the one that's   |
| 6  | dated January 31st is just a it's not a denial,    |
| 7  | it's almost like a pre-denial, they're advising    |
| 8  | the borrower that their housing to debt income     |
| 9  | ratio is below 31 percent so it may be denied, and |
| 10 | then the letter on $3/16$ is confirming that fact, |
| 11 | that it's below 31 percent, and so the mod was     |
| 12 | denied then. And then there's one on August 9th    |
| 13 | 2010 and that's it.                                |
| 14 | Q. Okay. And the payments that were                |
| 15 | received from my client, do you have records of    |
| 16 | those from the date postdate of default in '08?    |
| 17 | MR. SEIDEN: We couldn't hear                       |
| 18 | that, can you say that again?                      |

| 22 | '08, do you have records of payments received from |
| 23 | my client after that date of default?              |
| 24 | A. I do show according to the payment              |

| 1  | that date.   |
| 2  | Q. Yes, please.                                    |
| 3  | A. Okay. I show that there was                     |
| 4  | \$6,109.66 that posted on October 28, 2009. It     |
| 5  | looks like \$1,000 posted on January 5th 2010. And |
| 6  | \$2,316.53 posted on March 5th 2010.               |
| 7  | Q. Okay. They're the only payments                 |
| 8  | post default you see?                              |
| 9  | A. Just double checking here.                      |
| 10 | Q. Do you see any payments in June of              |
| 11 | '09?   |
| 12 | A. I'm going there, give me one second             |
| 13 | here. I don't see any payments that posted to the  |
| 14 | system on that on that date.                       |
| 15 | Q. Now when you say you don't see any              |
| 16 | payments posted to the system, what do you mean by |
| 17 | that qualification to the answer?                  |
| 18 | A. Well, because there's a difference              |
| 19 | between payments being applied to the payment      |
| 20 | history and payments being received and not        |
| 21 | applied to the loan because a lot of times what    |
| 22 | Litton would do is while the loan was in review    |
| 23 | for a modification, Litton would receive the       |
| 24 | payments and the payments would not be applied to  |
| 25 | the loan until the full documentation or whatever  |

VERITEXT REPORTING COMPANY www.veritext.com

Page 20 requirements were met to complete the 1 2 modification. Now in cases where the documentation was not received, there would be 3 4 instances where payments would be returned back to 5 borrowers. Okay, but when you're looking for 6 Ο. payments, when I just had you looking in the file 7 for payments, you were looking for payments that 8 posted only? 9 Yes, I'm looking at the payment 10 Α. 11 history. And the payment history would only 12 ο. show payments that Litton applied against the 13 14 loan? From what I can tell, yes. 15 Α. Do you have any way to determine 16 0. what payments were made -- I don't want to use the 17 word payment, what monies my client sent to Litton 18 but were not accepted and posted by Litton? 19 Well there were few references in 20 Α. the loan comments that do mention trial payments 21 that were received, but again, those payments 22 23 weren't necessarily applied to the loan, they very well may have been sent back to the borrower. 24 Do you have any way to determine 25 Q.

whether payments -- do you have a way to determine
exactly what payments were received but not posted
against the loan?

The only way I'd be able to 4 Α. determine that is if the comments were made in the 5 system or if a letter was sent back to the 6 borrower referencing payments that weren't 7 To the best of my knowledge, I don't 8 applied. recall a letter being sent back referencing those 9 type of payments, but again, there may be, I'm 10 just not aware of it at this time. But again, 11 there may have been some comments made in the 12 comment section about payments that were received 13 14 and returned.

Okay, well let's talk about the 15 Ο. comments in a second, but aside from the comments 16 to the loan and aside from records of letters 17 being sent back to the borrower, in this case 18 Ms. Williams, is there any other source of 19 information you could turn to to find out whether 20 Ms. Williams sent money in against the loan that 21 22 wasn't actually posted against the loan? 23 Α. No, not to my knowledge, no. And again, the reason for payments being returned, 24 again as I mentioned before, the mods were denied 25

in some cases not just because of a lack of 1 payment, but because of lack of financial 2 information that was not received from the 3 4 borrower. Okay. Let me put it this way, I 5 Q. understand Litton sent certain letters back and 6 gave certain reasons for denial, but the accuracy 7 8 of that denial and the accuracy of the funds 9 received by Litton are two issues in dispute in this case, do you understand that? 10 Okay. 11 Α. Now were there any procedures or 12 0. regulations regarding notes and how the employees 13 and agents of Litton were supposed to keep track 14 of information, relevant information in the notes? 15 Not that I'm aware of, none other 16 Α. 17 than the fact that typically what happens is when notes are placed into the system they're placed at 18 or near the time that the conversation is being 19 held, which is basically a part of our normal 20 course of business. 21 Right, okay, that makes some sense, 22 Ο. 23 someone calls in, you take notes, you post them to the file, right? 24 25 Α. Correct.

| 1  | Q. Were there any regulations and                  |
|----|--|
| 2  | procedures, written regulations or procedures to   |
| 3  | the best of your knowledge regarding how the notes |
| 4  | are to be taken other than simultaneously with the |
| 5  | call, with the communication, or the event? And    |
| 6  | that's my question, let me rephrase it. Were you   |
| 7  | aware of any written policies or procedures that   |
| 8  | Litton gave to its agents, employees, whomever was |
| 9  | supposed to be working on the file and taking      |
| 10 | notes as to what information or how the notes were |
| 11 | to be taken down?                                  |
| 12 | A. Not to my knowledge.                            |
| 13 | Q. And how many employees did Litton               |
| 14 | have approximately to the best of your knowledge   |
| 15 | working in a capacity where that the employee's    |
| 16 | job was to record notes, communications, and       |
| 17 | events on a file?                                  |
| 18 | A. I don't know.                                   |
| 19 | Q. Was it I agree it was a really                  |
| 20 | stupid question. You don't know were there a       |
| 21 | lot of people working at Litton taking notes on    |
| 22 | files?   |
| 23 | MR. SEIDEN: He said he didn't                      |

| 1  | MR. DENBEAUX: That's a fair                       |
|----|---|
| 2  | objection, okay.                                  |
| 3  | BY MR. DENBEAUX:                                  |
| 4  | Q. What records does Ocwen maintain of            |
| 5  | documents that Litton received from Ms. Williams  |
| 6  | in her modification attempts?                     |
| 7  | A. Well, with the acquisition of                  |
| 8  | Litton and Ocwen basically having access to       |
| 9  | Litton's database, I would say Ocwen would have   |
| 10 | access to all of the records that would have been |
| 11 | sent regarding modification.                      |
| 12 | Q. Okay. Would Ocwen also have access             |
| 13 | to copies of checks or money orders or other      |
| 14 | payments that Ms. Williams made that weren't      |
| 15 | posted against the account?                       |
| 16 | A. If those copies were made and input            |
| 17 | into the system, then I would believe Ocwen would |
| 18 | have access to those.                             |
| 19 | Q. Okay. I'm sorry, you said if they              |
| 20 | were inputted into the system Ocwen would have    |
| 21 | copies, does that mean that some of the payments  |
| 22 | that borrowers made as part of modification       |
| 23 | attempts that weren't posted weren't necessarily  |
| 24 | recorded by Litton?                               |
| 25 | A. I don't know the answer to that,               |
|    |   |

212-267-6868

| 1  | what I do know is that to the best of my knowledge |
|----|--|
| 2  | when a payment is sent in, you know, copies of     |
| 3  | those payments can be scanned in and imaged in     |
| 4  | Litton's database. Now I don't I don't know if     |
| 5  | payments that are not applied to the loan I        |
| 6  | don't know if those are actually scanned in and    |
| 7  | placed into the database or if it's simply checks  |
| 8  | that actually post to the loan, I don't know.      |
| 9  | Q. Okay. So what accounting systems                |
| 10 | did Litton use to keep track of monies coming in   |
| 11 | that weren't to be posted against the loan?        |
| 12 | A. Well, again, our Cashiering                     |
| 13 | Department would have advised representatives who  |
| 14 | were handling the loan if in fact money should be  |
| 15 | applied to the loan. And you know, if the          |
| 16 | decision was made for example, and I mentioned     |
| 17 | this before, if a loan is in a trial modification  |
| 18 | period, there would be the likelihood that no      |
| 19 | payments would be applied to the loan until the    |
| 20 | modification was actually set up and complete.     |
| 21 | Now you could have three payments, three trial mod |
| 22 | payments sent in, but they wouldn't be applied to  |
| 23 | the loan until all of the necessary documentation  |
| 24 | was received in order to complete the              |
| 25 | modification. And if that information is not       |

Page 26 submitted or received, then those payments could 1 actually be sent back to the borrower. 2 Okay, I understand what you're 3 Q. saying, the payments could be sent back to the 4 borrower, I don't -- did you say Cashier 5 Department? 6 Α. Yes. 7 Is the Cashier Department -- the 8 0. Cashier Department would receive these payments 9 from the homeowner, and Ms. Williams in 10 particular, right, assuming she made them? 11 Yes, to the best of my knowledge I Α. 12 believe that's how it works, yes. 13 Have you ever seen any of the Q. 14 internal records of the Cashier Department? 15 Α. You mean on this loan? 16 Well let's start with any loan. 17 Q. Yes I have. 18 Α. Okay, did the Cashier Department 19 Ο. keep track of payments coming in from borrowers 20 that did not get posted to the account? 21 I believe Litton did have a system 22 Α. to where, again, you would have a representative 23 in the Cashiering Department find out or notify 24 the representative that was handling the loan or 25

| 2 would notify the department if     |                      |

|                                      | the payments were    |
| 3 to be applied on the loan and/o    | or held. And it's    |
| 4 my understanding that the repre    | esentative or        |
| 5 someone in that department woul    | ld advise the        |
| 6 Cashiering Department on what      | to do with the       |
| 7 payments.                          |                      |
| 8 Q. Well what if you                | u had a situation in |
| 9 which somebody, and I'm not cle    | ear from your answer |
| 10 as to whose supposed to make the  | he decision, but     |
| 11 somebody at Litton says for what  | atever reason don't  |
| 12 enter don't accept these pay      | yments against the   |

| 14 payments being received?          |                      |
| 15 A. I don't know the               | e answer to that,    |
| 16 like I said, I looked in the lo   | oan comments and     |
| 17 from what I can tell there were   | e notes about        |
| 18 certain payments being received   | d, but I did not see |
| 19 any comments from anyone in Cas   | shiering about       |

| 5  | I mean by that?                                    |
| 6  | A. Yes.  |
| 7  | Q. Okay, let me rephrase the question.             |
| 8  | If I were to ask you to, when we're done with the  |
| 9  | deposition to go back to your office and find the  |
| 10 | accounting system which showed monies paid by      |
| 11 | Ms. Williams to Litton which Litton didn't enter   |
| 12 | as payments against the loan, where would you go   |
| 13 | to find that information, if you could find it?    |
| 14 | A. The only way I would be able to                 |
| 15 | access that would be to go to the loan comments to |
| 16 | see if there were any records made in the loan     |
| 17 | comment section.                                   |
| 18 | Q. There's nothing in the system that              |
| 19 | you're aware of that would show money coming in,   |
| 20 | being held, dispensed, wherever and then returned  |
| 21 | except in loan comments?                           |
| 22 | A. That's the only thing that I'm                  |
| 23 | aware of, yes.                                     |
| 24 | Q. So who would make the decision as               |
| 25 | to whether the money received by the Cashiering    |
|    |  |

Department should be accepted as a payment, would 1 it be the Cashiering Department or your department 2 or somebody else? 3

It would be someone within the Α. 4 department that was actually working on the loan 5 with the modification, for example it would have 6 been someone in the Loss Mit Department, the Loss 7 Mit Department was responsible for, you know, the 8 review and set up of a modification, and so if a 9 payment would have been received, to the best of 10 my knowledge, someone in the Loss Mit Department 11 would have been notified of that payment and, you 12 know, they would have advised the Cashiering 13 Department on what to do with that payment. 14

Other than notes showing up in the 15 Ο. system, how would the Loss Mit Department know 16 that the Cashiering Department had received checks 17 from Ms. Williams? 18

Well the Cashiering Department had Α. 19 a separate database that was set up to actually do 20 that, to advise the people within those 21 departments on what monies had been received. 22 Okay, but the Cashiering Department 23 Ο. has a database set up to advise the Loss Mit 24 Department, but where is the accounting system

Page 30 behind that database so the Cashiering Department 1 knows they're giving the proper information to 2 Loss Mit? 3 I'm not sure I understand the 4 Α. guestion, but you know --5 Let me withdraw the question then. 6 Ο. The database that the Cashiering Department had, 7 do you have access to that? 8 Α. I do not, no. 9 Have you ever had access to that as 10 Q. a part of your job? 11 When I was with Litton I did, yes. 12 Α. Did you ever use it, like actually Ο. 13 go into it and use it as part your Loss Mit 14 responsibilities? 15 As part of my responsibilities as a 16 Α. senior loan analyst, senior loan processor with 17 18 Litton, yes. What did you do as a senior loan 19 Q. 20 processor at Litton? Pretty much the same thing that I'm 21 Α. 22 doing now at Ocwen. 23 Q. Being hassled by a lawyer on 24 deposition? Exactly. 25 MR. SEIDEN:

VERITEXT REPORTING COMPANY www.veritext.com

|    | Page 31  |
|----|--|
| 1  | THE WITNESS: Exactly, yes.                         |
| 2  | MR. SEIDEN: I do not object to                     |
| 3  | that statement.                                    |
| 4  | BY MR. DENBEAUX:                                   |
| 5  | Q. The database we're talking about,               |
| 6  | the word database confuses me, when I think of a   |
| 7  | database I think of something separate than an     |
| 8  | accounting system showing money coming in, money   |
| 9  | coming out, a balance, interest charge, et cetera, |
| 10 | now that's not a question, I'm just putting it out |
| 11 | there that I'm confused by the word database.      |
| 12 | When you talk about a database, what information   |
| 13 | is in that database?                               |
| 14 | A. Well first of all, the name of the              |
| 15 | database I'm referring to was called CAR Form, and |
| 16 | the word "CAR" was actually an acronym that I      |
| 17 | honestly don't recall right now what it stands     |
| 18 | for, but it had to do with cashing payments being  |
| 19 | received. That database was set up basically for,  |
| 20 | again, representatives in the Cashiering           |
| 21 | Department to advise other departments that        |
| 22 | payments had been received on the loan.            |
| 23 | Q. Now is this database, the notes                 |
| 24 | you're talking about on a system?                  |
| 25 | A. No.   |
|    |  |

| 1  | Q. Okay, you talked earlier about the              |
|----|--|
| 2  | Loss Mit would know that money had been received   |
| 3  | because of notes entered on the system, at least I |
| 4  | thought that's what you said, is that what you     |
| 5  | said?  |
| 6  | A. Can you repeat that, I'm sorry?                 |
| 7  | Q. Sure. Previously I thought you                  |
| 8  | said that Loss Mit would know that money had been  |
| 9  | received by a borrower because of notes on the     |
| 10 | system?  |
| 11 | A. Right, well well that's the way,                |
| 12 | you know, if you go into the loan comments and you |
| 13 | can see if it's been notated that payments have    |
| 14 | been received, it will be in the loan comments,    |
| 15 | then, you know, that's a way to tell if payments   |
| 16 | have been received.                                |
| 17 | Q. So the actual way to tell if                    |
| 18 | payments had been received is to look at the loan  |
| 19 | comments, which loan comments would have been      |
| 20 | entered regarding payments received would have     |
| 21 | been entered by the Cashiering Department, is that |
| 22 | right?   |
| 23 | A. Not in the loan comment section.                |
| 24 | Q. Who would enter the loan comments               |
| 25 | regarding the receipt of payment?                  |
|    |  |

VERITEXT REPORTING COMPANY www.veritext.com

| 1  | A. Like I said, it would have been                 |
|----|--|
| 2  | someone from the Loss Mit Department.              |
| 3  | Q. So are we talking again about                   |
| 4  | payments that are actually entered as payments     |
| 5  | against the loan?                                  |
| 6  | A. No, again, we're loan comments                  |
| 7  | can be either from payments that posted to the     |
| 8  | loan or payments that didn't post to the loan.     |
| 9  | Q. Okay, let's say somebody when                   |
| 10 | you were working at Litton, someone like           |
| 11 | Ms. Williams called up and said, I don't know why  |
| 12 | you're telling me that a payment has never posted  |
| 13 | to the loan, I don't even know what that means, I  |
| 14 | know I wrote a check on "X" date, "Y" date and "Z" |
| 15 | date, where is my money, what were the procedures  |
| 16 | in place for when a borrower said I paid and they  |
| 17 | don't show up in the loan comment system?          |
| 18 | A. Well you could go to the database               |
| 19 | and this database, like I mentioned before, it's   |
| 20 | called CAR Form, and check to see if payments were |
| 21 | applied there.                                     |
| 22 | Q. But I'm talking about payments,                 |
| 23 | when you say check to see if payments were applied |
| 24 | on the CAR Form database                           |
| 25 | A. Well if payments were received, let             |
|    |  |

Page 34 1 me rephrase that. When you say "payments", do you 2 Q. mean payments posted against the loan or payments 3 made that weren't posted against the loan? 4 It could be payments made that 5 Α. weren't posted to the loan. 6 Okay, this database, was it an 7 Ο. 8 accounting program? It was more of a tracking database 9 Α. to the best of my knowledge. 10 Do you have access to that database 11 Q. anymore today? 12 No I do not. 13 Α. Do you know who does? 14 0. No I don't. 15 Α. Does anybody to the best of your 16 Q. knowledge have access to that database anymore? 17 Α. No. 18 Does the database still exist? 19 Ο. To the best of my knowledge, no. 20 Α. Was the information contained in 21 Ο. that database maintained in any other form that 22 you are aware of? 23 Not to my knowledge. 24 Α. So if Ms. Williams were to -- not 25 Q.

| 1  | with Ms. Williams even, if someone were to say,    |
| 2  | wait a second, I paid all of those payments, and   |
| 3  | they don't show up in my system as being posted    |
| 4  | against my loan and they were never returned, how  |
| 5  | would you disprove that factual assertion?         |
| 6  | A. Well you could have the borrower                |
| 7  | send in proofs of payment and check it against the |
| 8  | records that we have at at Litton.                 |
| 9  | Q. Does Ocwen use this CAR Form                    |
| 10 | database?  |
| 11 | A. Not to my knowledge, no.                        |
| 12 | Q. Okay. All right, so it was only a               |
| 13 | Litton database?                                   |
| 14 | A. Yes.  |
| 15 | Q. Okay. In your time working for                  |
| 16 | Litton, did you ever enter or delete or alter      |
| 17 | and by the way, when I say alter or delete, I'm    |
| 18 | not insinuating that you did anything wrong, I'm   |
| 19 | just trying to provide adjectives or whatever      |
| 20 | words to describe using the database, so let me    |
| 21 | start over again. When you worked at Litton, did   |
| 22 | you ever access the CAR Form database to use it    |
| 23 | rather than review information within it?          |
| 24 | A. I believe so.                                   |
| 25 | Q. What access rights did you have                 |
|    |  |

over the CAR Form database? 1 Again, it was just to advise the 2 Α. Cashiering Department on what was to be done with 3 a payment on the loan. 4 So when you accessed the CAR Form 5 Ο. database, you never accessed the database to 6 indicate that money from a borrower had been sent 7 in? 8 Yeah, let me see if I can clarify. Α. 9 For example, there may have been a loan in 10 litigation where of course I would have worked in 11 the Litigation Department at Litton, and if I was 12 handling a certain loan that was in litigation and 13 payment had been received, the Cashiering 14 Department would have advised me that a payment 15 had been received from the borrower because there 16 are certain flags that go up on accounts that 17 prevent those payments from being posted to the 18 And so, I would have advised the Cashiering 19 loan. Department on what to do with that payment. 20 But you would not have input, if 21 Q. I'm correct, working in the Loss Mitigation 22 Section, you would not have entered data in the 23 CAR Form database indicating that a payment had 24 been -- money had been received by a borrower? 25

Page 37 No. Α. 1 No meaning yes, you would not have 0. 2 done that, or no you did do that? 3 No, I would not have indicated that Α. 4 money had been received. 5 That was done only by the 6 Ο. 7 Cashiering Department? Yes, to the best of my knowledge, Α. 8 yes, only the Cashiering Department entered that 9 information. 10 Did you ever work in the Cashiering 11 Ο. 12 Department? No, sir. 13 Α. Are you aware of any written 14 Q. regulations or procedures that govern the 15 Cashiering Department in how they would record 16 monies received by the borrower? 17 MR. SEIDEN: I'm going to object, 18 he said he never worked in that department. 19 MR. DENBEAUX: Well all I'm asking 20 is if he's aware of procedures and policies. 21 MR. SEIDEN: From a 22 department that he --23 MR. DENBEAUX: That doesn't mean 24 he's speaking for the Cashiering Department. 25

| 1  | MR. SEIDEN: Well for a department               |
| 2  | that he never worked at.                        |
| 3  | MR. DENBEAUX: Well he works for                 |
| 4  | the same company, I mean I know policies and    |
| 5  | procedures in different places I've worked even |
| 6  | though I've never worked in                     |
| 7  | MR. SEIDEN: All right, I'll                     |
| 8  | object, I'll let him answer and then            |
| 9  | MR. DENBEAUX: I'll move on, my                  |
| 10 | question on that particular issue I'm not going |
| 11 | to beat a dead horse.                           |
| 12 | MR. SEIDEN: I'm just saying if                  |
| 13 | you want him to answer it and say, then he can. |
| 14 | MR. DENBEAUX: Yeah I do.                        |
| 15 | MR. SEIDEN: Okay.                               |
| 16 | THE WITNESS: I'm sure there                     |
| 17 | probably were policies and procedures in place, |
| 18 | but again, I'm not familiar with those.         |

| 21 | if you know, as to how it was determined that   |
| 22 | money received by a borrower should be posted   |
| 23 | against the loan itself?                        |
| 24 | MR. SEIDEN: Same objection, Josh.               |

hold on a second, let me ask a different question
 then.

3 BY MR. DENBEAUX:

Q. To the best of your knowledge, who made the decision, which department made the decision as to whether money received should be treated as a payment against the account?

The department that would have been Α. 8 assigned to the loan, for example, if the loan was 9 in a foreclosure status, it would have been the 10 representative within the Foreclosure Department 11 to make that decision. If the loan was assigned 12 to Litigation, it would have been a representative 13 in the Litigation Department and so forth, same 14 with Loss Mitigation, if the loan was assigned to 15 Loss Mit, it would have been a representative 16 within the Loss Mit Department or possibly the 17 Foreclosure Department or Collections, I'm not 18 19 sure.

20 Q. Okay. But all of those departments 21 would be relying upon information entered in the 22 CAR Form database by the Cashiering Department, 23 right?

A. Yes, to the best of my knowledge
that's how it works, yes.

| 1  | Q. Was there an escalation procedure               |
|----|--|
| 2  | or process that you could follow as working in the |
| 3  | Loss Mit Department if the borrower complained     |
| 4  | that checks or payments were made that weren't     |
| 5  | being reflected in the system that you had control |
| 6  | over?  |
| 7  | A. I'm not sure I understand the                   |
| 8  | question.  |
| 9  | Q. Do you know what an escalation is?              |
| 10 | A. Yes.  |
| 11 | Q. Okay, was there an escalation                   |
| 12 | procedure, and maybe I'm not using the right word, |
| 13 | but was there a method by which you as an employee |
| 14 | or a representative of the Loss Mit Department     |
| 15 | could escalate for further investigation a claim   |
| 16 | by a borrower that monies that had been sent in    |
| 17 | weren't being reflected anywhere on the account?   |
| 18 | A. If there was a complaint submitted              |
| 19 | by the borrower in regards to funds not being      |
| 20 | applied, then the loan would have been researched, |
| 21 | the letter would have been submitted to our        |
| 22 | Research Department and there would be a           |
| 23 | determination made on exactly what would have      |
| 24 | happened to those payments. Litton had what was    |
| 25 | called a Customer Assistance Response Team that    |

responded to complaint letters as well -- as well
 as an Executive Resolution Team that responded to
 complaints.

Q. Okay, and how were those complaints
5 initiated, by written objections by the homeowner?

That was typically the case, yes. 6 Α. What if a homeowner -- what if 7 Ο. Ms. Williams didn't write a written objection but 8 just said to somebody on the phone, a Loss Mit 9 representative for example, hey, wait a second, I 10 made three payments, what's going on, would that 11 have started the escalation process? 12

I don't know. You know, typically 13 Α. when that's the case there would be comments made 14 in the loan comment section about the borrower 15 having dispute about payments. As a matter of 16 fact, I did see in these particular loan comments 17 that the borrower was advised of payments being 18 received in regards to the modification review. 19 Okay. And that note entered there 20 Q. would have been information that the Loss Mit 21 Department took off the CAR Form database? 22 I don't know, I don't know where 23 Α.

24 that information would have come from, if it would 25 have come from CAR Forms or not, I'm not sure.

> VERITEXT REPORTING COMPANY www.veritext.com

Page 42 Where else would it have come from Ο. 1 -- okay, assuming that this is money that wasn't 2 posted to the account, where else would this 3 information have come from other than from the CAR 4 Form database? 5 That -- that's a good question, I 6 Α. don't know the answer to that, it possibly could 7 have come from CAR Forms. 8 9 Q. Okay. MR. DENBEAUX: Can I call you back 10 in five? 11 MR. SEIDEN: Okay. 12 It's 2:07, I'll MR. DENBEAUX: 13 14 call back by around 2:12. MR. SEIDEN: Okay. 15 MR. | 12 | some letters.                                      |
| 13 | MR. DENBEAUX: Okay. Great. And                     |
| 14 | do you have any questions of him before I release  |
| 15 | him?   |
| 16 | MR. SEIDEN: No.                                    |
| 17 | MR. DENBEAUX: All right, then                      |

New Jersey Rules Governing Civil Practice Part IV, Rule 4:14 Depositions Upon Oral Examination

4:14-5. Submission to Witness; Changes; Signing If the officer at the taking of the deposition is a certified shorthand reporter, the witness shall not sign the deposition. If the officer is not a certified shorthand reporter, then unless reading and signing of the deposition are waived by stipulation of the parties, the officer shall request the deponent to appear at a stated time for the purpose of reading and signing it. At that time or at such later time as the officer and witness agree upon, the deposition shall be submitted to the witness for examination and shall be read to or by the witness, and any changes in form or substance which the witness desires to make shall be entered upon the deposition by the officer with a statement of the reasons given by the witness for making them. The deposition shall then be signed by the witness. If the witness fails to appear at the time stated or if the deposition is not signed by the witness, the officer shall sign it and state on the record the fact of the witness' failure or

refusal to sign, together with the reason, if any, given therefor; and the deposition may then be used as fully as though signed, unless on a motion to suppress under R. 4:16-4(d) the court holds that the reasons given for the refusal to sign require rejection of the deposition in whole or in part.

Page 4 1 VERONICA ANN WILLIAMS, 541 Scotland Road 2 3 South Orange, N.J., 07079, Sworn by the Court Reporter. 4 5 DIRECT EXAMINATION BY MR. SEIDEN: Miss Williams, as I have introduced 6 Ο. 7 myself, I am Stu Seiden. For this case I am counsel for Litton Loan Servicing, HSBC Bank USA, N.A., 8 Fremont Home Loan Trust 2006-C Mortgage-backed 9 10 Certificates, Series 2006-C; Goldman Sachs, Ocwen 11 Loan Servicing, LLC. 12 Α. Okay. 13 Ο. Essentially, the only other two 14 parties in the caption are Stern & Eisenberg and 15 Powers & Kirn. They are law firms that handled 16 previous foreclosure actions. 17 Stern & Eisenberg has been 18 dismissed -- no, Stern & Eisenberg filed a motion to 19 dismiss and, one, Powers & Kirn, has been dismissed 20 voluntarily. 21 Α. I hope you don't mind me eating. 2.2 Q. No. We will be here awhile, so 23 it's okay. 2.4 I represent the only defendants 25 that are left. So, today I am going to say

Page 5 "defendants" and I will mean all of them, or if I 1 2 have a specific question as to one of them, I will 3 identify the singular one. 4 MR. SANCHEZ: Can we put something 5 on the record before? Miss Williams has a medical 6 7 condition that may require her to take longer breaks than normal, so longer than 8 9 five to ten minutes, which is what I 10 usually take. 11 So I will put that on the record, 12 that in case she needs to take a longer 13 break, there may be a possibility that 14 that happens. MR. SEIDEN: 15 Okay. BY MR. SEIDEN: 16 17 Q. Have you ever had a deposition before? 18 19 I don't remember. Α. 20 Possibly many years ago, but I 21 don't remember enough to be able to say definitively 2.2 yes. 23 So I'll explain to you how a 0. 24 deposition works. 25 Α. Okay.

Page 6 I'll ask you questions. 1 0. 2 Α. Yes. 3 The court reporter will transcribe, Ο. type down my questions and your answers to them. 4 5 Α. Okay. So your answers have to be verbal. 6 Ο. 7 You can't shake your head or nod, you know. Yes, right. 8 Α. 9 Ο. So everything has to be verbal. 10 You understand that? 11 Α. Yes 12 Ο. Your answers are under oath, 13 subject to penalties of perjury, the same as if you 14 were testifying in a courtroom with a judge. 15 Do you understand that? 16 Α. Yes. 17 When the deposition is completed, Q. 18 she will prepare and your attorney will get a 19 transcript of the questions and answers and the 20 exhibits, and we can use those -- we will be using 21 those later in the case in pleadings or trial. 2.2 Do you understand that? 23 Α. Yes. 2.4 If at any time you don't understand 0. one of my questions, either the entire thing or a 25

Page 7 part of it, just let me know and I will do a better 1 2 job of explaining it. 3 Α. Okay. The point of today is to give 4 Ο. 5 answers to questions you understand and based on what you remember because if you don't understand 6 7 the question and you give an answer and they don't match up, it's not helpful. 8 9 Α. All right. 10 So if I ask you a question and you Ο. 11 answer it, I take it to mean you understood it and 12 have answered it. 13 Α. Okay. 14 If you don't hear one of my Ο. 15 questions, ask me to repeat it, or if it's 16 confusing, just ask me to repeat it and I will do my 17 best to make it less confusing. 18 There may be times you know what I 19 am going to ask, but don't cut me off; A, because 20 the court reporter will have to work harder, and, 21 likewise, I will do my best not to talk when you 2.2 talk. And you give me the old, hey, stop talking 23 thing and I'll stop. 2.4 It's important we let each other finish because if you will read the transcript 25

later, there are dashes and all sorts of 1 2 jibber-jabber lines. And we want to avoid that. 3 Your testimony today is based on your personal knowledge. If you don't know the 4 answer to one of my questions, just say that you 5 6 don't know. 7 I don't want you to conjecture or If you answer a question, I will believe 8 quess. 9 that it's based on your own personal knowledge. 10 Do you understand that? 11 Α. Yes. 12 (Discussion off the record.) 13 Q. Denbeaux & Denbeaux is representing you in this matter? 14 15 Α. Correct. 16 And this is Sal Sanchez sitting Ο. 17 next to you? 18 Α. Yes. 19 From time to time Sal may object to Ο. 20 one of my questions. Give him an opportunity to 21 speak to the court reporter and put his objection on 2.2 the record. 23 Once the objection has been made, 24 unless Sal says, "I don't want you to answer that," 25 you can still answer that. He will be objecting to

Page 9 the form, which is legalese. 1 2 So if Sal objects, you let him finish his objection and answer. If he says, don't 3 answer that, then he and I will have a conversation. 4 5 Α. Okay. If you need to take a break, we 6 Ο. 7 will take a break. 8 Α. Okay. 9 Ο. Why don't you tell me about the 10 physical -- my question on my list of every 11 deposition is is there any mental or physical reason 12 why you would not be able to give full and accurate 13 answers to my question. 14 No, nothing stops me stops me from Α. 15 giving a full and accurate and truthful answer. 16 Okay. Are you employed today? 0. 17 Α. No. 18 Do you have a source of income? Q. 19 Disability. Α. 20 Is that your only source of income? Q. 21 Α. Yes, to me. 2.2 Ο. What does that mean? What does 23 that mean, "To me"? 2.4 Α. Yes, it means disability is the only income I receive today. 25

Page 10 1 Do you have any rental income? Q. 2 Α. No. 3 Okay. Q. I own a business, but I don't have 4 Α. 5 any -- I don't receive income from the business, thanks to your clients. 6 7 What grade did you complete? Q. I have a Masters in -- I have an 8 Α. 9 MBA. 10 Where did you get your MBA? 0. 11 Kellogg School of Management, Α. 12 Northwestern University. 13 Ο. And where did you go to college? 14 Brandies University. Α. And where did you graduate from 15 Q. 16 high school? 17 Ursuline Academy. Α. 18 Q. Where's Ursuline Academy? 19 Bethesda, Maryland. Α. 20 Bethesda, Maryland? You have been Q. 21 all over the place. 2.2 Α. Yes. 23 I may as well throw it out. I have also studied in France -- in France, at the -- I 24 have also studied business at a major French 25

Page 11 business school. 1 MR. SEIDEN: Off the record. 2 (Discussion off the record.) 3 So where do you live now, 4 Q. 5 Miss Williams? 541 Scotland Road in South Orange, 6 Α. 7 New Jersey, for more than 31 years. And is that the only property you 8 Ο. 9 own? 10 Outright, yes. Α. 11 What does out right mean? Ο. 12 That I am the sole owner of it. Α. 13 Ο. What properties do you have that you are not the sole owner of? 14 15 Α. A property in Virginia. That is a 16 family property. 17 What is that property? Q. It's a house and land. 18 Α. 19 Is it like a vacation home? Is it Ο. 20 something your entire family uses? 21 No, it's -- it's not. Α. It's a 2.2 second home that's been in our family for -- from 23 our parents for a few generations. 2.4 Ο. Do you have siblings? 25 I have one sister. Α.

Page 12 1 Do you co-own it with her? Q. 2 Α. Yes. 3 Were you left it by your parents? Ο. Is that how it worked? 4 5 Α. Yes. 6 Q. Are there mortgages on that 7 property? 8 Α. No. 9 Q. Who pays the taxes for that 10 property? 11 My sister handles all the money. Α. 12 I am sure their taxes are nothing Ο. 13 like New Jersey taxes, right? 14 No, no, not at all. Α. 15 Q. So I'm going to switch to why we 16 are here today. 17 Can you tell me why -- in your own 18 words, why we are here today? 19 Because I'm suing your clients. Α. 20 That's succinct and to the point. 21 Ο. You have answered that. 2.2 (Document is marked Exhibit P-1 for identification.) 23 24 Ο. I am going to show you what's been 25 marked as P-1.

Page 13 Do you recognize that document? 1 It looks familiar. 2 Α. 3 This is the one that was -- oh, that's right, I have to -- I don't -- I don't -- I'd 4 5 have to go back to be totally accurate and compare it to what I have. 6 7 But it looks like what was originally the short part of -- the short part --8 9 the first filing was almost a thousand pages. 10 When you say "first filing", are Ο. 11 you talking about the complaints you filed? 12 No, no. Α. 13 What I remember this to be part of 14 was a document that was many more pages than this. 15 This looks like the first few pages 16 of some -- of the document that had been given. 17 But, again, I'd have to go back and 18 review it, most of the words, to make sure it's what I think it is. 19 20 But, at first glance, it looks 21 like -- I don't remember the docket number, for 22 example. So I don't know if -- I am just trying to be honest. 23 24 Looks like what I remembered it to 25 be, but it's not complete and I don't know if all

the information on it is accurate. 1 2 Ο. If I told you it was the complaint 3 that Denbeaux & Denbeaux filed on behalf of you against all the companies that I listed and the two 4 5 law firms, would that sound about right? 6 Α. Yes. 7 MR. SEIDEN: Before we go into that, just a little bit of a formality 8 9 here. Can you mark --Sal, what I have 10 11 here is the collateral file. And I made 12 photo copies from it. 13 Can you mark this as P-2. (Document is marked Exhibit P-2 for 14 identification.) 15 16 MR. SEIDEN: This is for you so you 17 can compare to make sure I am giving 18 you --19 (Discussion off the record.) 20 MR. SEIDEN: On the record for a 21 second. 2.2 I asked Sal to confirm that the 23 original note was the same as the 24 photocopy that my firm did. And the only difference is that my firm did not do 25

double-sided photocopies. 1 2 And in the back was -- of page four is an endorsement, "Pay to the order of 3 blank without recourse, " signed by Michael 4 5 Koch of Fremont Investment & Loan. And he 6 is vice-president. 7 THE WITNESS: Michael Koch? Do you 8 have a copy of that? 9 MR. SEIDEN: You are going to look 10 at this for a second. 11 THE WITNESS: But -- am I able to 12 ask a question? 13 MR. SANCHEZ: Let me put this on 14 the record. 15 I don't have a copy of the 16 endorsement. I can make copies. It's up 17 to you. 18 MR. SEIDEN: For the purposes of 19 our litigation, it's not --20 MR. SANCHEZ: Right, I understand. 21 I will make a copy later just so my 2.2 copy can have a copy of that. I don't 23 have an objection with procedure. 24 MR. SEIDEN: I understand this was 25 filed in the foreclosure so you may have a

Page 16 1 copy. I just want to ask --2 THE WITNESS: Can I make a note to 3 myself? MR. SEIDEN: Absolutely. 4 5 THE WITNESS: Could I see the name on the book back? 6 7 MR. SEIDEN: It's Michael K-O-C-H? THE WITNESS: Can I see -- okay. 8 9 Okay. Thank you. 10 MR. SEIDEN: Sure. 11 Ο. I have just one question, if that's 12 your signatures. That's all. 13 Α. That looks like my signatures, yes. 14 Okay. Ο. (Discussion off the record.) 15 16 (Document is marked Exhibit P-3 for 17 identification.) 18 So same question on P-3, the Q. 19 mortgage, is that your signature? 20 Α. Yes. 21 Ο. Is there any dispute that you signed the note and mortgage? 22 23 Α. No. 2.4 Ο. Is there any dispute that you got 25 the money?

Page 17 I don't remember getting all of it. 1 Α. 2 But I'm not -- I haven't finished gathering 3 information yet. 4 Q. Okay. Let's take them one at a 5 time. What is your complaint against 6 7 Ocwen Loan Servicing? It's should be -- they've -- they 8 Α. were just as bad as Litton. 9 10 They didn't respond to my 11 questions. They wouldn't give me the transcripts of 12 the full note which I have been trying to get since 13 I found out that FEMA went out of business. And 14 they were just totally unresponsive. 15 Ο. And what is your complaint against 16 Goldman Sachs? 17 Goldman Sachs owned Litton and Α. 18 Litton told me, we are owned by Goldman Sachs, so 19 you don't have to worry about doing things that we 20 have been accused of in the past. 21 And so what did Goldman Sachs do 0. 2.2 that you are not happy with? 23 Well, one thing, they owned it and Α. they didn't -- they didn't -- they have to take 24 responsibility for the company that they own. 25

Page 18 1 Also, when I served them for the 2 first time, they got it thrown out on a technicality. I don't think the court is too happy 3 with that. 4 5 And they refused to even listen to this complaint, even after I put it -- filed legal 6 7 action against them. Where did you file legal action 8 Ο. 9 against Goldman? 10 Essex County. Α. 11 Before this complaint? Ο. 12 Α. Yes. 13 Ο. And they got out of the case? 14 Yeah, they had it thrown out. Α. 15 I had people from the court that 16 will be amongst my list, too. 17 Amongst your list? Q. 18 People -- well, if you start asking Α. 19 me who I am going to bring to as witnesses -- that 20 was one of the things you had in there. 21 But, yes, I filed against them, Litton's -- Goldman Sach's attorney. I filed and 2.2 23 served Goldman. And Goldman's attorney had it 24 thrown out. 25 Well, Goldman's attorney did

Page 19 something that caused the court to come back to me 1 2 and say, we made an error. 3 They are using the error against Do this and just re-file and we will take -- we 4 us. 5 will get this back in. And what happened after that? 6 Q. 7 I qot sick. Sicker. Α. What was wrong? 8 Ο. 9 Α. I had began having hypertension 10 problems. This has been stressful. 11 Ο. Okay. 12 Α. And that's when they escalated. 13 Ο. So there was no second complaint filed until this one? 14 15 Α. Yes, this is it. 16 This -- this one? Ο. 17 Yes. Wasn't able to before. Α. 18 Q. Okay. 19 Because -- I wasn't able to before. Α. 20 As for HSBC Bank USA, N.A., there's Q. 21 all -- there's all commas here. 2.2 So HSBC and Fremont Home Loan Trust 23 2006-C Mortgage Backed Certificates, Series 24 2006-C -- I can't tell from the caption of the complaint whether -- I can tell by the body of it. 25

Page 20 1 But your attorneys broke that into 2 two different people or two different entities, one 3 of them being HSBC Bank USA, N.A. So you sued HSBC Bank N.A. -- HSBC Bank USA, N.A. by itself. 4 5 What is your complaint against HSBC Bank? 6 7 Α. When I realized how egregious the problems were with Fremont that had gone out of 8 9 business and left problems and Litton, I went to 10 HSBC. 11 They are your underwriter; this is 12 your note; you need to be aware of it so you can 13 intervene to fix this problem; try not to lose 14 everything that I have built in my business over the 15 years. 16 They not only wouldn't respond --17 they responded in writing, no. 18 I believe I saw the response, the Q. 19 letter you drafted to HSBC and the documents your 20 counsel gave me. But I don't believe I saw the 21 response. 2.2 Can you make sure you get me a copy 23 of that after today, if you want to write it down? 24 Α. Yes. There were a lot of documents. 25 Q.

Page 21 There is a gigantic possibility that I missed it. 1 2 Α. No, I can -- I can get that to you. 3 0. Okay. And you may not -- so the Fremont Home Loan Trust 2006-C Mortgage Backed 4 5 Certificates, Series 2006-C was also named? Yes, because I didn't realize until 6 Α. 7 after they had gone to Litton that they hadn't been recording my payments. 8 9 And I couldn't reach anybody there 10 to give me a transaction history. 11 That's when I first started trying 12 to get a loan transaction -- mortgage transaction 13 history. 14 So your naming of the Fremont Home Ο. 15 Trust was because you wanted to get to Fremont? 16 No, I believe that the trust is Α. 17 responsible, too. 18 Okay. I have read enough of your Ο. papers, but I will ask it -- and I understand the 19 20 answer may be long, but why don't you tell me your 21 complaint against Litton Home Servicing. 2.2 Α. They defrauded me. 23 How did they defraud you? Ο. 24 They -- before I decided to do a Α. modification, I went to them to see if it would be 25

Page 22 feasible because I had other options. 1 2 That was the least expensive, I 3 believe. And they told me they would. And then I gave them everything 4 5 that they needed. And they said this thing called HAMP -- H-A-M-P -- I don't remember if they used the 6 word "HAMP", but something is coming so we will back 7 you. We will give you the modification. But let's 8 9 try to do it this way first. 10 And they took me through a series 11 of -- I thought it was the inefficiencies. I think 12 it was their deliberate efforts to defraud me, of 13 asking for information over and over. 14 It's all in the notes, the 15 responses you asked. I sent them the checks. They 16 returned them. I called them and said, this is what 17 we need to do before I pay off my uncollateralized debt. I need to know. Because I need this deal. I 18 19 am getting an offer from Homeland Security. 20 And they assured me that they would 21 just send the checks back with a little extra money. 2.2 And I said, give it to me in 23 writing and I will get it to you and this will be --24 you will complete the papers if I get it to you by 25 this date? And they said, yes.

Page 23 1 I got the letter from them 2 reaffirming it. I got it to them via FedEx. 3 And I was shocked to learn a couple of days before Christmas that they were foreclosing. 4 5 So when I called and said I thought I would have this modification; you assured me this 6 7 was done and you just had to get me the papers, they said, just send us more money, the next payment and 8 9 we will get it to you. So I sent them the payments 10 they asked for. 11 And then I realized that I was 12 being scammed, even though they were owned by 13 Goldman. 14 We will have to go through and peel 0. 15 that back layer by layer and talk about --16 Yeah. Α. 17 Believe me, your attorney has given Q. me a lot of stuff. 18 19 You had done one prior 20 modification, correct? 21 With whom? Α. 2.2 On this note? No. (Document is marked Exhibit P-4 for 23 2.4 identification.) 25 (Discussion off the record.)

Page 24 Do you recognize P-4? 1 Ο. I recognize this from the 2 Α. interrogatories you gave me. This is a digital 3 signature, which I don't do on notes. 4 5 Also, Juan Carillo, who is still in the financial services industry -- but this is a 6 7 digital signature for him. And as on the original note, I 8 9 signed every document -- every -- legally, I have 10 been doing this for about 30 years or more, put my 11 initials on every page of a multi-page agreement. 12 And this only has my digital signature. 13 Ο. Are you saying you didn't get a loan modification? 14 15 Α. I took out a mortgage with Fremont 16 to get it out of the hands of Litton because Litton 17 had bought my mortgage and I knew who they were. So I refinanced to get it out of 18 19 their hand. And it was with Fremont. And when 20 Litton bought Fremont's notes, I tried -- I was 21 going to refinance it out of their hands again. 2.2 And they told me they were owned by 23 Goldman. They were now not like countrywide of the Litton of old days, and that I could trust them. 24 25 I never modified it again. I was

agreement. When I sent the applications -when I spoke to them in -- you have to look at the notes, '07 or '08, and I began the process of going through the modification with them in '08 or '09, I did a new mortgage with Fremont to get my mortgage out of Litton's hands. And you go to Essex County Hall of Records, and you can go and see all the mortgages and all the notes on my property since it was built. So you can validate that without me having to tell you. Is the property address -- time 0. out. Strike that. The note, which was P-2, is dated March 27, '06. That's about this -- that's the note for the property you reside -- the property at issue, 541 Scotland Road, South Orange, New Jersey, correct? I reside at 541 Scotland Road South Α. Orange, New Jersey. I am not matching up these documents. I am not in a position now to tell you -- to look at dates and go back to mine.

waiting for them to give me a modification

Page 26 1 But I can tell you that this is a 2 digital signature. 3 That wasn't my question. 0. I am sorry. I will listen to you. 4 Α. 5 In the P-4 that you are looking at, Ο. is it dated November 9, 2007? 6 7 Which one? P-4? Α. 8 Ο. Yes. 9 Across the top it sayings "Loan 10 Modification Agreement made this 9th day of 11 November, 2007, between Veronica Williams and 12 Fremont Investment & Loan." 13 Α. Yes. The title of document is "Loan 14 Ο. 15 Modification Agreement (providing for fixed interest 16 rate)." You are talking about the document 17 Α. 18 without my signature. 19 Yes, that's what it says, the 20 document without my signature that says P-4, that's 21 what I am reading. 2.2 Ο. You admitted that you used 23 electronic signatures? 24 Never on documents like this. Α. 25 Q. In general, have you used

Page 27 electronic signatures on anything? 1 2 Α. I have used electronic signatures 3 in the past. Okay. Do you ever recall in 2007 4 Ο. 5 getting a loan modification? I don't remember the date, but it 6 Α. 7 was -- that sounds reasonable. But I don't remember the date. Two different dates here. 8 9 0. Right. One is the mortgage and one 10 is the loan modification. 11 The mortgage had an adjustable rate 12 note and the modification says, "Providing for fixed 13 interest rate." 14 So they locked in your interest 15 rate at 7.25 percent in 2007; whereas in '06, you 16 had an adjustable rate. 17 Do you recall that happening? I don't remember. 18 Α. 19 I remember having problems with 20 Fremont and telling them I wasn't going to do the 21 deal with them unless I had a fixed rate. 2.2 I don't remember doing the 23 modification right after a loan. I just remember doing one deal with them. 24 25 Q. The original mortgage, you mean,

Page 28

the one deal? 1 2 Α. My mortgage was held by Litton at the time, I believe. And I was trying to get it out 3 of the hands of Litton with someone that would give 4 5 me the deal that I wanted. And once I finally got the deal 6 7 from Fremont, then I signed it. I don't remember doing two deals with them. 8 9 That doesn't make sense, do two 10 deals and a mortgage and a modification within 11 months of each other. That's financially not right. 12 I do remember them working hard to 13 get my business and changing things, but --14 Is the electronic signature on this Ο. 15 document the same electronic signature you have used 16 in the past for letters? 17 I have used that electric signature Α. 18 for certain letters, but never agreements. 19 And that is your electronic Ο. 20 signature? 21 That's my electronic signature. Α. 2.2 Q. Okay. 23 I shouldn't offer this, but you Α. 24 probably have documents that Litton got from me when I had sent my application with my electronic 25

Page 29 1 signature. 2 Ο. I know. 3 The hard part -- I feel like I keep asking the same question, and Sal wants to object, 4 5 and I am sure will. You are telling me that you 6 7 remember having talks with Fremont about switching to fixed rate, getting a modification -- you don't 8 9 remember that? 10 Α. No. Let me just stop you for a 11 minute. 12 Q. Okay. Not switching. 13 Α. In order to do the deal with 14 15 Fremont, these are the terms and conditions that I 16 need. 17 I learned in the '70's, do not do 18 an escalating -- I didn't do a mortgage without a 19 fixed rate. 20 Chase offered me a fixed rate and I 21 had that. Why would I go there and do this? 2.2 So the only way I would do it was 23 with a fixed rate. They kept coming back to try to 24 make that happen for me. 25 Q. And you are saying they never did

Page 30 1 that? They did that, but I didn't do -- I 2 Α. didn't do -- I did one deal with them, one mortgage 3 with them. 4 5 I didn't -- I didn't -- I didn't do a deal with them that wasn't what I wanted. 6 7 Q. Can you explain why we are looking at P-4?8 9 MR. SANCHEZ: I am going to object 10 to the form of the question. But --11 You would have to explain that to Α. 12 You gave me P-4, right? me. 13 Ο. Right. 14 So you tell me. I don't Α. 15 remember -- I don't know how -- this makes no sense 16 to me. 17 Okay. I will stop beating a dead Q. 18 horse here. 19 Α. Yes. 20 I can go back through 35 years of 21 financial and economics expertise and tell you that 2.2 would be foolish. I knew not to do that before I 23 got a Bachelor's in economics. 24 Ο. So let's get to the meat here. 25 Α. Okay.

Page 31

1 Ο. With Litton you told me that your 2 complaint is that starting in what year you were having negotiations with them for a loan 3 modification? 4 5 Let's start from the beginning. I would have to look at the 6 Α. 7 documents to remember which year. We are going back to '08, I think. But it's in the documents when I 8 9 started. 10 Ο. All right. I will read from P-1, 11 the complaint. That says, "In or about 2009" -- it 12 13 days "defendant" -- but it's "plaintiff" --14 "Veronica Williams was delinguent -- was delinguent in payment of residential debt for unexpected and 15 16 unavoidable reasons. Defendant" -- that was 17 paragraph 15 with my change of the word from "defendant" to "Veronica Williams". 18 19 Paragraph 16 says, "Veronica 20 Williams negotiated the loan work-out plan with 21 Litton effective July 1, 2009, consisting of three 2.2 monthly arrears payments." Does that sound accurate? 23 24 Α. Accurate but not complete. 25 Q. The floor is yours.

It must have been 2008 when I first 1 Α. contacted Litton to see if this was feasible with 2 3 them because it was either going to come out of their hands or I would use alternate means of 4 5 financing. And they said, we can do the same 6 7 thing. Do it with us. And that's when I began putting --8 9 identifying everything that was necessary to get the 10 modification. 11 And probably in early 2009, I 12 probably gave them their first document that asked 13 for everything. There was a time at that -- around 14 15 that time when someone at Litton -- one person, but 16 the person is documented in a letter that I sent 17 back to Litton -- said, we can do this. But to get 18 the program you want, get you the best deal, you 19 have to be three months in arrears. So I didn't pay 20 based on their instruction. 21 And, like I said, the person --2.2 they know that because people that talked to me 23 after that said, oh, we know -- you wrote down that 24 so-and-so said this, so we are not going to, you

25 know -- surmising he got in trouble.

Page 32

Page 33 So by the time we got to July, we 1 2 had gone through all these machinations of numbers. And that's when I expected that the modification was 3 approved. 4 5 Was it -- is it your understanding Ο. that for that -- we will call it the 2009 loan 6 7 work-out plan as it's typed in your complaint -that you had given Litton everything they needed to 8 9 review your loan for a loan modification? 10 Beyond that. Α. 11 It was my expectation that I was 12 going to -- that I was being given the modification, 13 which is why I sent them the certified funds that they needed to finalize it. 14 15 Ο. Did you send payments for July 1, 16 August 1 and September 1 of 2009 for a trial plan? 17 That sounds right because once they Α. 18 got -- they needed that so they could finalize it. 19 Q. Was it your understanding that all 20 you had to do was make those three payments timely? 21 Α. Yes. 2.2 Ο. And you would be given a modification? 23 24 Α. Absolutely. 25 Q. Do you have any documents that

outline that? 1 2 Α. I don't know. I have to go back 3 through the notes. But I -- I wouldn't have sent that 4 5 money if it wasn't perfectly clear to me. I had 6 many conversations with at least 30 people at 7 Litton. 8 Ο. Do you know that Litton got 9 payments for June 1 -- strike that -- for July 1, 10 August 1 and September 1 of 2009, for that loan 11 work-out plan? 12 Α. Yes, because they sent them back to 13 me. 14 And then I called them and said, what are you doing? I have gave you everything that 15 16 you needed. 17 And they said, no, we need a little 18 bit more. 19 And I said, if this is the case and 20 you are really going to give it to me, give it to me 21 in writing and I will give it to you by the date. 2.2 They even extended the date. So I got the letter. I got them -- I returned those 23 24 checks and more because I had to go to -- I had to 25 go and get the third check -- the third payment.

Page 34

Page 35 The check that I added was a money order and I sent 1 2 it Federal Express. They got it before their deadline. 3 Do you have any proof that you 4 Ο. 5 mailed the June 1 -- strike that -- the July 1, August 1 and September 1 payment timely to Litton? 6 7 Α. Only their letter that confirmed that they would keep it this time. 8 9 I have to go back because I have 10 tons of documentation, so I don't know what I 11 have -- but I don't know what I have. 12 But I know it was sent on time and 13 I'd have to go back through my documentation to see what I have. 14 15 Ο. I want to say your attorneys gave 16 me probably a thousand pages, and that's probably an 17 underestimation. A lot of it was duplicates. Some 18 of them were useful; some of them were not. 19 What I was looking for in my 20 request were documents such as that that are key to 21 what you said in your complaint. 2.2 So it will be very helpful to me if 23 you could provide to them the documents related to this 2009 -- whether they are checks, a copy of a 24 letter sending the checks back to you that you are 25

Page 36 1 saying you got, anything that's relevant to that 2 claim. I'll see what I can find. 3 Α. But this is what -- now that you 4 5 mention this, it infuriated me. They just sent certified funds in 6 7 the mail to me. I don't remember anything with it other than the letters -- than the checks appearing 8 9 in my box, my mailbox. 10 That was what infuriated me, that 11 that's like sending me cash and not even telling me 12 that it's coming. 13 That's why when I got back to them 14 and said, if we are going to do this, let me know 15 right now. Be honest. I want it documented because, otherwise, I will just take this out of 16 17 your hands, 'cause I could then. I didn't need them 18 financially. 19 When you spoke to them about the Ο. 20 July 1, August 1, September 1 deal, loan 21 modification, loan work-out plan, they said, make 2.2 these three payments timely, and then what? 23 And then the modification is yours. Α. 24 Then we'll process -- then it's valid. Once you 25 make the payments, then it's a done deal.

Page 37 1 Do you recall when you got the Ο. 2 payments back? I think it was August -- September, 3 Α. right before I sent it back to them. 4 5 Well, if it was August, then that Ο. 6 means you didn't make the September 1 payment? 7 Α. I sent them all three payments in one envelope, one transaction. 8 9 There were checks dated with 10 different dates because I didn't want any chance 11 that they said they didn't get it. So they got 12 separate checks with separate dates, certified from 13 the bank. 14 And I have copies of those checks. 15 MR. SEIDEN: You want to offer 16 something? 17 MR. SANCHEZ: Can we go off the 18 record? 19 (There is a brief recess.) 20 So turn to page -- no page numbers. Q. 21 Turn to the third page where --22 yes, paragraph 16 and 17 are where I read from. 23 MR. SANCHEZ: Wait, hold on. I'm 24 sorry. 25 The copies I just gave you has a

Page 38 page number on it. Is that a problem? 1 2 MR. SEIDEN: No, it's possible. 3 Okay. 4 MR. SANCHEZ: I mean, it's been 5 filed. 6 MR. SEIDEN: It's amazing, isn't 7 How do I have this? it? (There is a brief recess.) 8 9 Ο. Before we recessed we were talking 10 about P-1, the complaint in this action, and we were 11 talking about what happened in 2009 regarding what 12 your attorneys have called a loan work-out plan for 13 July 1, August 1 and September 1. 14 You had explained to me that you 15 sent one envelope with three checks to Litton and 16 that they had mailed them back, and you don't know 17 whether you got a letter with the money back or if 18 it was just your certified checks. 19 Correct, I don't. Α. 20 And you would look for that letter Q. 21 or envelope. 2.2 Α. I can look, but it's hard. That was five years ago. 23 24 Ο. Looking at paragraph 18, which is 25 the next paragraph, I will replace "Veronica

Page 39

Williams" with the first word "Defendant". 1 2 "Veronica Williams timely notified 3 Litton in advance that the September payments, the third of three payments pursuant to the loan 4 5 work-out plan, would be delayed because of water damage in the subject rental property that would 6 7 require immediate repairs in order to continue to produce income." 8 9 Α. That sounds familiar. That was 10 probably right. 11 But I would have to go back and 12 find the document, the letters and checks to see 13 what was there, what was sent to remember exactly. 14 I know I sent multiple payments. But that sounds familiar now that I 15 16 have that because I know I sent them more money when 17 I sent the new checks in September or October. 18 Q. Okay. 19 Because I had to go get the money Α. 20 order to add to the checks that I was sending back 21 to them. 2.2 Ο. Well, then, you didn't send three 23 payments in --24 I'm not sure. I am just trying to Α. 25 be honest here.

Page 40 That's all you can be is honest. 1 Ο. 2 Α. I know I sent them multiple checks. I don't remember the exact amount. I thought I sent 3 them everything so that the modification was a done 4 5 deal. This sounds like I had to send them 6 7 another check, which I did. But they had returned the check, so I had to add payment to the checks 8 that I returned to them. 9 10 I don't remember the amounts of 11 everything. 12 Do you know why the payment -- the 0. 13 checks were returned? 14 That's why I was outraged. Α. 15 No, I thought -- Litton has a 16 history of doing this. And because they were owned 17 by Goldman now, I didn't think I would see this. 18 But they -- that's not unusual. 19 So that's why I was outraged. 20 Are you trying to set me up here? 21 They assured me that they weren't. 2.2 I'm sorry. What did you say? Off for a second. 23 MR. SEIDEN: 24 (Discussion off the record.) 25 Q. Can you recall the date you sent

Page 41 the two checks --1 2 Α. From five years ago? 3 Ο. Yes. 4 Α. No. 5 I could probably go back through notes and see if I can find it. But I don't 6 7 remember specific dates of things that I had sent three months ago, to be honest. 8 9 Ο. Do you recall getting any letters 10 from Litton that said the status of your review of this loan modification? 11 12 Α. I don't remember getting -- I may 13 have, but I don't remember that. 14 I remember them sending me through 15 hoops over and over again to send them new data cut 16 a different way. 17 I said, guys, do you understand 18 finance? I remember sending this back and you 19 saying send us your checks back with a little bit 20 more money and you'll get the modification. 21 And I remember saying, well, send 2.2 me that in writing because you haven't done it yet. And I remember getting that and I 23 remember sending the checks Fedex so I can prove 24 25 when they arrive.

Page 42 And you have all that? 1 Q. 2 Α. Yes, sir. 3 And you will give all that to Sal? Q. Yes, sir. 4 Α. 5 The sentence or two you just said, Ο. 6 there were no dates in there. I want you to take a 7 second and try to see if you can plug the dates in. I don't have to think. I'm still 8 Α. 9 going through pain. 10 I can't remember specific dates 11 from five years ago, and I am not going to try and 12 pretend that I can because that would be dishonest. 13 Ο. Okay. Do you know if the checks 14 were ever applied to your account? 15 Α. I don't know if any checks were 16 ever applied. I don't know if any payments for the 17 whole course of this note were ever applied. 18 Q. Do you know if Litton ever received 19 a full, completed -- strike that. 20 Were you ever told by someone from 21 Litton during this three-month, four-month span in 2.2 2009, July, August, September, October, maybe --23 were you ever told, we have your full, completed 24 application; make the three payments; you'll get a modification? 25

Page 43 1 Α. Let me --2 Ο. This is a yes or no one for me. Ι 3 should have prefaced it. Well, then repeat it. 4 Α. 5 Ο. Okay. 6 Were you ever told July, August, 7 September of 2009, that you had a completed loan application for a modification? 8 9 Α. July, August or what? 10 Or September. Some time around Ο. 11 that time, it could be, give-or-take, a month either 12 way. Or probably not either way. 13 Α. I don't remember being told that I 14 had a completed modification during those months. 15 Ο. Completed package where they asked 16 you to submit things and then they said, okay, we 17 have everything now. 18 Did they ever say, okay, we have 19 everything now? 20 I don't remember being told that by Α. 21 September. 2.2 Okay. And is it your position that Q. 23 they should have? 24 MR. SANCHEZ: I am going to object 25 to the form of the question.

Page 44 Is it your position that Litton --1 0. 2 that you had given Litton everything they needed 3 that they had asked you for at that time? I believed that summer that I had 4 Α. 5 given Litton everything that I needed to have the modification. 6 7 Did you ever receive a letter that Ο. said, we are missing X, Y, Z? 8 9 Α. I don't remember --10 For example, we are missing a Ο. 11 profit and loss statement from this business or we 12 are missing pay stubs or we are missing tax return? 13 Do you recall receiving any of those letters? 14 15 Α. No. 16 So after this first loan work-out Ο. 17 plan with payments due July, August and September, 18 what is the next work-out plan you discussed with 19 Litton? 20 Yes. I got the checks back. Α. Ι 21 asked them what's going on. 2.2 And they said, we are sorry; it shouldn't have been returned; send us that check and 23 24 a little bit more by this date and you are definitely going to have the work-out plan this 25

Page 45 1 time. 2 Ο. And did you at that point -- did 3 you still want a loan modification? Yes, because I had a contract on 4 Α. 5 the line. And I didn't want to spend time with somebody else because they had -- they had -- it was 6 7 almost a year dealing with them. Who is "them"? 8 Ο. 9 Α. Litton. I am sorry. Litton. 10 Okay. You said you had someone Ο. 11 else on the line. I wasn't sure. 12 No, Litton had been leading me down Α. 13 the path. They were the best; they were forthright 14 and they were owned by Goldman; they wouldn't do 15 anything wrong. 16 And then I got the checks back and 17 I'm thinking what I'm I going to do. 18 So they said, I am sorry, Miss Williams, we shouldn't have returned the 19 20 checks; send them back to us with a little bit more 21 money and you'll get the modification. I said, give me that in writing and 2.2 give me more than a week because I need more than a 23 24 week to get it to you. 25 And they gave me a date; they gave

Page 46

me the letter. I got the money to them before the
 date.

3 If you turn to page four, paragraph 0. 19 says, "On or about September 11, 2009" --4 5 substitute "Veronica Williams" for "Defendant --"Veronica Williams satisfied her obligations to pay 6 7 Litton the third monthly arrears payment pursuant to loan work-out plan." 8 9 Α. That could be right. 10 Again, I don't know exact dates. 11 Money was going back and forth. I'd have to go back 12 and see what went where and when. 13 Ο. Okay. To the best that you can, do you recall getting a check -- getting the checks 14 15 back that you keep referencing after September 11 or 16 before September 11? 17 I don't remember September 11 of Α. 18 this year. I'm sorry. 19 You want me -- I just can't give 20 you an honest answer on specific dates from more 21 than a few months ago. 2.2 Ο. Paragraph 20 says, "Litton returned 23 Veronica Williams arrears payments rather than recognizing them." 24 25 I have been saying that over Α. Yes.

Page 47 and over, that they sent the checks back to me that 1 2 I sent to them. 3 So, chronologically, in the Ο. paragraphs it gives the impression it happened after 4 5 September 11. I don't know the exact dates. 6 Α. 7 Q. Okay. I was trying to the best of my 8 Α. 9 ability to put these dates and all the information 10 together. And I did this in severe pain, so I don't remember the exact dates. 11 12 But you will see documents that 13 show that the checks that Litton sent me alone 14 saying, do this by this date and you will have your modification. 15 16 You will see the documents that 17 show that the checks went to them and who signed for 18 them and on what date. 19 I made sure of keeping that because 20 that's what they told me I needed to do to get the 21 modification. 2.2 Ο. Do you understand that the trial 23 modification was a trial, and that you still had to apply for the actual modification? 24 25 Α. No.

Page 48 Okay. Is that based -- do you 1 0. 2 believe -- do you believe that because of your conversations with Litton? 3 Yes. Made it clear, it will be a 4 Α. 5 done deal. I asked that over and over. 6 0. In paragraph 22, it says, "Litton 7 modified and reinstated the loan work-out plan offered to Veronica Williams by lowering the amounts 8 9 due for the three monthly payments and by setting 10 three new dates beginning November 1, 2009." 11 Α. Yes. 12 Q. That's correct? 13 Α. That sounds correct to me. Again, dates, I can't say 14 15 definitively, unless I go back and look at 16 documents. But that sounds reasonable to me. 17 Next paragraph says, "On or about Q. October 28, Defendant timely resubmitted" -- "2009" 18 19 -- "Veronica Williams timely resubmitted all three 20 loan work-out payments in full to Litton Loan." 21 Α. Yes. 2.2 Ο. That is correct? 23 I sent that -- that document I sent Α. 24 by FedEx X, that I keep talking about had all the 25 payments to approve of they said they were going to

1 approve.

And were you still submitting the 2 Ο. 3 underlying application at this time? I don't remember submitting the 4 Α. 5 underlying application. At this point, I just believed it 6 7 was paperwork so they could get it done right, that it had been approved. All they needed was the 8 9 money. 10 So were you getting letters that Ο. 11 says -- or phone calls and conversations with them? 12 Were you getting any correspondence 13 whatsoever from Litton that said you need to apply 14 for the underlying loan application? It was a done deal. 15 Α. No. 16 If I had gotten that, I wouldn't 17 have paid off uncollateralized debt in September or October. 18 19 How many times, best you recall, Ο. 20 did you submit your financial documents for that 21 loan -- for a loan modification to Litton? 2.2 Α. Too many. But the ones that I remembered are 23 in the interrogatories. 24 25 Q. I didn't get responses to

1 interrogatories.

2 Α. Well, we are still preparing them. But I would have to go back to the 3 interrogatories to remember how many. 4 5 It was too many. I have been in 6 finance over 30 years. I have never seen it. Т 7 thought either you're incompetent or somebody is not reading it. 8 9 Ο. And what was your conclusion? 10 When they said they were going to Α. 11 finally give me the modification, that they finally 12 got somebody who understood what they were reading. 13 Ο. You said either they were 14 incompetent or they were not reading. I wanted to 15 know what is your opinion. 16 I still don't know. I still don't Α. 17 know. 18 But I know they fixed it after I 19 challenged it and they came back with the 20 modification. 21 When did they come back with the Ο. 2.2 modification? 23 Probably -- whatever that date was. Α. It was the summer of '09. Spring or summer of '09 24 when I sent the checks. 25

Page 51 Okay. So we kind of have to 1 Ο. 2 separate these because they separate in your complaint for the -- it's hard to decipher what I am 3 reading. 4 5 There was a first one in we will call the summer, July 1, August 1, September 1. 6 7 Then your complaint says there is a second one. We will call it the winter, beginning 8 9 December, November, January. 10 Α. Yes. 11 For the winter one, that's what we Ο. 12 are discussing, because you are saying in the summer 13 you sent the payments; they sent them back and then 14 they gave me this new one in the winter. 15 Α. Yes. 16 So for the winter, do you recall Ο. 17 supplying the financial documents? I understand. 18 Α. 19 Ο. Okay. 20 We were talking about the financial Α. 21 documents. Those were all supplied during the 2.2 spring/summer. 23 Then they gave me the modification; made the payment; it's a done deal. They sent the 24 25 checks back.

Page 52 1 I said, I need to make sure you are 2 not playing about with me. I can give it to you. They said, we will have to redo 3 another one -- I believe they said that -- it will 4 5 make it better for you; send the money again by this 6 date. 7 And same thing, once we get all three of those payments, it's a done deal. 8 9 Ο. I know you are a highly-educated 10 woman that understands finance. 11 Did you not provide them with 12 updated financials in the wintertime that you had 13 given them in the fall? 14 I don't remember having to provide Α. 15 updated financials. They didn't require that. 16 But they required updated money. 17 And they kept taking money, saying, we are sorry; we 18 just didn't get this processed; send us a payment 19 again; a payment again. 20 How many payments -- and I'm asking Q. 21 you to provide the proofs -- maybe you are -- with 2.2 the interrogatories. I don't know. 23 Did you make to Litton, starting 24 with that fall -- your complaint says you made the three, with the September one being after the date. 25

Page 53 1 Did you state on September 1 and 2 then in October you sent three? It just says on October 28, 2009. 3 So right now that's, I guess, in 4 5 theory, six payments that would have been made. 6 Α. Keep --7 Q. But -- sorry. But that would be -- those were 8 9 some duplicates is what you are saying, because if 10 Litton sent them back, so with the first three 11 payments and the second three payments, 12 theoretically, were the same checks. 13 Α. Let's say "checks" instead of 14 "payments". It will be clearer. 15 Q. Okay. 16 I sent them multiple checks that Α. 17 They sent them back to me. summer. 18 I said, make sure this is right and 19 I will send you these checks back. 20 They said, okay, we will redo and 21 make it lower, but send us those checks back plus 2.2 new checks. When did you send -- why would you 23 0. have to send new checks? 24 25 Because they said that's what I Α.

needed to make it a done deal and give me the final 1 modification. 2 3 Ο. Do you remember any dollar amounts? No, but they are documented in 4 Α. 5 I can give that to you. there. 6 Ο. Yes. 7 I have collected a lot of this. Α. Ι don't remember amounts. 8 9 I gave them several checks, not 10 just returning the ones, but more. 11 But if it was for less money --Ο. 12 Because I gave them the money that Α. 13 they asked for so I could get what I needed, what 14 they told me they were going to give me. 15 Q. And you are saying they asked you 16 for more money? 17 Yes, so I could get what I needed. Α. 18 I was waiting for a security 19 clearance. And they said, oh, we made this mistake. 20 We will fix it. 21 I said, do that. I need this 2.2 clearance so I can get the task order. 23 So, in hindsight, I shouldn't have given them a dime. But I sent the checks because 24 they are owned by Goldman. 25

Page 54

Page 55 Who is going to do that? They are 1 2 federally chartered. Who is going to do that? And cash the check, too? 3 So I sent them the checks. 4 I 5 expected everything to go through and be fine, as they said. 6 7 And I have copies of those. Would you be surprised if I told 8 Ο. 9 you that you didn't supply new financials in that 10 winter for that loan modification review? 11 I don't remember what I supplied. Α. 12 But I would -- I gave them everything they asked 13 for. 14 Ο. In the fall? 15 Α. Every time I communicated with them 16 I gave, and I sent them money and I gave them what 17 they asked for. 18 Q. Okay. Has HSBC Bank USA, N.A. ever 19 contacted you directly? 20 Α. Only to tell me that it wasn't 21 their responsibility to fix what Fremont and Litton 2.2 were doing, and they weren't going to do anything about it. 23 2.4 Whatever it was, I will show you the letter. 25

Page 56 1 Ο. I notice --2 Α. And they may have -- I have lawyers 3 since then. So, you know, I know that they are doing foreclosures against me again for a second or 4 5 third time. Did they ever use any foul use of 6 0. 7 language in the one letter you received? I don't remember. I have to look 8 Α. 9 at it, but I doubt it. 10 Did they ever call you on the Ο. 11 phone? 12 I don't remember. I have to go Α. 13 back through my notes. 14 We are going back -- when was that 15 letter? In 2010, probably, right? 16 I think we are going back four 17 years. I don't remember. 18 I'd have to -- to give you an 19 honest answer, I have to review notes. I don't 20 remember the details of who talked to me when. 21 0. I guess -- to ask you a general question, do you feel harassed by HSBC directly? 22 I feel demeaned. 23 Α. 2.4 Ο. I only went to a little, small college. You have to tell me what "demeaned" means. 25

"Demeaned" means to make me feel 1 Α. 2 like less than anything, like it's -- they were 3 going to do what they were going to do, and their affiliates were going to do what they were going to 4 5 do, and it didn't matter what I said or what I showed them; get away, leave me alone. 6 7 So it made me feel like I couldn't do anything. Nothing was going to happen with them. 8 9 Ο. But they didn't try to collect any 10 money from you in that letter? 11 No, they didn't try to collect Α. 12 until they filed foreclosure against me. 13 Ο. They were attempting to take the 14 property -- they are filing a foreclosure action to 15 close the mortgage, put it that way, right? 16 I don't know what steps they are Α. 17 in, but, yes, they are trying to foreclose. 18 Q. That's the grand scheme, in other 19 words? 20 Α. Yes. 21 I will ask the same types of Ο. 2.2 questions for Goldman. Besides being an entity that you 23 are claiming owns Litton, or owned Litton, did they 24 ever contact you directly? 25

VERITEXT NATIONAL COURT REPORTING COMPANY 215-241-1000 ~ 610-434-8588 ~ 302-571-0510 ~ 202-803-8830

Page 57

Page 58 I don't remember. I don't 1 Α. 2 remember. I doubt it. I don't remember. 3 Not in -- after I filed suit against them. 4 They just 5 went to court and got the complaint thrown out so I had to re-file. 6 7 And you didn't? Q. That's why we are here today; I did 8 Α. 9 it. 10 You are right. You did. Ο. Okay. 11 Do you feel harassed by Goldman? 12 I feel that they are behind it, Α. 13 yes. They are -- yes. 14 Why do you believe that Goldman had Ο. 15 anything to do with whatever transpired with Litton? 16 Why do I believe they had anything Α. 17 to do? 18 Q. Yes. 19 I'll show you the letter from the Α. 20 Federal Reserve that clearly said that Goldman owns Litton when they responded to me about the 21 2.2 complaint. 23 I'll show you that letter, but --0. 2.4 And that's one of the reasons why. Α. But there are others. 25

Page 59 So because they own it, you believe 1 0. 2 they knew everything that was going on with your 3 particular mortgage? I don't know. 4 Α. 5 I filed with them so at the moment that I filed an action against them, I don't believe 6 7 that a company that big knows the details of their subsidiaries in all the transactions. 8 9 But the moment I file an action 10 against you, a legal action, you are aware of 11 something, unless you are paying people to try to get it off your back. 12 13 Ο. Do you have any paperwork or documents that would show that Litton and Goldman 14 15 knew what was -- or that Goldman knew what was going 16 on with your mortgage with Litton? 17 Trying to think about how to answer Α. 18 that. 19 I have correspondence with other 20 parties that leads me to believe that they were 21 taking steps based on what involved my mortgage. 2.2 Ο. When you say "parties", do you mean 23 entities in this case as in a party, or just other 24 companies, people in the world? 25 Α. The SEC, there are a few people

Page 60 there. I mentioned the Federal Reserve. 1 2 Other people through what I have 3 been looking at and finding out, yes. And have you given those documents 4 Q. 5 to Sal? 6 Α. Probably. I'd have to go back and 7 look. Maybe not all of them. Okay. Same questions for Ocwen, 8 Ο. 9 for Ocwen Loan Servicing. 10 Have they called you? 11 Α. Yes. 12 Q. And when did they call you? Let's 13 go with that. 14 Α. You want dates? 15 Oh, no. 16 We can probably talk years, can't Ο. 17 we? 18 From the time that they -- that --Α. okay, I'll give you this: From the time that the 19 20 SEC allowed Goldman to move Litton's mortgages to 21 Ocwen, Ocwen began contacting me. 2.2 Q. And did they harass you? "Harassment" is a nebulous word in 23 Α. that case. 24 25 When people call and try to collect

Page 61 money from you that wasn't entitled to be collected, 1 I don't know how to describe that. But it's not 2 3 pleasant. But most of the people that called 4 5 just asked for money, and they refused to discuss 6 anything about -- they never gave me a transaction 7 history. And all they wanted to hear is when are we going to get our money. 8 9 Q. Did they ever use foul or abusive 10 language? 11 I don't remember Ocwen doing that. Α. 12 I don't remember that. 13 I'd have to go back through notes, but I don't remember Ocwen. 14 15 I remember problems with Litton, 16 but it could have -- going being back years, I have 17 to go back through notes to remember how to answer 18 that question accurately. 19 Why do you believe that Ocwen can't Ο. 20 be your loan servicer? 21 Α. Because I don't -- they got a bad 2.2 loan from Litton and it wasn't cleaned up like it 23 was supposed to have been. 24 They were supposed to -- the loan 25 was supposed to have been -- all the issues

Page 62 addressed before it went to Ocwen. And it wasn't. 1 2 Ο. Well, why does that mean they can't be the servicer? 3 Because they don't have accurate 4 Α. 5 information. They don't know what to collect. But they could still -- what if 6 0. 7 they -- in a perfect world, what if they just magically cleaned everything up? Then they could be 8 the servicer? 9 10 Α. Possibly. 11 MR. SANCHEZ: Objection to the form 12 of that question. 13 But you can answer it. 14 THE WITNESS: Oh, well, then, I 15 won't answer it. 16 MR. SANCHEZ: No, you can answer 17 it. 18 Oh, so what's your question? Α. 19 I am asking you to speculate. Ο. 20 Just strike the question. No, you 21 can strike the whole thing. That's fine. 2.2 Α. Okay. 23 Did Ocwen ever call you at an Ο. inconvenient hour? 24 25 Α. Oh, yeah.

Page 63 What's inconvenient? 1 0. 2 Α. Well, I was very -- I was very sick 3 when Ocwen was doing that. It was -- all of this, everything 4 5 that had been promised to me was going away. I had 6 lost my contracts and I was very sick. 7 So I don't remember which year, but they could have called me in the middle of the 8 9 afternoon when I was resting from medicines and it 10 would have been inconvenient for me, but not 11 inconvenient for most people. 12 So I -- you know, I do have -- I 13 could go back to my notes and remember some dates and times that they called. I could retrieve some 14 15 of that. But I don't remember all of them. 16 None of this was pleasant from the 17 time that I found out that Fremont wasn't recording my payments. 18 19 Everything that I went through, 20 even though Litton made me feel they were going to 21 be able to resolve this, so I could go through it. 2.2 I didn't even -- at that point I had so much money that was going to come in, I 23 24 didn't care about some of the errors in the mortgage at that time. 25

Page 64 So there are issues -- you keep 1 0. saying "Fremont". There were issues with the loan 2 before Litton became the servicer? 3 Yes. And they fixed some of the 4 Α. 5 errors, but not all of them. And was it your intention that the 6 Ο. 7 loan modification would just wipe the slate clean? I wouldn't have cared because I had 8 Α. 9 so much -- the contract was so big. What I owed 10 them was a small price to pay to get them off my 11 back once the contracts came through. So I didn't 12 care about those errors. 13 Ο. And, so, that's why you continued 14 with just the loan modification efforts? 15 Α. Yes. 16 Okay. You answered. Ο. 17 Yes, it was a no-brainer. Α. 18 And same questions for Fremont, Q. 19 Home Loan Trust 2006-C Mortgage Backed Certificates, 20 Series 2006-C. 21 Do you have any idea what that is? 2.2 Α. Yes. 23 I know you weren't meaning to insult me by asking that. 24 25 I was not meaning to. I know what Q.

Page 65 1 It's a financial instrument. 2 Α. Т 3 questioned when I go -- you know, a lot of this is public record. 4 5 You just go to EDGAR and you find 6 it. 7 I don't have any proof right now, but I questioned that that was all done above board 8 9 and in accordance with under the federal guidelines 10 they agreed to operate under. MR. SEIDEN: Off the record. 11 (Discussion off the record.) 12 13 (The answer is read back by the 14 Reporter.) 15 Q. I'll just call it Fremont Home Loan 16 Trust from now on for your financials, if that's 17 okay, and you will know that I mean the Fremont Home 18 Loan Trust 2006-C Mortgage-Backed Certificates, 19 Series 2006-C deal. All right? 20 Yes. Α. 21 Ο. So Fremont Home Loan Trust, did 2.2 they ever contact you directly? I don't remember. 23 Α. 2.4 Ο. Okay. 25 Because that would have been before Α.

Page 66 2008. 1 I'm not asking in --2 Ο. Oh, the trust itself? 3 Α. No, I doubt it. No. I'm sorry. 4 Ι 5 doubt it. So you don't recall getting any 6 Ο. 7 phone calls from Fremont Home Loan Trust? No. 8 Α. 9 And you don't feel harassed by 0. 10 Fremont Home Loan Trust? That's -- that's not a clear --11 Α. 12 there's not a clear answer to that. 13 Ο. Do you feel the same level of 14 harassment towards every Defendant that you named? "Harassment" -- let me just kind of 15 Α. 16 explain why it's difficult. 17 "Harassment" most people think of 18 as letters and words. 19 That's right. Ο. 20 Α. But financial actions and financial 21 movement I consider harassment, too. 2.2 So in terms of the way most people consider harassment words and calls, I don't feel 23 harassed equally by all of them. 24 25 But in terms of actions that

Page 67 affected me, I feel harassed by all of them. 1 2 Ο. Okay. Can you separate in your 3 mind Litton and Ocwen? In terms of what? 4 Α. 5 Their actions in this -- with your 0. 6 mortgage. 7 There's a gray area where there's Α. 8 overlap. 9 But in terms of actions, I can 10 separate at least 80 percent of the actions between 11 the two. 12 And what -- you are just saying, Q. 13 you know, who was taking which actions 80 percent of the time? 14 15 Α. No. 16 What do you mean by "80 percent"? Ο. 17 Give you an example: Lack of a Α. 18 transaction history, which is responsibility of 19 Ocwen, responsibility of Litton, responsibility of 20 Fremont. 21 And since the physical notes moved 2.2 from one legal entity to the other and they refused 23 to provide that, but they think they are going to put it in words, I feel harassment because they all 24 took responsibility in holding that note. 25

Page 68 1 0. You earlier saw that I was provided 2 with the original note, right, that you looked at it 3 today? Ah-huh. I saw this -- I saw this 4 Α. 5 document. There's one document that had my 6 signature on it. 7 0. P-2 you looked at and said it was 8 your signature. 9 If you want to look at it again, it 10 was the original note. 11 Α. P-4 was the one that was a problem. 12 Yes, this one, P-3 -- now where's 13 P - 2?14 Ο. It's over here. 15 Α. Okay. Is that the one with Michael 16 Koch's name on it? 17 MR. SEIDEN: That one is not. But 18 the original one is. 19 MR. SANCHEZ: Right. 20 MR. SEIDEN: I will let Sal make a 21 photocopy before we leave today, or I will 2.2 just e-mail them all when I get back. 23 THE WITNESS: It gets confusing to 24 me because when I look at what is 25 physically written on these notes, it's

Page 69 1 something that doesn't make sense to me. Miss -- I didn't ask 2 MR. SEIDEN: 3 any questions. 4 THE WITNESS: Oh, okay. I am 5 sorry. What was your question? 6 I'm sorry. 7 I'm trying to understand what your Ο. complaints are against each one of the companies 8 9 that I represent. 10 So when I asked you if you could 11 separate Ocwen from Litton in terms of their actions 12 in this case, I was hoping you would just say yes. 13 But you answered 80 percent. 14 And I was asking what you meant by 15 80 percent. 16 The hand-off between -- Litton was Α. 17 dissolved and Goldman moved the mortgages to Ocwen. The hand-off between those entities is where it's a 18 19 little hairy. 20 I will give you an example of an Q. 21 answer I thought I might get, and see if it helps 2.2 you form an answer. 23 I am not trying to be difficult. Α. I 24 am sorry. I can draw a line in the sand as to 25 Q.

Page 70 when because I had asked Litton for \$400,000 loan 1 2 mods, and they did the payment returns and everything else I said about earlier. 3 And I can draw on Ocwen. All that 4 5 Ocwen did with the loan is not communication with me directly or didn't give me the document I was 6 7 looking for or loan modification or something like that. 8 9 I am trying to separate the actions 10 of each. 11 T know. Α. 12 If you want to try the best you can Q. 13 to tell me where that -- where the split is, that's all I am looking for. 14 Let me use different words. 15 Α. 16 I understand exactly the actions, 17 the phone calls, the letters, the faxes that Litton 18 provided me that I felt were a problem. 19 I understand clearly the phone 20 calls, the voice mails that Ocwen gave me that I 21 thought were a problem. 2.2 Ο. So I think I understand the actions of Litton were your complaint, which is there was a 23 fall loan mod situation, a winter loan modification 24 situation. 25

Page 71 What is -- what are the issues with 1 2 Ocwen relating to the loan? 3 The primary one, they repeatedly Α. refused to give me a transaction history, and 4 5 despite not giving that to me, they continually asked me for money. And it was more than I believed 6 it should have been. 7 And is all of this in writing? 8 Ο. I don't know. I have to go back 9 Α. 10 and look at notes. 11 I have to think based on the Ο. 12 thousands of pages that you gave me that there has 13 to be a letter out there that you wrote to Ocwen 14 saying, can I have a transaction history. 15 Α. I am sure there is probably one. 16 If you can find that, that would be Ο. 17 one. 18 I am sure that's not a problem. Α. 19 THE WITNESS: Are you writing what 20 I have to give him? 21 MR. SANCHEZ: Absolutely. 2.2 THE WITNESS: So I will look for 23 Ocwen letters and recordings, audio 2.4 recordings. 25 MR. SANCHEZ: Whatever it is you

Page 72 may have. 1 2 THE WITNESS: No, just to help me 3 remember. MR. SANCHEZ: Plus we will have a 4 5 copy of the deposition. 6 THE WITNESS: Okay. Okay. All 7 yours. 8 MR. SEIDEN: Can you put the 9 sticker on top of where the exhibit is. 10 (Document is marked Exhibit P-5 for 11 identification.) 12 I am going to show you P-5. You Q. 13 actually gave it to me in response to my document demand. 14 15 Α. Okay. 16 Do you know what this document is? Ο. 17 Oh, from reading the first Α. sentence, yeah. 18 19 And you recall getting this Ο. 20 document? 21 If I gave it to you, I probably got Α. 22 it, yeah. 23 So the document is entitled, 0. "Notice of Service and Transfer." In parens it 24 25 says, "RESPA".

Page 73 1 Α. Yes. 2 Ο. "And Welcome To Home Loan 3 Servicing" -- or "Ocwen Home Loan Servicing, LLC". It says as of November 1, 2011, you 4 5 are going to be -- the loan is going to be serviced by Ocwen. And the letter itself is dated 6 October 14, 2011. 7 So let's draw October 14, 2011 as 8 9 the line in the sand when you got this letter. 10 Α. Okay. 11 And November 1, and those dates, is Ο. 12 that your gray area between October and November 13 when Litton stopped servicing and Ocwen started 14 servicing? 15 Α. My gray area is more than the date. 16 It's the information that had to be handed off 17 during the transfer. 18 Excuse me. 19 Is your -- are you saying that you Ο. 20 are -- the reason why you are not able to identify 21 whether it was an Ocwen issue or a Litton issue is 2.2 because you don't know what was given from Litton to 23 Ocwen? 24 Α. That's part of it, yes. 25 Q. What was going on -- because

Page 74 previously we only talked about 2009, maybe 1 2 beginning of 2011 -- what was going on in October of 2011 with your loan? 3 I don't remember. 4 Α. 5 Do you know if you were still Ο. trying to get a modification? 6 7 Α. No. By that time, it was too late. I had lost everything. 8 9 Ο. When -- just tell me what 10 "everything" is. 11 The business that I began working Δ 12 on building from working from my first 8-A firm, 8-A 13 firm as a teenager, and the business that I 14 incorporated in '86. 15 And I had finally earned federal 16 supply schedules. And everything began to crumble 17 after Litton took my money and didn't give me the modification. 18 19 What was happening in 2009 when 0. 20 your loan -- when you were having money troubles 21 with paying this loan? 2.2 Α. I didn't have money troubles paying 23 the loan. I looked at getting a loan as an 24 opportunity to adjust my capital and financial position so I would be better prepared to handle 25

Page 75 this first 20 million dollar contract that was 1 2 coming through. 3 Are you saying you weren't in Ο. default with Litton in 2009 when you first started 4 5 asking about the trial payments? When I first asked about getting a 6 Α. 7 modification, I was not in default. I only became in default when they 8 9 instructed me to become so, so that I would be 10 approved for the modification. So at the time of these first 11 Ο. 12 discussions in 2009, you could have just kept making 13 your normal --14 Α. I believe it was 2008, yes. 15 Q. Let me read you again paragraph 16. 16 It's "Veronica Williams", instead of "Defendant". 17 Paragraph 15. I am sorry. "In or about 2009, Veronica 18 19 Williams was delinguent in payment of residential 20 debt for unexpected and unavoidable reasons." 21 Yes, right. Α. 2.2 Ο. And then the next paragraphs talk about this July, August, September, 2009, where you 23 sent the checks and you said they sent them back and 24 you sent them again. 25

Page 76 1 So what precipitated that? What 2 was -- what was going on in early 2009? 3 Are you saying that there was nothing, that this was a strategic decision with 4 5 you, somebody with an MBA, hey, look, there's loan mods out there. Why don't I get a loan 6 modification? 7 They told me in order to get 8 Α. No. 9 this, you have to be late by three months. 10 So I was late by three months. 11 Other things probably were going on then. 12 I have to go back to my notes and 13 look. That was a difficult period. 14 But I do know I had other options. 15 I had a huge pay-off of uncollateralized debt, based 16 upon what Litton told me that year. 17 Once I believed they told me they 18 were going to do what I hoped they were going to do, 19 I could have gone on for two years. 20 What did you pay off? Q. 21 Like uncollateralized debts. Α. 2.2 Q. Credit cards and things like that? Not credit cards. 23 Α. 2.4 THE WITNESS: Oh, I can't ask a 25 question on what I can review?

Page 77 Yes, I will send you a document. 1 MR. SEIDEN: You can't ask Sal what 2 3 you can review. You just answer the question and if Sal objects to the 4 5 question --THE WITNESS: I have decided I have 6 7 a document that I can give you that details all of that to all of my creditors 8 9 and documents what was paid. 10 (There is a brief recess.) BY MR. SEIDEN 11 12 Ο. On page eight, paragraph 58, you 13 have a count -- this is count three for breach of 14 contract. It says, "On information and 15 16 belief, Litton was instructed to stop accepting 17 modification payments by the true owner of the loan." 18 19 What information and belief is 20 there? 21 I don't have that information. Α. 2.2 Q. Okay. You don't have it with you or you don't have any information to support that? 23 24 Α. I'm looking. 25 I heard what you read and it wasn't

Page 78 something that sounded familiar to me. 1 2 Which point is it on here? 3 Q. It's number 58. 4 Α. Okay. 5 I don't know. I'd have to go -- it 6 could be in documents that I saved and gave my 7 attorney. But I don't remember because I 8 9 don't know who -- I would think that Fremont is the 10 true owner of the loan. But I don't know -- I don't 11 know what the answer is. 12 The paragraph continues to read Q. 13 that, "Litton has claimed that the owner of the loan at a relevant time was HSBC as trustee for Fremont 14 15 Home Loan Trust 2006-C Mortgage Backed Certificates, 16 Series 2006-C." 17 I don't know if it's in information Α. 18 I gave to my attorney, but I don't know about -- I 19 don't know. I don't know about that statement. 20 But you wrote to HSBC? Q. 21 Α. Yes. 2.2 Q. And HSBC wrote you back and said what? 23 24 It's in the letter. That's one of Α. 25 the documents I am going to give you.

Page 79 1 Ο. But you summarized it for me 2 before, right? 3 Α. No. What I a gave you was my reaction to what I read. 4 5 Ο. Okay. Which was they put me off. But I 6 Α. 7 don't remember what they said. Okay. Maybe you could -- when you 8 Ο. 9 get us that letter, we will have more information 10 about paragraph 58. 11 Α. Okay. 12 Tell me about your emotion --Ο. 13 there's a count four on page nine, there is an intentional infliction of distress count. 14 15 Tell me the distress that you went 16 through from 2009 to today, and tell me which 17 defendants caused that. 18 The worst mental and reputational Α. 19 harassment or attacks I have ever experienced in life were from these defendants. 20 21 All of them played a role in it and 2.2 it's taken its toll on me. I don't -- I'm not going to go 23 through a lot of detail today because it will -- I 24 don't want my blood pressure to go up. 25

Page 80 1 Really, it angers me. Especially with -- it angers me. They did -- I can't imagine 2 anything else in my life -- I am 58 -- that took as 3 bitter a toll on me than what they have done to me. 4 5 Well, what -- what did Ocwen do 0. that makes you feel that way? 6 7 Continued to ask for the money and Α. continued to refuse to give me an transaction 8 9 history, even though I told them over and over that 10 what they are asking for is not accurate financials. 11 Are you saying you never got a Ο. 12 transaction history from this very day? 13 Α. From this very day, from day one to 14 this morning. You had asked -- I am sorry. 15 Q. Go 16 ahead. 17 Oh, I asked when I realized Fremont Α. 18 was going out of business or had gone out of 19 business -- that was in early January '08, '07, some 20 time around there -- I began asking Fremont -- and I 21 don't remember the dates -- but Fremont -- nobody 22 gave me a transaction history. 23 Who -- was Fremont also your Ο. 24 servicer? Were you paying Fremont directly? 25 Α. Initially, Fremont was being paid.

Page 81 1 Do you remember how long? 0. 2 Α. No, but I have some payments -- I 3 will give that to you. Okay. And you said -- you gave me 4 Ο. a general answer to my specific question about each 5 defendant with your distress. 6 7 Fremont Trust, which you described as a lot of this information being public on EDGAR, 8 9 what was their role? 10 They -- in my distress or in this Α. 11 process? 12 In your distress. Q. They supplied the money and 13 Α. 14 underwrote it. 15 They did things -- what I am seeing 16 now -- I have to go back and pull documents -- but I 17 think they falsified documents. 18 Can't prove it right now, but this 19 looks very clear to me that they did. I have to go 20 and gather information to prove it. 21 Ο. Okay. 2.2 But other things. They wouldn't Α. give me a transaction -- oh, the trust? I know, the 23 24 trust. 25 I'd have to think about it. Т

Page 82 1 don't know how to answer it right now. 2 Ο. Are you contesting your foreclosure action? 3 4 Α. Not on the -- not on the -- what's 5 the word? I don't know because they are --6 7 they didn't get paid, but they didn't get paid because of what they did to me. 8 9 So that makes me wonder if a 10 foreclosure is valid because they weren't 11 administering this according to the requirements as 12 set forth by the agencies that approved them to do 13 so. 14 So I'd have to give it some thought 15 to think about whether that's really valid, whether 16 they had the right to foreclose. I don't know. 17 If I told you that you did dispute Q. 18 the foreclosure and the investor -- the trust, HSBC 19 Bank, the Fremont Home Loan Trust 2006-C, 20 Mortgage-Backed Certificates, Series 2006-C was 21 granted summary judgment over your objections, would 2.2 that surprise you? 23 After Goldman had my original Α. complaint thrown out on a technicality problem by 24 the court, nothing surprises me. 25

Page 83 1 Okay. Are you prepared to -- for Q. 2 the possibility that you could lose your home 3 through the foreclosure process? I am prepared to go do whatever it 4 Α. 5 takes to make sure this doesn't happen to anybody 6 else. 7 Q. How does that relate to your --I don't care what happens to me. 8 Α. Ι 9 am prepared to go all the way to make sure that this 10 is known and what happened to me doesn't happen to 11 anybody else. 12 Q. Okay. 13 Α. Including whatever reparations I 14 can get. 15 MR. SEIDEN: Can you mark this, 16 please. 17 (Document is marked Exhibit P-6 for identification.) 18 19 Please look at P-6. Ο. 20 Do you recognize this document? 21 This looks familiar. Α. 2.2 Q. Okay. 23 Oh, I see a typo in it. Α. 24 0. What is this that we are looking at 25 here, P-6?

Page 84 A letter to Litton. 1 Α. And what's the date of the letter? 2 Ο. 3 Α. February 25. February 25, 2009, a letter to Mr. 4 Q. 5 Julius Connor, care of Litton Modification Department/Loss Mitigation Department, right? 6 7 Α. This looks like something I Yes. would have sent in February of 2008. But I'd have 8 9 to go back to my notes in my computer to look this 10 document up. 11 Does the electronic signature on Ο. 12 page two look like the electric signatures on that 13 loan modification we looked at, P-4? This would be an electronic 14 Α. 15 signature I would have used. But this would never 16 be on an agreement. 17 Q. Does this match P-4? 18 Not totally. I have more than one Α. 19 electronic signature. 20 Q. Okay. 21 But you can look at it and see it's Α. 2.2 not the same. 23 So what are you telling Litton in 0. this February 25, 2009 letter? 24 Again, I don't know that the date 25 Α.

Page 85 is correct. It could have been printed on there, 1 2 but not -- but the date could have been printed 3 wrong in the letter. I am saying that I have challenges 4 5 that are leading to unpaid bills, that this was my 6 plan for recovery. 7 Yes, especially when I say I'm delighted that Litton is -- especially when I read 8 that I'm delighted -- I'm reading from this 9 10 letter -- especially when I read that I am delighted 11 that Litton is willing to match the mortgage 12 refinance offer. 13 And I remember this because I had 14 just gotten this deal from Chase. 15 Q. On page two there's rental income 16 listed. 17 Α. Yes. 18 Was it another property that you Q. 19 were renting out? 20 Α. I have been renting rooms in my 21 house. I have had three different properties with 2.2 rental income. I don't know which one I was 23 referring to in this one. 24 In 2008 or 2009, did you own more Ο. 25 properties than just this property?

Page 86 1 Α. Yes. 2 Ο. Okay. So you are not -- and at the 3 same times, you were renting rooms out of this 4 property? 5 Probably. Α. Who would you rent rooms out to 6 Q. your house? 7 Students from Seton Hall. 8 Α. 9 Q. Is Seton Hall close to your house? 10 Yes. Α. 11 And do you still rent the property Ο. 12 out to students from time to time? 13 Α. No. 14 I'm considering -- I'm trying to 15 figure out what's going to happen with this before I 16 do that. 17 Okay. So the first page, Q. 18 "Unforeseen challenges lead to unpaid bills, five 19 surgeries, extended radiation treatments, extended 20 physical therapy after auto accident, lengthy 21 illness and death of father, loss of business 2.2 revenue and income" --Ah-huh. 23 Α. 24 Ο. -- you don't recall your loan being in default at this time? 25

Page 87 I don't. 1 Α. 2 Again, when I wrote -- when -- this 3 letter sounds like something I would have written in '08, not '09. And I don't remember which date led 4 5 to what. But I do know that I had more than 6 7 enough money to pay my mortgage. And that's why I sacrificed having people living with me, so that 8 9 there wouldn't be a problem with that. 10 MR. SEIDEN: Let's mark this. 11 (Document is marked Exhibit P-7 for 12 identification.) 13 Q. Do you recognize this document, P - 7?14 This looks familiar because this 15 Α. 16 was when they said keep paying us and we'll get this 17 thing processed. 18 I think that was -- I have to go 19 back and look at my notes, but it was -- I lost my 20 clearance and Litton foreclosed a month or -- weeks, 21 not more than two months -- weeks after they sent me 2.2 something in writing and said just get us the money and the information and we will make sure that this 23 24 modification is approved. 25 Q. In December of 2009, when you were

writing to Litton here, why aren't you saying I made 1 2 the three trial payments; what's going on? 3 Because they already got it. They Α. knew that they got them. 4 5 I -- again, I did what Litton told 6 me to do so they could process the paperwork for the modification. I never expected I wasn't going to 7 get it. 8 9 Ο. But this is around the winter time. 10 I gave them what they asked for, Α. 11 nothing more, nothing less. They didn't need to 12 know about the trial payments that they had just 13 signed for. 14 And I will send you the FedEx 15 document that shows that they received it. I have 16 to look at the dates, but these are -- that's what I 17 am remembering. 18 I don't remember what dates they --I'd have to look at the dates to see when they got 19 20 the payments, but I think it was right before this. 21 MR. SEIDEN: Here you go. 2.2 (Document is marked Exhibit P-8 for identification.) 23 Why don't you tell me what P-8 is. 24 Ο. A letter from Alan Dombrow, who was 25 Α.

with the Federal Reserve at that time, responding to 1 2 me. 3 And what did you ask the Federal 0. Reserve Bank of New York to do? 4 5 I'd have to go back to the letter Α. 6 that I wrote. But it was probably intervened 7 because of the problems I was having with Litton and Goldman. And I don't know if Ocwen was in the game 8 9 by then. 10 And what did Alan Dombrow tell you? Ο. 11 All this information that he got Α. 12 from somebody that wasn't accurate. 13 Ο. And what's not accurate? As of August 9, Litton had not 14 Α. 15 received any of the trial payments required for the 16 non-HAMP modification. 17 That's not exactly what it's Q. 18 saying, is it? 19 Why don't you take a second and 20 read paragraph two in full to yourself. 21 I was reading from paragraph three. Α. 2.2 Q. Yes. Don't skip two. 23 I was just answering your question. Α. 24 Ο. I said what did he say? I thought you said what did he say 25 Α.

1 that was not true. 2 Ο. Sorry. You're right. 3 So I was looking for the things Α. 4 that weren't true. 5 I can go back and look at paragraph two to see if it there is something that was not 6 7 true. 8 Ο. No, I am sorry. You're right. You want me to find more stuff in 9 Α. 10 here that's not true? 11 I wanted you to just look at what Ο. 12 is said in the second paragraph. 13 The letter says, "Litton provided 14 us with letters dated July 26, August 11, 2010 that provided a detailed history of your modification 15 16 requests. The letters Litton provided indicated 17 your that application for the HAMP could not be 18 accepted because your verified income was greater 19 than permitted when compared to the housing expenses 20 for which your responsible. 21 "When Litton processed your 2.2 application for the HAMP, your verified monthly 23 income to monthly housing expense payment ratio was 24 22 percent, below the 31 percent minimum needed to qualify a person for the HAMP. The income-housing 25

Page 91 ratio thresholds are from the HAMP guidelines 1 2 published by the Department of the Treasury." Ah-huh. 3 Α. So they are saying that Litton 4 Ο. 5 denied you for HAMP because you were making too much 6 money to qualify for HAMP. 7 Α. And your question? Do you dispute that? 8 Ο. 9 I'd have to go back to the Α. 10 documents. Remember, I had mentioned that 11 12 Litton had me provide many different financial 13 reports, cut different ways. 14 Ο. Okav. 15 Α. I don't know how they came up with 16 this percentage. I don't know which one they used. 17 Q. Okay. 18 And Litton made it clear to me that Α. if I didn't get HAMP, it didn't matter. They would 19 20 give it to me, anyway, if I made too much. 21 Paragraph three says, "Since you 0. 2.2 were not approved for HAMP, Litton agreed to review 23 your loan for an in-house modification. The process 24 for this non-HAMP modification required you to 25 resubmit a new application and enter into a new

Page 92 trial period pursuant to the notice Litton sent to 1 2 you on March 16, 2010." 3 You are throwing your hands up. Something wrong with that? 4 5 I don't remember that. Α. Ιt 6 doesn't -- I don't -- that doesn't necessarily, for 7 lack a better word, jibe with what I remember. MR. SEIDEN: So, let's take a 8 9 pause. 10 (There is a brief recess.) (Document is marked Exhibit P-9 for 11 12 identification.) 13 Ο. Do you recognize P-9? I don't remember. This sounds like 14 Α. 15 it could be possible. 16 But this was 2010. It didn't 17 It wasn't -- I think it didn't matter by matter. 18 this time because I had already lost everything. 19 They had already reneged on so many mods that I lost 20 the clearance. 21 I remember Litton coming back long 2.2 after everything was supposed to be done offering me 23 stuff. But all my income had been taken away by 24 that time because of what they did. 25 Q. So you didn't -- you wouldn't be

Page 93 1 able to make the trial payments anyway? 2 Α. No, because they took away my 3 income. And you had paid your -- what did 4 Q. you call it -- uncollateralized debt? 5 And my federal contract, my federal 6 Α. 7 supply schedule, 20-year supply schedule was canceled. 8 9 My -- oh, there's -- it's 10 documented. I am not going to go through it, 11 because it makes me upset. 12 But from December until that 13 summer, the shoe fell about four or five times because of what they did. 14 15 Q. I'm not purposefully upsetting you. 16 I know you are not. Α. 17 But we are at a deposition today Q. 18 where you have to tell me. It's not a strategy 19 session where you have to withhold information 20 because it would upset you. I am sorry about that. 21 If -- I would want you to answer as 2.2 long as Sal doesn't object. And all these references you make 23 24 to paper would be given to Sal and then to me. 25 Α. Absolutely.

Page 94

1 When you get this March 16, 2010 0. 2 congratulations letter -- because that's the first 3 word -- first payment due May, second payment due June, third payment due July, you are not paying 4 5 these because you don't want this at this point, what is done is done. 6 7 Because I could not pay it. Α. 8 Ο. Okay. Because by that time the federal 9 Α. 10 government withdrew the FEMA position that was going 11 to give me the past performance that was needed to 12 get the contract -- the task order that I was going 13 to get against my federal contract which I would be starting in around March. 14 And I checked with -- it took them 15 16 too late -- took too long to come back and say -- by 17 that time the federal security clearance people had 18 already been told that I had paid the money and the 19 modification was imminent in December, and then they foreclosed. So that made me look like a liar after 20 21 I had made sure that the money got there in time. 2.2 So I lost the clearance; I lost the FEMA job; I lost the federal contract. There might 23 have been other things that I lost. 24 25 I don't remember exactly what

Page 95 happened each time and the exact dates, but from 1 2 January after they cashed my last check for the next several months, I lost, I lost, I lost, I lost. 3 So how am I, in the financial 4 5 industry, a financial person, going to go back and say I want to handle your operations, your 6 7 financials, but I just lost a security clearance and I can't pay my mortgage? 8 I was dead in the water by that 9 10 point. 11 Ο. Okay. 12 Too little, too late. Α. 13 Ο. The Federal Reserve is telling you 14 that they reviewed you for HAMP; you didn't qualify. 15 Α. That's not true. 16 What's not true? Ο. 17 What you just said. Α. 18 Which part is not true? Q. 19 The whole thing. Α. 20 The letter says --Q. 21 Α. The letter says -- Federal Reserve 2.2 doesn't review me for HAMP. 23 The response from the Federal Ο. 24 Reserve says that Litton reviewed you. 25 Α. The response says Litton reviewed

Page 96 1 me. 2 Ο. And the letter from HAMP says, here 3 is a trial plan. That's not from HAMP. 4 Α. 5 P-9 -- P-8 says you were given an Ο. 6 in-house modification trial plan on March 16. So I 7 got the March 16 letter out and we made it P-9. So what is being said here is you 8 9 didn't qualify for HAMP, but they gave you this 10 option. And you are telling me it was too late, 11 right? 12 Let me correct you on one thing. Α. 13 Let me correct you by reading from P-8. The letter -- the letters Litton 14 15 provided indicated that "Your application for the 16 HAMP could not be accepted because your verified 17 income" -- Litton said that, not the Federal 18 Reserve. The Federal Reserve was rehashing what 19 Litton said. 20 So now that we have done that, that was -- I don't remember the dates. But this -- now 21 2.2 you are asking about this letter that says now we 23 want to offer you money. 2.4 That was after everything that I 25 had been working for for the past 40 years had been

Page 97 taken away because they lied about giving me the 1 2 modification when I was supposed to get it. And I went back to Homeland 3 Security and I wasn't going -- not only was I not 4 going to get the FEMA thing, they were taking away 5 my federal contract because of that. 6 7 So how am I going to get money? Now you have taken all my money; I have already paid 8 9 off my uncollateralized debt based on what was 10 supposed to have happened; you are taking all my 11 earning power away from me and it's going to take me 12 a long time to recoup that because you have 13 decimated my reputation upon which I built my 14 business and my career. 15 MR. SEIDEN: Let's take a break. 16 (Discussion off the record.) 17 (There is a brief recess.) 18 BY MR. SEIDEN 19 I want to go back to talk about one Ο. 20 of my very first questions. 21 Tell me what you do for work today. 2.2 Α. Right now I'm on disability. Ι 23 released -- I have used my mind as I can because I -- physically, I can't do very much. 24 25 So I released a book last fall. Т

Page 98 had a publisher publish a book last fall, 1 2 Leading-Edge Marketing. Like I said, I couldn't walk; I 3 couldn't talk on the phone. I can use a computer. 4 5 And what else do you do? Ο. I still -- right now, I'm doing 6 Α. 7 everything I can with my limitations to keep the business going to get positioned. 8 9 I may as well tell you this: Next 10 month I am a judge at the Securities Alliance that 11 St. John's University puts on. 12 I have been selected as a judge for 13 the International MBA Case Competition in other 14 countries. 15 I am trying to maintain 16 relationships and write articles and do things that 17 I can so that by the time I am physically healed, I 18 will be able to jump back in to doing my business, 19 not at the level I did before. 20 I can't rebuild that at 60, but I 21 plan to do something like that. 2.2 I might -- I don't know. Ιt 23 depends on what will be available. But I have been A consultant. 24 25 Q. I don't want to ask what you have

Page 99 1 been. 2 Does anyone give you checks or your 3 company checks? For what? 4 Α. 5 Anything. Ο. When I arbitrate a case. 6 Α. 7 That's --Ο. 8 Α. I know. I'm not trying -- I am 9 trying to be honest. When I arbitrate a case. 10 Ο. You hadn't told us on the record 11 that you were an arbitrator yet. That is what I was 12 getting at. 13 Α. Well, on the phone. The last time 14 I physically went to appear at an arbitration was in 15 the midst of all this, and that's when I realized 16 how sick I was. 17 I haven't done that yet, but the 18 FINN arbitrations are by phone. 19 So when they send me the little bit 20 of money, they send it, and it goes into my company 21 and it keeps things -- doing everything to keep that 22 going. And is being an arbitrator and 23 0. 24 selling a book your -- and your disability payment -- your only source of income? 25

Page 100 Yeah, right now, because I'm trying 1 Α. 2 to -- I would like to get another renter, but it 3 depends on what we do here. Is your physical injury from the 4 Ο. 5 car accident that was listed in the letter? 6 Α. No. 7 Q. What is your physical injury? What -- the health problem that I 8 Α. 9 am going through now is because of the stress from 10 this -- from this case. 11 What health problem? Ο. 12 Α. Hypertension. 13 Ο. Hypertension. And you have been going to doctors for hypertension? 14 I have several doctors that will 15 Α. 16 attest that the hypertension is because of this. 17 And you are getting the doctors' Q. 18 records to Sal for your responses? 19 I can get two current letters. Α. 20 I am talking to a doctor yesterday who said no problem -- because he said he knew I was 21 2.2 coming here -- I could see your tenseness just from 23 me trying -- he could see it from yesterday. 24 So I have one, two, three -- I 25 expect at least five doctors because you went back

Page 101 1 to DC. So I called my doctors in DC. 2 Ο. Your ailments are only related to 3 this --Yes, because I was -- I was healed. 4 Α. 5 I had the surgery. I had a knee replacement and a hip replacement in 2011. And nothing -- everything 6 7 was going well. I was pretty much all healed and 8 9 then something happened with this. And in 2012 -- I 10 think it was -- but in 2012, I was in the hospital 11 twice. 12 For what? Q. 13 Α. Hypertension, all stress-related. But 2012 isn't 2009, 2010 when --14 Ο. 15 No, it finally took hold of me. I Α. 16 was dealing with that all along, but it didn't put 17 me in the hospital until then. 18 I thought this would have been settled years ago. Remember, I filed against 19 20 Goldman and Litton when they wouldn't listen and 21 they got it thrown out. I have been trying to 2.2 resolve this for a long time. 23 They completely dismissed me. 2.4 Ο. So you are saying that you had hypertension in 2009 and 2009? 25

Page 102 1 Α. No. 2 Ο. No? What did you have in 2009 and 2010? 3 In '09 and '10, I had problems with 4 Α. 5 my knees. I had to do a lot of movement in putting together what I had to do to comply with this 6 modification. 7 I sold one house. I moved -- I was 8 9 maintaining two residences. I had to move twice to 10 try to deal with this. And it took its toll on my 11 knee and hip. And I finally had to get new ones in 12 2011. 13 And then hypertension. And then after that, everything should have been settled, 14 15 just listen so we can try to work something out so 16 it wouldn't have been dragged on for years. And 17 they didn't. 18 So by 2012 -- I didn't believe it 19 because my doctors helped me realize it -- that I 20 was dealing with it, I was doing it, but it was 21 taking a toll on me. 2.2 Ο. And as far as your -- we will call 23 it emotional distress -- everything -- there's 24 nothing else going on in your life from 2008 to today that has anything to do with that? 25

Page 103 Nothing affects me like this. 1 Α. 2 Nothing has affected me like this. 3 This has been a life's goal. This is what I -- I worked -- told you about it, you have 4 5 heard it already in the deposition, about how this -- my efforts have gotten where I had arrived 6 7 five, six years ago, started like 40 years ago. I made major achievements and it 8 9 was snatched right out from under me. 10 And besides hypertension, what else Ο. 11 have you been treated for by doctors? 12 MR. SANCHEZ: I am going to object 13 to the form. 14 You can answer. 15 Α. Yeah, I don't know that all of my 16 health history has to be put on the record based on 17 what you have done. 18 But I will tell you about the 19 hypertension that I have been treated for. And 20 that's been the problem. 21 Okay. So your complaint for 0. 2.2 emotional distress against all the defendants is 23 just hypertension? 2.4 I don't know if that's just limited Α. 25 to that.

Page 104 You have to know. 1 Ο. 2 Α. Why do I have to know? 3 Because your complaint -- it's your Q. complaint and I'm asking you today under oath what 4 5 else you have been treated for because of this situation. 6 7 I don't know if hypertension is a Α. broad enough term to encompass everything. I have 8 9 to ask the doctors. I can have my doctors better answer 10 11 that question than I. And that can happen. That's 12 not a problem. I have two letters. My doctors can 13 respond to that better than I can. 14 Just really being honest. 15 Ο. You have saved quite a bit of files 16 and you are going to get me more. 17 Are you the type of person that's 18 going to discard anything or is everything we are 19 going to get after the next time your attorneys give 20 me documents everything? 21 Everything that is relevant to this Α. 2.2 I keep all kinds of stuff. case. 23 Do you throw things away or do you Q. 24 keep --25 Α. Oh, you mean after I give it to

Page 105 1 him, do I have a copy? 2 Ο. No. 3 I don't understand your question. Α. My concern is this: Later, down on 4 Q. 5 the road, you say, oh, I have this document and you never gave it to Sal, so Sal couldn't give it to me. 6 7 What I am saying is if you give him everything, is there going to be more after that? 8 9 Α. I have to stop and think back. 10 The only thing I can think of now 11 that he hadn't gotten was my correspondence with the 12 SEC. 13 Ο. I can tell you you haven't produced 14 payments. I saw one photocopy that had two certified checks in it somewhere in that thousands 15 16 of payments. That was it. 17 That's before I began putting Α. 18 everything together for the interrogatories that we 19 haven't finished. I have given more payments. 20 There is also a document that I 21 gave to the Department of Justice, the Federal 2.2 Mortgage Working Fraud Group. I can give you that, too. I don't know if he has that. 23 24 I don't think he has that. Ο. 25 Yes, I can give him that. Α.

Page 106 That, and my correspondence with 1 2 the SEC are the two things that I can think of, you 3 know. Until you ask for something, I 4 5 don't think about whether I have it or whether it's relevant. 6 7 But those two documents I can think of, so I will get that to the -- and I'll get the 8 9 copy of what I gave to the Federal Mortgage Task 10 Group. 11 THE WITNESS: You will help me 12 remember, right? 13 MR. SANCHEZ: Yes. 14 THE WITNESS: I know you said yes. 15 But I am kind of tired, so I won't 16 remember it. 17 Do you still have a second mortgage Q. 18 on the property? 19 It's still out there. It hasn't Α. 20 been paid because I didn't get money. All my money 21 is gone. 2.2 Q. Did they ever -- this was with Chase? 23 24 Α. Yes. 25 Is it still with Chase? Q.

Page 107 1 Α. Yes. 2 Ο. Did they ever file their own foreclosure? 3 I don't know. 4 Α. 5 Did they ever attempt to collect? Ο. 6 Α. Oh, yes. 7 Q. Did they call you? I had a 25-year, excellent payment 8 Α. 9 history with Chase until this happened. 10 They gave me a fixed three-percent 11 They gave me a great deal. I should have rate. 12 gone with them, but --13 Ο. Why was the contract that you were 14 looking for from -- was it FEMA -- why was that 15 canceled? 16 Because I filed the security Α. 17 clearance and I got -- you can't work for FEMA 18 without a clearance, and you can't get a clearance 19 when you are behind on your mortgage, when you are 20 foreclosed on. 21 So I told the security -- I have a 2.2 letter that I had sent to the security -- I am sorry. I am sorry. 23 24 I have correspondence that I sent 25 to the federal clearance people that I have not

Page 108 given anyone because generally you can't release 1 information for -- from D-H-S-O-D-O-D without their 2 3 approval. So I didn't know if I should give 4 5 that to you. But I will send --6 Ο. You are supposed to ask your 7 attorney. They can line things out. Oh --8 Α. 9 They can file for protective Ο. They can do a lot of things. You have to 10 orders. 11 consult with your attorney. You can't make a 12 unilateral decision relevant to your damages. 13 Α. So, to answer your question, other 14 potential correspondence with me and the SEC about 15 this, me and the Federal Mortgage Fraud Task Group 16 about this, and the Security Clearance officials 17 about this. 18 So do you have a document in your Q. 19 possession from FEMA that says your contract is 20 canceled, you are in foreclosure, you are not 21 allowed to get a security clearance, or would that 2.2 come from someone else? 23 I have something from FEMA that Α. says -- they are more succinct. They say you have 24 25 been denied; we have to retract this job; you can't

Page 109 1 have this anymore. 2 Ο. Because? They don't say that. The federal 3 Α. government doesn't go on record saying that. 4 5 How are you supposed to know --Ο. People like me, doing that for many 6 Α. 7 years, it's very obvious. And the letter I got from the 8 9 Federal Clearance people outlined Litton, and I told them this is the modification; it's coming right 10 11 after I got my check. And then they foreclosed, so 12 it made me look like a liar. 13 Ο. And you can get those documents to Sal? And he'll decide how he should turn them over. 14 15 Α. Yes. 16 So you will be responding to the Ο. 17 interrogatories shortly? 18 I will be responding. We are Α. 19 working them out with one of the other attorneys 20 working on it. 21 I talk to Adam all the time. Ο. I 2.2 will talk to him about when we are going to get 23 those. 2.4 Α. Okay. 25 Q. Do you have any other outstanding

Page 110 judgments? Not "other". I shouldn't use the word 1 "other". 2 3 Do you have any outstanding 4 judgments? 5 Against me, not that I am aware, Α. other than the foreclosure. 6 7 It isn't a judgment? Q. Oh. 8 Α. 9 Q. No credit cards, besides the second 10 mortgage? 11 Oh, there was Capital One. I think Α. 12 they may have gotten a judgment against me for late 13 payment. But that was after. 14 I don't know if that's outstanding 15 or not. I have to check. 16 Because they also gave me something 17 in writing confirming they got the money. So, I don't know where that stands now. 18 19 And do you know about how much you Ο. 20 owe on the Chase second mortgage? 21 Give or take a hundred fifty Α. 2.2 thousand. 23 I could be off by -- I haven't looked at that since -- since Litton foreclosed, 24 25 because they reneged on the offer, so --

Page 111 Do you have any letters from Litton 1 Ο. that say you were denied a loan modification? 2 I don't remember. 3 Α. If I got anything from them, it was 4 5 when Noel Connolly said, don't worry. This will go through as soon as possible as I receive the checks 6 7 from you again. And I have -- we have already 8 0. 9 discussed how you will provide proof of any of these 10 payments to Litton. 11 Α. Yes. 12 Q. Do you have any receipt or any 13 evidence they applied the money? 14 I can show who signed for it Α. because I sent it Fedex to make sure if they weren't 15 16 doing it right that I would have proof. 17 What I am looking for is just the Q. 18 proof that the payments were made timely. And you 19 can do that by providing whatever you wish. 20 Α. Okay. 21 It's your recollection that there Ο. 2.2 were two -- were there two trial plan offers and 23 then -- or was there just one? 2.4 I don't know how Litton -- I don't Α. know how Litton did the paperwork. 25

Page 112 I know that in my understanding I 1 2 was trying to get a trial. They gave it to me. 3 They sent the checks back. They said, don't worry; we will get this through; just get us the checks. 4 5 So I don't know if they called -in doing that, they got me a second or third trial. 6 7 I don't know that. I just know that I expected a modification. 8 9 0. Okay. 10 And I don't know how many times Α. 11 they filed papers or did things. Especially after 12 seeing this. I don't know. 13 Ο. Seeing what? The two different -- two different 14 Α. loan notes within months of each other. 15 16 MR. SEIDEN: I think we are good. 17 (Discussion off the record.) 18 MR. SEIDEN: I spoke too soon. 19 CONTINUED DIRECT EXAMINATION BY MR. SEIDEN: 20 Just going to show you a couple Q. 21 more documents, just to -- just to see if you got 2.2 them and if they refresh any recollection. 23 Α. Okay. 2.4 (Discussion off the record.) 25 (Document is marked Exhibit P-10

Page 113 for identification.) 1 2 Ο. When was the FEMA contract canceled? 3 Within months after they foreclosed 4 Α. 5 after taking my checks. That doesn't help me. 6 Q. 7 I don't know the exact date. Α. It was in January -- not January. 8 Ο. 9 It was in 2010. 10 Α. I'm losing the dates and times. 11 All right. All right. Ο. 12 When did the check get received? Α. 13 When did I send the check to Litton? 14 I don't know that. Ο. 15 What I know is that when I gave you 16 the March 16, 2010, with what was the in-house modification, you said it was too late. 17 18 Α. Yes. So this is my guess, to the 19 best of my recollection. 20 That's what I want. Q. 21 I think I gave them the check Α. 2.2 November, 2009, because there was some document in here that said it had been extended to November. 23 2.4 So, then, in December the security people were saying we are about finished with your 25

Page 114 security clearance, just show us what's going on 1 2 with Litton. And I gave them that. Then Litton foreclosed. 3 Then Litton said give me another check in January so we 4 5 can reverse everything; we are done because it was a 6 mistake. 7 And, then, after that, every month something I lost. Like I lost the security 8 9 clearance; I lost the contract; I lost something 10 else. 11 So from -- that would be from 12 January until probably April there were major losses 13 that were irreversible. When you lose a clearance, 14 you hardly ever get one again. 15 Q. Okay. 16 And the federal contract took years Α. 17 to get. So that gives you an idea. 18 But the exact date, I don't 19 remember. But I can get that to you because I know 20 I had something that documents the times. 21 There are letters from all sorts of Ο. 2.2 times, and so it's, you know, important to have a time line. 23 2.4 Α. I know. 25 Q. You say the word "mistake". Did

Page 115 someone say that to you, the word "mistake"? 1 I don't remember. 2 Α. 3 And it's your opinion that it was a Q. mistake? 4 5 Α. Yes. And that what was the mistake? 6 Q. Well, I'm not sure if it was a 7 Α. mistake or deliberate. 8 What was a mistake or deliberate? 9 Q. 10 I don't know. What were you asking Α. 11 me about? 12 There has to be something you can Ο. 13 point to when you are saying that they said, we are 14 sorry; it was a mistake. 15 Α. Oh, you are talking about at the 16 end of the year when they got me to give them more 17 money. 18 Q. Okay. 19 Because I had already given them Α. 20 all the checks that were supposed to get that, and 21 they said -- then they foreclosed. 2.2 Then they said, get us another check and we can get all these papers through, 23 because I'm, like, you told me this; and maybe if I 24 can get this right away, I will be able to still get 25

Page 116 the clearance. 1 2 Ο. Right. So I sent them another check. 3 Α. Ι don't remember if it was one or two. But I know I 4 5 sent them another check. And I know it was cashed in January 6 7 because I found out from a friend who was an attorney that it's illegal to cash a check in New 8 9 Jersey after you foreclose. 10 That's why that stood out in my 11 mind. I don't know if that's true, again. I am 12 sorry. 13 MR. SEIDEN: Consult your attorney. 14 THE WITNESS: No, it wasn't you 15 They are not the first attorneys guys. 16 that I was speaking to about this. This 17 went on for years. 18 So did I answer your question. 19 MR. SEIDEN: Sort of. 20 Here's P-10. Q. 21 Do you know -- do you recognize 2.2 that document? 23 Α. I don't. This is from four years ago. If I gave it to you, I'll go back in my notes, 24 25 probably.

Page 117 1 You did not give it to me. Q. 2 Α. Okay. I don't remember. I don't see 3 this. 4 5 But, again, is this too late, this Ο. letter when it's explained to you everything that's 6 7 transpired? Yes, everything was lost by then. 8 Α. 9 I don't remember seeing this. I remember seeing, I think, 10 11 possibly this one. I remember them coming. 12 What --Q. 13 Α. I don't remember this. 14 P-9? Ο. 15 Α. P-9. 16 I remember them coming back after I 17 had lost everything saying, are you kidding, and 18 couldn't get it done by then because they had 19 already taken all the money. 20 So, anyhow, that was too late. I don't know that I remember seeing 21 2.2 this one from June. And this is so late that -this is three months later? 23 2.4 I don't remember that. But by that time I was already trying to figure out what I could 25

Page 118 do to fix this. And only thing I could think of 1 2 after awhile was to sue. 3 What can you tell me in terms of 0. 4 your damages? 5 How have you been harmed financially? 6 7 Α. I used to make money in a -- I made a strong six-figure salary. I haven't made that 8 since this happened. 9 10 What is a strong six-figure salary? Ο. 11 Well, it wasn't a million. It was Α. 12 between quarter of a million and half a million. 13 Q. And you made that for what years? 14 I have to go back and look it up. Α. 15 Q. Give me a round-about. 16 I have to go back. I can't do Α. 17 that, honestly. I will look it up and get it to 18 you, but really, honestly, I'd have to go back and 19 see what years. 20 I do know that I went from having a 21 good income to it just going -- drying up. 2.2 It couldn't have been past 2008, Ο. 23 could it have been? 24 Α. I doubt it because they foreclosed in 2009. It wasn't after I paid off all the 25

Page 119 uncollateralized -- what did I pay off? 1 I don't know. I don't know. 2 3 Because I made that huge pay off in '09. So I don't know. I'd have to go back and see. 4 5 How much did you pay off in '09? Ο. 6 Α. Oh, 70, 80,000. 7 Do you have any idea how delinquent Ο. 8 your loan was at that time? 9 Α. No, because they were giving me the 10 modification. 11 We had -- that's after I said, give 12 it to me in writing and then I'll send you the 13 check, that this will be done, and I'll FedEx it. 14 And so I didn't expect after they 15 gave it to me in writing that they wouldn't have 16 done what they said. 17 Do you think you were 70 or \$80,000 Q. behind? 18 19 No, I paid off -- I don't Α. 20 understand your question. I'm sorry. 21 Ο. So in 2008, a letter or there's 22 correspondence with Litton maybe at the beginning of 23 '09, late '08 that says -- it was '09, but you are 24 telling me the letter might have been '08, and you might have just had a typo. 25

Page 120 Remember that? 1 2 Α. Yes. 3 Where you explained to Litton you 0. were having difficulties. 4 5 If that's 2009, and the difficulties started in 2008, then you weren't 6 7 making a guarter million dollars or more in 2008. Keep in mind that I am not a W-28 Α. 9 employee. 10 Ο. Okay. 11 I can pay myself what I want to Α. 12 when I need to make it work financially for me. 13 Ο. Okay. But if you weren't making -strike that. 14 15 What was going to be your expected 16 revenue when you got the FEMA contract? 17 Α. Oh, once I got it? 18 Q. Yes. 19 Within a year I was going to close Α. a 20 million dollar contract that was pending. 20 21 Remember, I mentioned I was 2.2 selected by Homeland Security. 23 Twenty million dollars a year or Ο. 24 over a set period of years? 25 That would have been one of several Α.

Page 121 contracts and that would have been over probably 1 2 three years, if I remember correctly. 3 So you would get \$20 million over 0. 4 three years? 5 Α. That was the first. There would be 6 other contracts coming, too. 7 What else was there? Q. I'd have to go back and look at 8 Α. 9 that. 10 I did put together a projection 11 which showed what contracts and how much I would 12 make over what period of time as a result of finally 13 being selected by Homeland Security to be a preferred vendor, going in and meeting with 14 15 everybody, getting the FEMA contract so that I could 16 personally have past performance with the government 17 and personally have a clearance so I can get my 18 company a clearance. 19 So I have projections of all those 20 contracts. It's in a spreadsheet. I have to find 21 it and give it to you. 2.2 Ο. Were you guaranteed \$20 million or was it you had to wait for other people to hire you 23 and you projected it to be \$20 million? 24 25 It -- it doesn't work like that. Α.

Page 122 1 Nothing is guaranteed with the government but death 2 and taxes. So, then, how -- sorry. 3 0. The way it works is that you build 4 Α. 5 up a relationship; you build up credibility; you go to lots of meetings; you deliver proposals that show 6 you are capable of doing this; you show the 7 financial ability. 8 9 I had companies that were willing 10 to back me on \$50 million contracts. I have brought 11 in West Point graduate who was a mentor in one of my 12 meetings and he was actively with the company. 13 We did everything we needed to do 14 for a few years. And then I was one of two companies 15 16 to -- selected to go into private DHS meetings with 17 prime contractors and say these are the companies we 18 select; this is the company that you should look at 19 giving subcontracts to. 20 Once I did that and met with all 21 their major contractors -- because we had one-on-one 2.2 meetings with them all, with their prime 23 contractors. 2.4 And I was hand-selected by the Department of Homeland Security. I had to go 25

1 through a security evaluation to get into these 2 meetings. 3 Then people -- then I looked at -they knew I was on their radar. So now I was in a 4 5 position to be able to bid on it. But to be able to bid and win it, we wanted you to have current 6 7 experience with the agency. So the only way you can do that 8 9 without giving up your company, Miss Williams, is to 10 become a FEMA contractor because you go and you 11 accept cases, assignments when you are willing to do 12 it, and you can have other people in your company 13 work for you while you are doing this. 14 The moment you become a FEMA 15 contractor, you get your clearance. The moment you 16 get the offer, then they start the clearance 17 process. 18 I went down to -- this is too long. 19 Ο. Just answer. It's all right. 20 Got all my finger printing and that Α. 21 stuff, got the job offer from FEMA, and then I was 2.2 going through the security process, clearance, and 23 we had almost finished the clearance process when I 24 had to answer just a few questions. 25 And that's when Litton reneged on

Page 123

Page 124 the offer and I lost that. 1 2 So I forgot -- I was trying to give 3 you the whole answer, but I had -- getting me -making sure that I had an offer from FEMA would put 4 5 me in a position so that my company would be able to 6 earn a company clearance. 7 Ο. But doesn't it just put you in a position to be hired? It doesn't get you hired. 8 9 Α. Oh, it -- it depends on who you are 10 talking to. 11 Well, I'm talking to you. Ο. 12 I believe that after doing all of Α. 13 that, getting a task order is what you are calling 14 higher, but getting a task order on my contract that 15 already existed was imminent after I did these 16 steps. 17 So it's not like I am a lawyer and Q. 18 I call all these banks saying, I do bank work, hire 19 It's not like that? me? 20 Α. No. 21 When you are dealing with the 2.2 Department of Defense, of who I have had a 23 contract -- a task order with, and you are dealing with the Department of Homeland Securities -- I 24 don't know -- have you ever been a soldier or worked 25

Page 125 1 for --2 MR. SEIDEN: Off the record. (Discussion off the record.) 3 So to clarify my original question, 4 Q. 5 I wanted you to itemize the damages that you believe you suffered from all the defendants. 6 7 Α. Okay. So can you tell us what you 8 Ο. 9 expected or what you thought you would get, and 10 whether you have any proof of it, if everything 11 would have gone smoothly with your FEMA and 12 Department of Homeland Security clearances? 13 Α. Okay. That's easy. 14 I estimated that within a five-year 15 period I would have been awarded at least six 16 hundred million in contracts that would have lasted 17 over five to 15 years. 18 Okay. And that is company money, Q. six hundred million dollars to your company? 19 20 Yes. Α. 21 And how much of that would have Ο. 2.2 been a profit? 23 Generally, the profit is 15 to 25 Α. percent, depending on which task order I was given. 24 25 Yeah, that's without going into

Page 126

more detail. 1 2 Ο. And, then, my last question is can you break that down as to -- I'll use the word 3 "fault", whose fault would that be? 4 5 All your clients. I don't know how Α. to break it down any different than that. 6 7 But if Ocwen wasn't even servicing Ο. your loan, how could that been Ocwen's fault? 8 9 Α. I wouldn't have -- I could have 10 possibly recovered if Ocwen had not continued to try 11 and collect, and we could have tried to do this. 12 But it's less of Ocwen's fault on 13 that six hundred and some million -- I don't know 14 that I can quantify -- than anybody else. 15 Ο. In March Litton sends you -- of 16 2010 -- Litton sends you another deal, and you say, 17 too late; I can't do this. But Ocwen doesn't start 18 servicing this until 2011. 19 That's why I said what I just said. Α. 20 I'll ask again. Q. Besides not giving you a 21 2.2 transaction history and being your loan servicer, 23 what has Ocwen done to you? 2.4 MR. SANCHEZ: I will just object to 25 the form of the question.

Page 127 1 But go ahead. 2 I think I answered this about two Α. 3 hours ago. But -- but -- really, I am 4 5 remembering this. Remember, I said they kept calling 6 7 and kept asking without addressing any of my 8 questions. 9 It's like badgering. Doesn't 10 matter what you thought, just give us money. 11 So it was communication? Ο. 12 Α. Yes, asking -- communication that 13 asks for money that I didn't believe was due and they wouldn't even make the effort to work with me 14 15 on validating it. 16 MR. SEIDEN: I think we are good. 17 (Time noted: 2:30 p.m.) 18 19 000 20 21 2.2 23 24 25

#### 8000082616

In consideration of the mutual promises and agreements exchanged, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note and Security Instrument):

- As of NOVEMBER 1, 2007 , the amount payable under the Note and the Security 1. Instrument (the "Unpaid Principal Balance") is U.S. \$ 295,892.58 , consisting of the unpaid amount(s) loaned to Borrower by Lender plus any interest and other amounts capitalized.
- Borrower promises to pay the Unpaid Principal Balance, plus interest, to the order of Lender. 2. Interest will be charged on the Unpaid Principal Balance at the yearly rate of 7.250 %. from NOVEMBER 1, 2007 . Borrower promises to make monthly payments of principal and interest of U.S. \$ 2,050.60 , beginning on the 1ST day of DECEMBER, 2007 and continuing thereafter on the same day of each succeeding month until principal and interest are paid in full. The yearly rate of 7.250 % will remain in effect until principal and interest are paid in full. If on APRIL 01, 2036 (the "Maturity Date"), Borrower still owes amounts under the Note and the Security Instrument, as amended by this Agreement, Borrower will pay these amounts in full on the Maturity Date.
- 3. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by the Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by the Security Instrument without further notice of demand on Borrower.

- Borrower also will comply with all other covenants, agreements, and requirements of the Security 4. Instrument, including without limitation, Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that Borrower is obligated to make under the Security Instrument; however, the following terms and provisions are forever canceled, null and void, as of the date specified in paragraph No. 1 above:
  - all terms and provisions of the Note and Security Instrument (if any) providing for, (a) implementing, or relating to, any change or adjustment in the rate of interest payable under the Note, including, where applicable, the Timely Payment Rewards rate reduction, as described in paragraph 1 of the Timely Payment Rewards Addendum to Note and paragraph A.I. of the Timely Payment Rewards Rider. By executing this Agreement, Borrower waives any Timely Payment Rewards rate reduction to which Borrower may have otherwise been entitled; and
  - (b) all terms and provisions of any adjustable rate rider, or Timely Payment Rewards Rider, where applicable, or other instrument or document that is affixed to, wholly or partially incorporated into, or is part of, the Note or Security Instrument and that contains any such terms and provisions as those referred to in (a) above.

# DUPLICATE OF PREVIOUS PAGE WITH ATTACHMENTS

#### This motion should be granted because:

Have I made attempts to resolve this dispute? Indeed, I have tried long and hard enough. I first tried to get the defendants to honor their commitment in 2009. After many, many phone calls, letters and facsimiles with no attempt by the defendants to rectify their errors, I filed a legal complaint in 2010. After the defendants' attorneys nullified the complaint on a technicality, I tried again to reason with the defendants. After the stress of the defendants' actions caused me to be hospitalized 3 times (2012-2013), I retained a lawyer to represent me (2013). After the 6 law firms representing the defendants milked my support resources with damaging and unresponsive legal activity (2010-2015), I met with the lawyer who had been charged with representing all defendants. His offer was totally unreasonable and insulting for it was less than one hundredth of a percent \$20,000 of \$20,000,000 (0.001%) of what had been awarded to other plaintiffs who suffered far less than I. Moreover, it expected me to pay money to which the defendants were not entitled. After presenting an invalid form that I received from the defendants' attorney (Discovery Exhibit 53 – attached) when I appeared on our assigned court date Nov. 17, 2014, I was issued a default judgment.

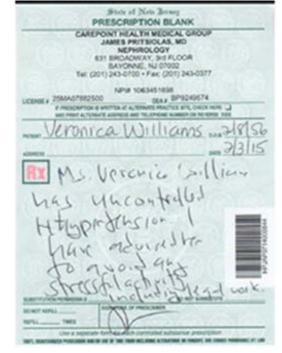

5 years is long enough. The defendants have had more than ample opportunity to seek a resolution in good faith. The stress of their actions persists (see attachment). I am exercising my right to have a jury of my peers determine the amount I am to be awarded. The defendants have failed to respond to correspondence sent since 2009 including a copy of this motion sent to their attorney.

### STRESS IMPOSED BY DEFENDANTS' – GLIMPSE OF RECENT IMPACT

The full impact will be presented by witnesses who have agreed to appear on my behalf.

# **MOTION FOR PROOF HEARING**

The Plaintiff would like a jury to determine compensatory and punitive damages.

No amount of money can compensate for the near death incidents and trauma that the defendants put me through. The defendants' actions inflicted severe injury in the Plaintiff warranting payment of the following damages:

| HURT TO PLAINTIFF   | DAMAGES             | DAMAGES |
|---|---------------------|---------|
| HURT TO PLAINTIFF   | INCURRED            | SOUGHT  |
| COMPENSATORY  | DOLLARS IN MILLIONS |         |
| Loss of ACT Inc. contracts  | \$279.2 M           | TBD     |
| • Loss of Employability in field of experience (\$1.8M [\$300k * 6 YRS- 2009-2015]) | \$2.1M              | TBD     |
| Stress Induced Severe Prolonged Illness   | \$500.0 M           | TBD     |
| PUNITIVE  | SEVERE              | TBD     |

Much of the proof is provided in the <u>Discovery</u> document filed with the court. Several witnesses will attest to injuries and proof documents are included. Recent validation from the Federal government is attached to this document.

#### LOSS OF ACT INC. CONTRACTS

I invested 40 years, and in recent years, hundreds of thousands of dollars, to position ACT Inc. for lucrative, multiyear Federal task orders. ACT Inc. had been awarded Federal Supply Schedules, was positioned with multiple Federal agencies, and the Plaintiff was offered a FEMA job that would have given her a security clearance and the US Dept. Homeland Security past performance necessary to close task orders against ACT Inc.'s Federal Supply Schedule. The defendants' reneged on the modification, causing everything to be lost. Details are provided in the Discovery document.

#### LOSS OF EMPLOYABILITY

As a financial, operations and information technology professional, the Plaintiff's ability to secure jobs depends on clean credit and no legal actions. While her record earned the Plaintiff and her firm contracts from major companies over her 35+ year career, she has been denied hundreds of jobs since the defendants' actions.

#### STRESS INDUCED SEVERE PROLONGED ILLNESS

Defendants began deceptive actions in 2002. Their deception intensified in 2008. Despite convincing the Plaintiff that new ownership by Goldman Sachs had cleaned up their act, the deception of all defendants grew immensely. The Plaintiff did not realize the impact that the defendants' actions had on her health until her doctors began asking more probing questions. Soon it was clear that the Plaintiff's symptoms were directly correlated to and the direct result of, continued deception and depraved actions of the defendants. Between September 2012 and January 2013, she was hospitalized 3 times for stress induced illness. Her team of doctors ran every conceivable test to prove this.

#### WHY HAVE DEFENDANTS SPENT MORE TO TAKE PLAINTIFF'S HOME THAN IT IS WORTH?

- The deception and fraud is clearly documented
- Dramatic decline in property value known to FEMA, HUD, HAMP, Ocwen and other defendants
- Hurricane Irene, Sandy, and poor maintenance warrant repairs that will exceed \$120,000
- Defendants fought with 6 law firms (Ex47: **PROOF**), plus investigators, insurance firms and other since 2010

#### BECAUSE.....

- Plaintiff's case exposes "in and out" mortgage fraud
- 28.9% of US homeowners have been foreclosed upon (There have been over 25 million foreclosures in the US since 2000.)
- New Jersey is #2 in foreclosures among US states
- HSBC is #2 bank in the world with assets of \$2.723Trillion
- Goldman Sachs is #28 bank in the world with assets of \$1.505Trillion
- \$263.7Million is what Ocwen paid Goldman Sachs for the Litton portfolio (app 300K loans ~ \$879 per loan?!)
- Value of mortgage portfolios involving HSBC likely to exceed \$100Billion Forbes; HSBC sold only \$3.2Billion in 2013 <u>Bloomberg & NYTimes & HousingWire</u>
- HSBC left the US after underwriting Billions in mortgages and facilitating foreclosures
- There are foreclosures pending that will allow HSBC to take even more money out of the US

#### SUMMARY OF WHAT HAPPENED

The first defendant (Litton Loan) purchased my mortgage when my equity was about three times the amount of the principal balance of my mortgage. Due to their predatory reputation, I refinanced with Fremont Investment and Loan to get it out of the hands of Litton Loan. Fremont Investment and Loan went out of business before rectifying their errors. Fremont's mortgage was part of the second defendant's trust, Fremont Home Loan Trust 2006-C Mortgage-Backed Certificates 2006-C. Fremont's mortgage had been underwritten by the third defendant (HSBC). Fremont would prove as deceptive as the other defendants but Fremont Investment and Loan went out of business before the legal complaint had been filed. A year after executing the mortgage, Fremont Investment and Loan, the company that sold me the mortgage, went out of business and the first defendant (Litton Loan) acquired my mortgage again. During this time the fourth defendant (Goldman Sachs), a prominent US based financial firm, bought the first defendant (Litton Loan). So rather than move my mortgage to a financial firm with whom I had a 25-year stellar track record and who offered me a lower rate (Chase), I decided to accept the modification from the first defendant (Litton Loan) who was now owned by the fourth defendant (Goldman Sachs). A series of mistruths and deception by all defendants cost me everything I've worked for over the last 53 years, and almost took my life several times. To make matters worse, the defendants holding the mortgage have repeatedly failed to explain \$208,000 that has been added to the mortgage principal since this series of transactions began. The evidence supporting this statement is presented over and over in the Discovery document submitted to the Superior Court of New Jersey (download click here) as well as in this motion (download click here).

# EXHIBIT A DEFENDANTS' POWER

There have been over 25 million foreclosures in the US since 2000. That is 28.9% of all homeowners!

Nearly 6 million Americans have been forced from their homes. Many were the victims of mortgage fraud. I too am one of these victims. I bought my home over 31 years ago. Now, I find myself fighting the firms that deceived me.

After 6 long years of deception, crafty legal maneuvers, and character assassination, I have won a default judgment and am seeking a proof hearing to determine damages.

This fight is about much, much more than saving my home. I have lost contracts, jobs and was hospitalized multiple times due to stress. I am "all in" to win my battle against HSBC, Goldman Sachs, Ocwen and those who have taken my income and health.

# *"IN SEARCH OF REPRESENTATION"* MESSAGE SENT TO ATTORNEYS

I am in search of a NJ attorney who is honest, courageous and has won fraud cases against financial firms.

On Monday, November 17, 2014, The Superior Court of New Jersey Essex County Vicinage Law Division granted me a default judgment against Goldman Sachs, HSBC Bank USA, Ocwen, Fremont Home Loan Trust (**Docket ESSX L – 004753-13**). The Discovery summary, with updates, is attached (1\_GoldmanSachs-Story\_v5-attorney-search.docx). You may click on the hyperlinks to see the proof as you read. Or, you can download the summary with all documents attached – 503 pages—by clicking on this link <u>http://finfix.org/proof/DD/Discovery-Documents ALL 11-18-</u>14.pdf. Additional information can be found at www.FinFix.org.

We need to schedule a proof hearing, file a motion to dismiss the foreclosure (**Docket F-00839-13**), file a motion to discharge mortgage, defeat an appeal (if necessary), and anything else the attorney advises me to do.

I can be reached by phone at 202-486-4565 or <u>VWilliams@OfficeThatWorks.com</u>. Please contact me at any time, as soon as possible. I look forward to speaking with whomever can help.

Thank you,

Veronica Williams

### **RELEVANT ACTIONS PRIOR TO DEFENDANTS DECEIVING PLAINTIFF**

Many actions transpired that created the environment for deceit and that embodies practices that results in conduct that is unfair to customers. The restructuring of long-established financial institutions; alliances with firms that do not employ best practices; and fast moving changes in ownership and a quick paced flow of funds combine to facilitate actions that do not properly record transactions and deceive customers. *The apparent strategy was to acquire mortgages of homeowners with high equity and do everything possible to take their homes.* At least 2 defendants admitted their roles publicly; this document interprets those admissions by finding pertinent data and connecting the dots. The environment and just a few of these actions are highlighted below:

Larry Litton Jr., Litton Loan's President, ran ads in major financial publications to boost the company's perceived value while internal operations were likely damaging customers' credit and adding unjust amounts to the loan principal. Litton Loan had systematic and systemic flaws in the firm's operations that damaged customers' financial positions and boosted Litton Loan's portfolio value. Larry Litton's ads were, therefore, a red herring that diverted attention away from the reason for trial modification *offers*, and focused on creating a positive public image and a perceived value for investors.

Goldman Sachs acquired a huge liability with the purchase of Litton Loan. Before transferring the Litton Loan portfolio to Ocwen, Goldman Sachs agreed to "remediate" the problem. Goldman Sachs' deal with the SEC was barely a slap on the wrist. Selling the Litton Loan portfolio to Ocwen diluted the impact of the problems temporarily while dispersing and transferring responsibility for deceiving customers to Ocwen. Creating a \$100 million fund is not enough. Every single mortgage that was once part of the Litton Loan portfolio should be discharged and written off. In other words, customers should no longer be held responsible for making any payments, now and forever more. Mortgages that were underwritten or serviced by HSBC may also need to be discharged. The defendants surely did to others what they did to me. The damage has been inflicted for years, across multiple mortgage servicing firms. The current owner of the mortgages owns the cost. The legal profession would call these damages incurred from "the fruit of the poisonous tree".

Enhance, which later was purchased by Radian Group Inc. (Radian), co-invested in C-BASS with MGIC Investment Corp. (MGIC) in July 1996 to form C-BASS LLC. MGIC and Radian each owned a 42% interest in C-BASS LLC, with the remainder owned by C-BASS senior management. Marine Midland Bank - Wikipedia, the free encyclopedia

# Marine Midland Bank

From Wikipedia, the free encyclopedia

Marine Midland Bank was a bank formerly headquartered in Buffalo with several hundred branches throughout the state of New York.

Marine Midland began in 1850 in Buffalo as the Marine Trust Company with the objective of financing the new shipping trade on the Great Lakes. As the bank expanded into New York state it added the Midland to its name.

In the summer of 1850, eight men gathered in Buffalo to form a new commercial bank. They had come from throughout the state—General James S. Wadsworth of Geneseo, J. P. Beekman of Kinderhook, John Arnot of Elmira, John Magee and Constant Cook of Bath, William R. Gwinn of Medina, and George Palmer and James M. Ganson of Buffalo. [Both Palmer and Wadsworth of Buffalo had railroad connections. The two had financial interests in and served as directors of the Attica and Hornell Railroad, while Palmer had links also with the Buffalo and State Line Railroad.] The geographic diversity of the men indicated that the plan was to extend eventually the bank's services across the state.

[By 1981] Marine Midland Bank N.A. accomplished that goal and has gone even further. It was the nation's 13th largest commercial bank with about 300 banking offices in more than New York communities and about 25 offices in foreign countries.

# History

Marine Bank was founded as a state-chartered bank on July 10, 1850, with capital of \$170,000. Palmer was elected president and Ganson was named cashier. Marine Midland Bank, N.A. (1980– 1999) Marine Midland Banks Inc (1929–1995) HSBC Americas (1995–1999)

The new institution was called Marine Bank because much of its early business depended on the economic vitality of the city's lakefronts and riverfronts. From the first day it opened its doors on August 27 at 79 Main Street, Marine was the prominent bank for the thriving grain and milling industry on the waterfront.

By the start of the 20th century, Marine Bank of Buffalo began to expand through merger. In 1897 it absorbed the American Exchange Bank and in 1902 it acquired the Buffalo Commercial Bank. That same year it became a national bank and changed its name to Marine National Bank of Buffalo.

Marine Midland Bank - Wikipedia, the free encyclopedia

The next acquisition came in 1913 when Marine absorbed Columbia National Bank. That same year, the bank built a new 17-story office building in Buffalo known as the Marine Midland Trust Company Building.

Six years later Bankers Trust was acquired. Marine chose to become a state bank again, this time under the name Marine Trust Company of Buffalo. By the mid-1930s, Marine had acquired eight other banks.

Marine had also taken the lead in the formation of Marine Midland Corporation, a holding company for affiliating 17 banks throughout New York. That first multibank holding company in the state was formed October 4, 1929.<sup>[1]</sup> 20 days later would be the Wall Street Crash of 1929.

As a result of 11 mergers throughout Western New York, Marine Trust Company became Marine Midland Trust Company of Western New York in the 1950s. The name was changed again in the 1960s to Marine Midland Trust Company of Western NewYork and again in 1970 to Marine Midland Bank-Western.

On January 1, 1976, all previously independent Marine Banks were merged into a single Marine Midland Bank with headquarters in Buffalo. The new bank was divided into regions, with Marine Midland Bank-Western Region based in Buffalo.

Marine Midland Bank became a national-chartered bank in early 1980. As it entered the 1980s, assets were close to \$20 billion.<sup>[2]</sup>

In 1980 The Hongkong and Shanghai Banking Corporation acquired a 51% shareholding in Marine Midland Bank, which it extended to full ownership in 1987. In 1994, Marine Midland acquired Spectrum Home Mortgage, which operated in eight states. Then in 1995, Marine acquired United Northern Federal Savings Bank, with branches in Watertown and Lowville, New York. Marine Midland also acquired The Hongkong and Shanghai Banking Corporation's six New York City retail branches, and the next year Hang Seng Bank's two branches in New York City. That same year, Marine Midland acquired 11 branches from the East River Savings Bank in the New York Metropolitan area. Marine also acquired the US dollar clearing business of J P Morgan. At the same time, HSBC transferred two branches in the northwestern United States to HSBC Bank Canada. The next year, Marine completed its acquisition of First Federal Savings and Loan from Toronto-based CT Financial Services, for \$620 million. First Federal Savings, headquartered in Rochester, had \$7.2 billion in assets, 1,600 employees, 79 retail branches in New York State and 15 mortgage origination offices in nine states.

In 1998, Marine Midland acquired First Commercial Bank of Philadelphia, which had been established in 1989 as the first state-chartered Asian-American bank in Pennsylvania. The bank served the local Asian community, which often faced language and cultural barriers at traditional American banks. Marine paid \$23.75 million for First Commercial, which had \$90 million in assets and \$78 million in deposits in two branches.

The bank continued to operate under the Marine Midland name until 1998, when the branch offices were rebranded as HSBC and the legal name changed to HSBC Bank USA N.A.. In 1983, Marine Midland Bank acquired Carroll McEntee & McGinley (now HSBC Securities (USA)), a New York-based primary dealer in US government securities. Most of Marine Midland's Upstate New York branches are now owned by Buffalo based First Niagara Bank.

Marine Midland Bank - Wikipedia, the free encyclopedia

Marine Midland owned, either wholly or in part, several prominent New York City properties, including 250 Park Avenue (100%) and the Marine Midland Building at 140 Broadway in Manhattan (indirect 20% participation in Harry Helmsley's interest), near the World Trade Center. Completed in 1967, this 52-story, 688 ft (209.7 m) highrise provides 1.2 million square feet (110,000 m<sup>2</sup>) of office space in lower Manhattan and is noted for Isamu Noguchi's distinctive *Cube* sculpture at its entrance.

Also of note, Marine Midland had purchased naming rights to the Buffalo sports and entertainment venue constructed in 1996, the Marine Midland Arena, home of the Buffalo Sabres. Today, the venue is known as the First Niagara Center.

# Marine Midland Bank

From Wikipedia, the free encyclopedia

1/18/2015

Marine Midland Bank was a bank formerly headquartered in Buffalo with several hundred branches throughout the state of New York.

Marine Midland began in 1850 in Buffalo as the Marine Trust Company with the objective of financing the new shipping trade on the Great Lakes. As the bank expanded into New York state it added the Midland to its name.

In the summer of 1850, eight men gathered in Buffalo to form a new commercial bank. They had come from throughout the state—General James S. Wadsworth of Geneseo, J. P. Beekman of Kinderhook, John Arnot of Elmira, John Magee and Constant Cook of Bath, William R. Gwinn of Medina, and George Palmer and James M. Ganson of Buffalo. [Both Palmer and Wadsworth of Buffalo had railroad connections. The two had financial interests in and served as directors of the Attica and Hornell Railroad, while Palmer had links also with the Buffalo and State Line Railroad.] The geographic diversity of the men indicated that the plan was to extend eventually the bank's services across the state.

[By 1981] Marine Midland Bank N.A. accomplished that goal and has gone even further. It was the nation's 13th largest commercial bank with about 300 banking offices in more than New York communities and about 25 offices in foreign countries.

# History

Marine Bank was founded as a state-chartered bank on July 10, 1850, with capital of \$170,000. Palmer was elected president and Ganson was named cashier. Marine Midland Bank, N.A. (1980– 1999) Marine Midland Banks Inc (1929–1995) HSBC Americas (1995–1999)

The new institution was called Marine Bank because much of its early business depended on the economic vitality of the city's lakefronts and riverfronts. From the first day it opened its doors on August 27 at 79 Main Street, Marine was the prominent bank for the thriving grain and milling industry on the waterfront.

By the start of the 20th century, Marine Bank of Buffalo began to expand through merger. In 1897 it absorbed the American Exchange Bank and in 1902 it acquired the Buffalo Commercial Bank. That same year it became a national bank and changed its name to Marine National Bank of Buffalo.

To the Partners of Litton Loan Servicing LP:

We have examined management's assertion about Litton Loan Servicing LP's (the "Company") compliance with the minimum servicing standards identified in the Mortgage Bankers Association of America's Uniform Single Attestation Program for Mortgage Bankers as of and for the year ended December 31, 2000, included in the accompanying management assertion. Management is responsible for the Company's compliance with those minimum servicing standards. Our responsibility is to express an opinion on management's assertion about the Company's compliance based on our examination.

Our examination was made in accordance with standards established by the American Institute of Certified Pubic Accountants and, accordingly, included examining, on a test basis, evidence about the Company's compliance with minimum servicing standards and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination of the Company's compliance with the minimum servicing standards.

In our opinion, management's assertion that the Company complied with the aforementioned minimum servicing standards as of and for the year ended December 31, 2000 is fairly stated, in all material respects.

# C-Bass Founder Has New Gig at Fortress

#### BY MARC HOCHSTEIN

Tony Ettinger, who in the 1990s helped start two specialists in distressed consumer loans, has joined the New York private equity firm Fortress Investment Group LLC as a managing director in charge of forming joint ventures.

As American Banker reported in April, Mr. Ettinger had been hunting private equity capital to build a servicer that would specialize in identifying borrowers in trouble and working out a modification or repayment plan for them before they default.

In an interview Wednesday, he said he had received "a flurry of interest" in the idea, and the project may yet come to fruition. He is "trying to sort it through right now," he said, and to figure out what makes sense for Fortress and how to deal fairly with the handful of employees at Credit-Based Capital, the Chappaqua, N.Y., firm he started in Angust of last year.

Mr. Ettinger, 49, said he got a phone call a couple of weeks ago from Peter L. Briger Jr., one of the principals at Fortress, who suggested that instead of "doing one deal for yourself, come

here and do a bunch of them. He made it attractive, and the next day I joined."

Fortress, which manages \$21 billion of investments, was part of the consortium that bought the manufactured housing finance operations of Conseco Inc. for \$850 million in 2003. This year a Fortress-managed fund agreed to buy the Dallas home builder Centex Corp.'s nonprime lending unit for \$575 million. The lender will be renamed Nationstar Mortgage LLC when the deal closes, which is expected to happen this summer. In 1996, Mr. Ettinger founded C-Bass LLC with veterans of Citicorp Securities' mortgage trading desk. The bond insurer Enhance Financial Services Group Inc., where Mr. Ettinger was an executive vice president, put up half the capital; the Milwaukee mortgage insurer MGIC Investment Corp. put up the other half.

C-Bass, based in New York, buys and securitizes subprime and nonperforming loans and services them through its Houston unit Litton Loan Servicing LP.

Two years later Mr. Ettinger set up another New York joint venture between Enhance and MGIC: Sherman Financial Group, which buys unsecured consumer debt such as charged-off credit card and Chapter 13 bankruptcy receivables. Radian Group Inc. of Philadelphia bought Enhance in 2001, and Mr. Ettinger retired.

In 2003 he joined Maple Financial Group Inc., an \$18 billion-asset company based in Toronto, where he ran the commercial finance business.

He said the investments he works on for Fortress will involve "a full array of assets that are attractive from a riskreturn perspective" — both consumer and commercial.

# **Profile by Standard & Poors**

Founded in 1988 by its current director, Larry Litton Sr., the company initially serviced prime mortgage loans and eventually migrated to distressed assets for the Resolution Trust Corp. (RTC). Applying the significant amount of expertise gained through these RTC contracts, management decided to focus its future business efforts on resolving seriously delinquent mortgages. In 1996, Litton was added to a newly formed investment company, C-BASS, as part of an initial investment made by Enhance Financial Services, its owner at the time. Enhance, which later was purchased by Radian Group Inc. (Radian), co-invested in C-BASS with MGIC Investment Corp. (MGIC) in July 1996 to form C-BASS LLC. MGIC and Radian each owned a 42% interest in C-BASS LLC, with the remainder owned by C-BASS senior management. C-BASS was a large purchaser of credit-sensitive assets, which consisted primarily of subprime mortgages. As an outgrowth of this strategy, Litton began servicing subprime accounts in 1998. Due to liquidity pressures, C-BASS LLC sold Litton to Goldman Sachs Group Inc. in December 2007. Previously, Litton was a division of the parent's industrial bank chartered in Utah, but it was realigned to become a division of Goldman Sachs Bank USA (GS Bank), which is state-chartered in New York. Management reports to an operational reporting committee of the bank. http://www.standardandpoors.com/ratings/articles/en/us/%3FassetID%3D1245205476943 Publication date: 27-Jan-2010 11:00:04 EST

#### 

THE COMPANY

#### GENERAL

The Company is a financial services company which is primarily engaged in the acquisition and resolution of troubled loans and in diverse mortgage lending activities. The activities of the Company are primarily conducted through Berkeley Federal Bank & Trust FSB (the "Bank"), a federally-chartered savings bank and a wholly-owned subsidiary of the Company. At March 31, 1996, the Company had \$1.9 billion of total assets and stockholders' equity of \$142.1 million.

The Company's business strategy focuses on the identification and development of selected business lines that provide the highest return consistent with prudent risk management. This strategy has resulted in significant profitability in recent years. Exclusive of gains from the sale of branch offices and related income taxes and profit sharing expense, the

Company's income from continuing operations before extraordinary gain and cumulative effect of a change in accounting principle resulted in returns on average assets of 2.00%, 1.40% and 2.37% during 1995, 1994 and 1993, respectively, and returns on average equity of 25.02%, 20.06% and 27.89% during the same respective periods.

#### 

#### BUSINESS ACTIVITIES

DISCOUNTED LOAN ACQUISITION AND RESOLUTION ACTIVITIES. The Company has established a core expertise in the acquisition and resolution of non-performing or underperforming single-family residential, multi-family residential and commercial real estate loans, which generally are purchased at a discount to both the unpaid principal amount of the loan and the estimated value of the security property ("discounted loans"). The Company acquires discounted loans from a wide variety of sources, which in recent years have been primarily from the private sector and, to a lesser extent, governmental agencies. The Company believes that its experience in the acquisition and resolution of discounted loans, its investment in a state-of-the-art computer infrastructure and related technology which is utilized in this business and its national reputation and nationwide presence in this area make it one of the leaders in this relatively new and evolving business. Between commencing these activities in mid-1991 and March 31, 1996, the Company acquired over \$2.3 billion of gross principal amount of discounted loans, including \$791.2 million and \$826.4 million during 1995 and Recently, the Company formed a joint venture with an 1994, respectively. institutional investor that successfully bid to acquire \$679.3 million gross principal amount of discounted single-family residential loans (net of concurrent sales of loans) from the Federal Housing Administration ("FHA") of the U.S. Department of Housing and Urban Development ("HUD"), which was consummated in April 1996. At March 31, 1996, the Company's discounted loan portfolio amounted to \$606.4 million, net of \$239.8 million of unaccreted discount and an \$8.2 million allowance for loan losses, or 32.2% of the Company's total assets.

#### 

SINGLE-FAMILY RESIDENTIAL LENDING ACTIVITIES. During 1995, the Company established a program which focuses on the origination or purchase on a nationwide basis of single-family residential loans made to <mark>borrowers who have</mark> substantial equity in the properties which secure the loans but who, because of prior credit problems, the absence of a credit history or other factors, are unable or unwilling to qualify as borrowers from traditional sources. The Company utilizes the expertise, technology and other resources which it has developed in connection with the acquisition and resolution of discounted loans in conducting these activities, and believes that the higher risk of default generally associated with these loans, as compared to loans which conform to the requirements established by federal agencies, is more than offset by the higher yields on these loans and the higher amount of equity which the borrowers have in the properties which secure these loans. The Company acquired \$70.2 million of single-family residential loans to non-conforming borrowers during the three months ended March 31, 1996 and \$240.3 million of such loans during 1995, \$158.6 million of which was acquired during the last half of the year. The Company classifies its single-family residential loans to non-conforming borrowers as available for sale because it generally intends to sell such loans or to securitize such loans and sell substantially all of the securities backed by such loans. During the three months ended March 31, 1996, the Company sold \$62.0 million of such loans for a pre-tax gain of \$901,000, and in April 1996 the Company entered into commitments to sell an additional \$88.4 million of such loans. At March 31, 1996, the Company's single-family residential loans to nonconforming borrowers amounted to \$208.7 million or 11.1% of the Company's total assets.

#### THE CORPORATION

HSBC Americas, Inc. (the "Corporation"), formerly Marine Midland Banks, Inc., is a New York State based bank holding company registered under the Bank Holding Company Act of 1956, as amended. At March 31, 1996, the Corporation, together with its subsidiaries, had assets of \$21.6 billion and employed approximately 8,300 full and part time employees.

All of the Corporation's common stock is owned by HSBC Holdings B.V., an indirect wholly owned subsidiary of HSBC Holdings plc ("HSBC"). HSBC, with assets of \$352 billion at December 31, 1995 and net income of approximately \$3.9 billion for the year ended December 31, 1995, is one of the world's largest banking groups. HSBC, the ultimate parent company of The Hongkong and Shanghai Banking Corporation Limited and Midland Bank plc, is an international banking and financial services organization with major commercial and investment banking franchises operating under long established names in Asia, Europe, North America and the Middle East. Principal executive offices of HSBC are located in London.

The Corporation's principal subsidiary, Marine Midland Bank (the "Bank"), which had assets of \$21.4 billion and deposits of \$16.9 billion at March 31, 1996, is supervised and routinely examined by the Superintendent of Banks of the State of New York and the Board of Governors of the Federal Reserve System (the "Board of Governors"). The Bank is a regional bank with a distinctive geographic franchise encompassing the entire State of New York. Selected banking products are offered on a national basis. The Bank is engaged in a general commercial banking business, offering a full range of banking products and services to corporations, institutions, governments and individuals. Through its affiliation with HSBC, the Bank offers its customers access to global markets and services. In turn, the Bank plays a role in the delivery and processing of other HSBC products.

The Corporation's reported results are consolidated with Concord Leasing, Inc. ("Concord") and Oleifera Investments, Ltd. ("Oleifera"). Concord, which provides equipment financing through secured loan and finance lease transactions, had assets of \$1.5 billion at December 31, 1994. Concord was merged with the Corporation on January 1, 1995 through the contribution of Concord's outstanding common stock held by HSBC Holdings, B.V. to the Corporation. The merger transaction was accounted for as a transfer of assets between companies under common control, with the assets and liabilities of Concord combined with those of the Corporation at their historical carrying values. Oleifera had assets of \$183 million at December 31, 1995. The assets of Oleifera were transferred to the Corporation on January 1, 1996 through a transaction involving the contribution of common stock held by HSBC Holdings, B.V. to the Corporation. The transaction was

accounted for as a transfer of assets between companies under common control. The Corporation's consolidated financial statements set forth in the June 5th 8-K reflect a restatement of all prior periods to include the accounts and results of operations of Oleifera as though the transaction occurred as of the beginning of the earliest period presented.

Item 1. Change in Control of Registrant.

<PAGE>

Effective at 12:00 noon on December 31, 1999, RNYC Merger Corporation, a Maryland corporation ("Merger Sub"), merged (the "Acquisition Merger") with and into Republic New York Corporation, a Maryland corporation ("Registrant") pursuant to a Transaction Agreement and Plan of Merger, dated as of May 10, 1999, as amended as of November 8, 1999 by and among HSBC Holdings plc, an English public limited company ("HSBC"), Merger Sub, Registrant and Safra Republic Holdings S.A. (the "Merger Agreement"). Merger Sub was a direct wholly owned subsidiary of HSBC North America Inc., a Delaware corporation ("HSBC NA"), and an indirect wholly owned subsidiary of HSBC.

Pursuant to the Merger Agreement, each outstanding share of common stock, par value \$5.00 per share of Registrant ("Registrant Common Stock"), was cancelled and converted solely into the right to receive \$72.00 in cash, without interest thereon. Also pursuant to the Merger Agreement, each (a) share of Registrant's Dutch Auction Rate Transferable Securities Preferred Stock, Series A (the "Republic Series A DART Preferred Stock"), (b) share of Registrant's Dutch Auction Rate Transferable Securities Preferred Stock, Series B (the "Republic Series B DART Preferred Stock"), (c) Depositary Share representing a one-fourth interest in a share of Registrant's Adjustable Rate Cumulative Preferred Stock, Series D (the "Republic Series D Preferred Stock"), (d) share of Registrant's \$1.8125 Cumulative Preferred Stock (the "Republic \$1.8125 Preferred Stock"), and (e) share of Registrant's \$2.8575 Cumulative Preferred Stock (the "Republic \$2.8575 Preferred Stock") remained unchanged as an issued and outstanding share of preferred stock of the same respective series of Registrant following the effective time of the Acquisition Merger. In addition, Registrant's 8 3/8% Debentures due 2007 (the "Republic 8 3/8% Debentures") remained unchanged as issued and outstanding publicly-held debt of the Registrant. Pursuant to the Merger Agreement, each share of common stock, par value \$0.01 per share, of Merger Sub was converted into one share of Registrant Common Stock. As a result, 100% of the Registrant Common Stock is owned directly by HSBC NA and indirectly by HSBC and Registrant became a subsidiary of HSBC NA and an indirect subsidiary of HSBC.

The Registrant's Proxy Statement filed on Schedule 14A, which was first mailed to stockholders of Registrant on or about August 9, 1999 (the "Proxy Statement"), and Registrant's Supplement to Proxy Statement filed as Definitive

Additional Materials on Schedule 14A, which was first mailed to stockholders of Registrant on or about November 10, 1999 (the "Supplement"), set forth certain information regarding HSBC; the amount of consideration used by HSBC; the date and a description of the Acquisition Merger.

HSBC NA obtained funds to pay holders of Registrant Common Stock from capital contributions and debt financing provided by HSBC and certain of HSBC's non-U.S. subsidiaries.

A copy of the press release announcing the closing of the Acquisition Merger and the Holding Company Merger (as defined below) is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.

#### Item 2. Acquisition or Disposition of Assets.

Effective at 12:15 p.m. on December 31, 1999, HSBC USA Inc., a Delaware corporation, a direct subsidiary of HSBC NA, and an indirect wholly owned subsidiary of HSBC ("Old HSBC USA"), merged with and into Registrant (the "Holding Company Merger"). In the Holding Company Merger, each issued and outstanding share of Registrant Common Stock, Republic Series A DART Preferred Stock, Republic Series B DART Preferred Stock, Republic Series D Preferred Stock, Republic \$1.8125 Preferred Stock and Republic \$2.8575 Preferred Stock issued and outstanding immediately prior to the Effective Time remained unchanged as an issued and outstanding share of Registrant Common Stock or preferred stock of the same respective series of the Registrant, respectively. In addition, the Republic 8 3/8% Debentures remained unchanged as issued and outstanding publicly-held debt of the Registrant.

Also pursuant to the Holding Company Merger, all of the shares of common stock, par value \$5.00 per share, of Old HSBC USA were converted into an aggregate of one share of Registrant Common Stock and each share of Series X Preferred Stock, without par value, of Old HSBC USA was converted into one share of Series X Preferred Stock, no par value, of Registrant.

A copy of the press release announcing the closing of the Acquisition Merger and the Holding Company Merger is filed as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated by reference herein.

The Acquisition Merger will be treated for accounting purposes as a purchase of Registrant by HSBC NA, the sole common shareholder of Old HSBC USA prior to the Holding Company Merger. As a result, the historic balance sheet of Registrant is required to be restated at fair value as of December 31, 1999.

The Holding Company Merger will be treated for accounting purposes as an "as if" pooling of interests between Old HSBC USA and Registrant, as successor in the Acquisition Merger. As a result, the Quarterly Report on Form 10-Q filed by Registrant for the period ended September 30, 1999 was the last report filed by Registrant reflecting the historic financial position of Republic New York Corporation. From and after December 31, 1999, the financial statements filed by Registrant with the Securities and Exchange Commission will present the historic financial position of Old HSBC USA.

A description of the assets of Republic New York Corporation may be found in Registrant's Annual Report on Form 10-K for the year ended December 31, 1998, which is incorporated by reference herein.

Item 5. Other Events.

On January 3, 2000, Registrant filed an Amendment to its charter to change its name to "HSBC USA Inc."

HSBC COMPLETES THE ACQUISITION OF REPUBLIC NEW YORK CORPORATION AND SRH

#### 31 DECEMBER 1999

HSBC Holdings plc ("HSBC") completed the acquisition of Republic New York Corporation ("RNYC") and Safra Republic Holdings S.A. ("SRH") at 12.00 noon Eastern Standard Time in New York on 31 December 1999. Following the acquisition, RNYC merged with HSBC USA Inc., HSBC's New York-based US bank holding company. The combined entity will be named HSBC USA Inc..

HSBC Bank USA and Republic National Bank of New York are the principal operating subsidiaries of HSBC USA Inc. and RNYC respectively. After close of business on 31 December 1999, Republic National Bank of New York will convert to a New York state-chartered bank and will then merge with HSBC Bank USA. The newly merged bank will be named HSBC Bank USA.

Simultaneously with the completion of the RNYC acquisition, HSBC Holdings plc accepted for payment 36,254,767 shares of SRH common stock tendered to it by 17.00hrs Central European Time on 29 December 1999. The shares tendered together with the shares already owned by subsidiaries of RNYC represent approximately

99.38 per cent of SRH's issued and outstanding common stock.

Holders of RNYC common stock will receive US\$72.00 cash per share. A letter of transmittal will be posted to shareholders in early January to enable them to surrender stock certificates in return for payment by cheque. Holders of SRH common stock who tendered their shares properly will receive either US\$72 cash per share or loan notes if they have elected to do so.

Payment to common stockholders of RNYC will be made from 7 January 2000 and common stockholders of SRH who tendered their shares properly will be paid or have loan notes issued to them on 10 January 2000. RNYC and HSBC USA Inc. preferred stock and publicly-held debt remain outstanding as preferred stock and publicly-held debt of HSBC USA Inc..

RNYC's common stock will be de-listed from the New York and London stock exchanges. It is HSBC Holdings plc's intention to de-list SRH common stock from the Luxembourg and Swiss stock exchanges.

HSBC has extended the tender period for holders of SRH common stock until 31 January 2000. This allows stockholders who have not tendered, or not properly tendered, their shares an additional opportunity to do so. Details of this extended tender period will be published in the LUXEMBURGER WORT, LE TEMPS and NEUE ZUERCHER ZEITUNG on 7 January 2000.

The acquisitions represent a major step forward for HSBC towards achieving three strategic objectives. The deal:

- doubles HSBC's private banking business to approximately 55,000 international private banking clients with over US\$120 billion of client funds under management.
- extends HSBC's US domestic, personal and commercial banking business. The combined operations will have the third largest branch network in New York State with 455 branches serving more than two million customers.
- enhances HSBC's global markets business in treasury and foreign exchange and the addition of world leading businesses in banknotes and bullion.

Sir John Bond, Group Chairman of HSBC Holdings plc, said: "We are delighted to have completed the acquisitions of RNYC and SRH. The fit with HSBC's businesses and strategy is extraordinarily good. The task before us now is to integrate our operations and make them seamless for our customers.

"While we are extremely sad to be moving forward without Edmond Safra, merging our organisations and maintaining the highest standards of integrity and customer service will be the best way of honouring his memory."

News Release

#### Radian to Acquire Enhance Financial in a \$640 Million Stock-for-Stock Transaction

PHILADELPHIA and NEW YORK, Nov. 14 /PRNewswire/ -- Radian Group Inc., Philadelphia (NYSE: RDN), today announced a definitive agreement to acquire Enhance Financial Services Group Inc., New York City (NYSE: EFS), in an allstock transaction.

The transaction, which has been approved by the boards of directors of both companies, calls for Enhance Financial stockholders to receive .22 shares of Radian common stock for each share of Enhance Financial common stock. Based on Radian's closing price of \$64.19 on November 13, 2000, this represents \$540 million in the aggregate.

The transaction, which is expected to close in the first quarter of 2001, is subject to various regulatory approvals, as well as the approval of Radian and Enhance Financial stockholders and certain other conditions. It will be treated as a purchase for accounting purposes, and is anticipated to qualify as a tax-free reorganization for federal income tax purposes. The transaction is expected to be immediately accretive to Radian's earnings per share.

The acquisition will further expand the scope of Radian Group's activities beyond its core business – primary mortgage insurance – into the broader areas of financial guaranty insurance and reinsurance. Enhance Financial's primary businesses insure or reinsure municipal and asset-backed obligations, trade credit and other credit-related businesses.

Commenting on the transaction, Radian Chairman and Chief Executive Officer Frank P. Filipps said: "This transaction accelerates Radian's long-term, strategic plan to diversify across the credit enhancement spectrum. It leverages our company's expertise in credit and risk management, and will create new options for Radian clients seeking the most costeffective credit enhancements and financial products.

"Enhance Financial's clients, which include some of the nation's largest corporate and municipal bond insurers, investment banks and issuers, will benefit from Radian's stronger balance sheet and our deep understanding of, and commitment to, the financial guaranty business."

"Enhance Financial recently announced a strategic plan to refocus on our core businesses -- reinsurance and asset-based insurance," commented Daniel Gross, President and Chief Executive Officer of Enhance Financial. "At that time, we said that we would also consider a strategic buyer, and that is certainly our view of Radian.

"Our respective businesses complement one another. Their management is committed to the financial guaranty sector, the company has a strong balance sheet, and our two organizations are culturally compatible. This is a strong match, and one that will accelerate Enhance Financial's future success."

Radian said that Enhance Financial will operate as a standaione unit, under its current name and will continue to be headquartered in New York City.

Goldman Sachs acted as Radian's financial advisor in this transaction, and Morgan Stanley Dean Witter acted as advisor to Enhance Financial.

Radian Group Inc. will hold a conference call to discuss this acquisition today at 9:00 a.m. Eastern time. To participate in the call, please dial 1-888-209-3797. #### New Jersey Department of Banking and Insurance: NJ's Predatory Lending Law Protecting Consumers

NJ Predatory Lending Law Protecting Consumers

New Jersey Department of Banking and Insurance Commissioner Holly C. Bakke

#### New Jersey's Predatory Lending Law Protecting Consumers

TRENTON – New Jersey Department of Banking and Insurance Commissioner Holly C. Bakke wants consumers to know that work is well under way to implement the state's predatory lending law. The Department's goal has been, and continues to be, to protect consumers by assuring that lenders are here to serve them while eliminating predatory practices. Since the law took effect, the number of complaints the Department suspects as predatory or deceptive has dropped by more than 33 percent.

"The State of New Jersey is a national leader in the fight to stop predatory lending," said Acting Governor Richard J. Codey. "A growing number of states have passed such laws. Thanks to our strong predatory lending law, New Jersey continues to serve and protect consumers."

Known as the New Jersey Homeowners Security Act, the law was signed in May 2003 and took effect in November 2003. The law, a result of ongoing consultations with consumer groups and lenders, provides substantial protection against abusive provisions in high-cost loans, the most flagrant of predatory practices.

Predatory lending is the use of unfair and abusive mortgage lending practices that result in a borrower paying more through high fees or interest rates than the borrower's credit history warrants. Due to the complexity of mortgage transactions, it is often difficult for individuals to tell the difference between a legitimate and predatory loan.

"Our predatory lending law, including the recent amendment, appears to be working to provide a competitive market for New Jersey's consumers and a fair place for lenders to do business," Commissioner Bakke said, "New lenders have entered the marketplace and the state's mortgage loan market continues to be very active."

From December 2002 to November 2003 the Department received 560 suspected predatory complaints. Since the new law began in November 2003, the number of complaints the Department suspects as predatory or deceptive has dropped by nearly 36 percent. The Department received 360 such complaints from December 2003 through November 2004.

While the Department recovers more than \$1 million for consumers every year, enforcement fines have decreased since the new law began. In 2003, the Department collected approximately \$850,000 in fines from licensed lenders. As of November 2004 the figure has dropped to \$550,000.

While the drop in national lending volumes could cause a proportional drop in complaints and fines, part of the reduction is likely due to the Department's participation with industry groups and licensed lenders to explain how to comply with the new law. The Department also joined community groups in educating urban area consumers on how to avoid predatory loans. EXHIBIT B – 25 cont'd.

NJ Predetory Lending Law Protecting Consumers

While complaints against state licensed lenders have decreased, complaints against federally chartered lenders have increased. From December 2002 to November 2003, the Department received and referred 691 of these federal complaints. The Department received and referred 736 federal complaints from December 2003 through November 2004.

"Our well-balanced law significantly reduces predatory lending," said H. Robert Tillman, director of the Division of Banking. "It is still too early to feel the full effect of the law, but it appears that our state banks and licensed lenders have prepared for the new law and have helped create a more competitive market. Unfortunately, most federally chartered banks and lenders issuing high-cost loans have not been willing to comply with state predatory lending laws."

The law was amended in July when, among other changes, the high-cost loan threshold for points and fees was lowered from 5 percent to 4.5 percent. The amendments pleased consumer and trade groups because they allowed access to as much as \$1 billion more in credit while providing the opportunity for more credit counseling.

"A number of lenders who had left the market primarily due to the original New Jersey Homeowners Security Act have since come back into the market as a result of the amendment to the law," said E. Robert Levy, executive director and counsel, Mortgage Bankers Association of New Jersey.

In 2004, the Department has approved 429 new licensed entities/individuals and 963 new branches.

"The American Association of Retired Persons-New Jersey fully supports the New Jersey Homeowners Security Act and the exemplary work of the Department of Banking and Insurance to protect consumers from predatory lending," said Jim Dieterle, AARP state director. "The New Jersey Homeowners Security Act is one of the best in the nation."

"It's a great law. It provides a strong consumer protection to low- and moderate-income borrowers," said Phyllis Salowe-Kaye, executive director of New Jersey Citizen Action, the state's largest consumer watchdog organization. "We have to make sure that it's not pre-empted by Congress and federal regulators."

National financial services companies and federally chartered banks provide a substantial portion of the state's mortgage loans and many of them claim exemption from New Jersey's predatory lending law. Some press reports have speculated that the federal government will enact a nationwide predatory lending law in 2005.

"We welcome a federal predatory lending law," said Director Tillman. "As long as it provides adequate consumer protections."

### EXHIBIT B – 28 FDIC CEASE AND DESIST ORDER TO FREMONT INVESTMENT & LOAN

The New Hork Cimes

WASHINGTON — U.S. bank regulators have ordered Fremont Investment & Loan, a major lender in the troubled subprime home-mortgage business, to tighten its loan policies and operations to avoid future losses from defaults by borrowers.

The move is the first by federal regulators against an individual institution related to the recent turmoil in the market for subprime mortgages — higher- interest loans for people with blemished credit records or low incomes who are considered to be higher risks.

The Federal Deposit Insurance Corp. announced the cease-and-desist order with Fremont Investment, a bank based in Brea, California, and its parent companies, Fremont General and Fremont General Credit. The companies agreed to comply with the order without admitting or denying the FDIC's allegation that Fremont Investment was operating "without effective riskmanagement policies and procedures" in its subprime mortgage and commercial real-estate lending operations.

The FDIC said it had found that, among other things, the bank was making subprime mortgage loans without having the proper criteria for assessing borrowers' ability to repay, and that it was marketing and making the loans "in a way that substantially increased the likelihood of borrower default or other loss to the bank."

Fremont General said recently it was getting out of subprime mortgage lending and had been in talks with potential buyers of its home mortgage business.

Federal Deposit Insurance and other bank regulators, in general, have been worried recently about a surge in defaults on subprime home mortgages in an increasingly troubled market for them. The regulators called on lenders last week to exercise caution in making subprime loans and to strictly evaluate borrowers' ability to repay them.

"Our concern has always been that banks make loans that borrowers are able to repay," Sheila Bair, chairman of the FDIC, said. "We believe that the agreement with Fremont addresses this basic concern."

Mortgage delinquencies and foreclosures are spiking, especially among people who took out subprime mortgages during the sizzling housing boom that waned in the second half of 2005.

# Radian, MGIC affiliate C-BASS sells servicing business

Dec 11, 2007, 12:48pm EST Updated: Dec 11, 2007, 12:53pm EST

The subprime mortgage lending affiliate of Radian Group Inc. has sold off a loan servicing business and will use proceeds to help pay off its creditors under an out-of-court restructuring agreement.

Credit-Based Asset Servicing and Securitization LLC (C-BASS) said it has completed the sale of Litton Loan Servicing to Goldman Sachs for an undisclosed price. The sale was part of a longterm agreement with secured and unsecured creditors reached Nov. 13.

C-BASS is a New York-based company that's regarded as a leading issuer, servicer and investor in credit-sensitive residential mortgage assets. It is a limited liability company capitalized by MGIC Investment Corp. (NYSE:MGIC) of Milwaukee, Radian (NYSE:RDN) of Philadelphia and C-BASS management. MGIC and Radian are mortgage insurers.

Terms of the deal were not disclosed.

The recent turmoil in the subprime lending industry resulted in an unprecedented amount of margin calls from its lenders. The frequency and magnitude of the calls adversely affected the firm's liquidity. As a result, MGIC and Radian took write-offs to reflect the reduced value of their investment in C-BASS.

In August 2007, C-BASS hired The Blackstone Group to assist in solving its liquidity challenges. The Blackstone Group, working with management and Hunton & Williams, C-BASS' legal advisers, created a solution that allowed the company to reach a consensual out-of-court restructuring with all its creditors.

The agreement provides a framework for the company to manage its portfolio assets, allowing the underlying cash flow to repay the secured and unsecured creditors of C-BASS over time.

# SEC launches probe of MGIC, Radian

Nov 21, 2007, 10:29am CST Updated: Nov 21, 2007, 10:31am CST

The U.S. Securities and Exchange Commission is seeking additional information from MGIC Investment Corp. and Radian Group Inc. under an investigation into their failed merger and their relationship with a subprime lending affiliate.

Both mortgage insurance providers confirmed the investigation in separate quarterly reports filed Wednesday.

Milwaukee-based MGIC (NYSE: MTG) said only that in October, the Division of Enforcement of the SEC requested documents related to Credit-Based Asset Servicing and Securitization LLC (C-BASS), the now-terminated merger with Radian and subprime mortgage assets "in the company's various lines of business."

Radian said it received a letter Oct. 3 from the SEC's Chicago office stating that the staff is conducting an investigation. Staff of the SEC told Radian officials that the investigation "should not be construed as an indication by the Commission or its staff that any violation of the securities laws has occurred, or as a reflection upon any person, entity or security," according to the Radian filing.

Both companies said they are cooperating with the SEC's requests.

The meltdown of the subprime mortgage industry caused both firms to write off their total investment of more than \$1 billion in C-BASS. The rattled credit markets also led to the scuttling of a proposed merger of MGIC and Philadelphia-based Radian (NYSE: RDN) in September. MGIC and Radian had announced plans to merge in February, with MGIC acquiring Radian Group in a \$4.9 billion transaction.

Next year, interest rates are set to rise -- or "reset" -- on \$362 billion worth of adjustable-rate subprime mortgages...

While many accounts portray resetting rates as the big factor behind the surge in home-loan defaults and foreclosures this year, that isn't quite the case. <u>Many of the subprime mortgages that have driven up the default rate went bad</u> in their first year or so, well before their interest rate had a chance to go higher. Some of these mortgages went to speculators who planned to flip their houses, others to borrowers who had stretched too far to make their payments, and still others had some element of fraud.

Now the real crest of the reset wave is coming, and that promises more pain for borrowers, lenders and Wall Street. Already, many subprime lenders, who focused on people with poor credit, have gone bust. Big banks and investors who made subprime loans or bought securities backed by them are reporting billions of dollars in losses.

The reset peak will likely add to political pressure to help borrowers who can't afford to pay the higher interest rates. The housing slowdown is emerging as an issue in both the presidential and congressional races for 2008, and the Bush administration is pushing lenders to loosen terms and keep people from losing their homes...

...Larry Litton Jr., chief executive of Litton Loan Servicing, says resetting of adjustable-rate mortgages, or ARMs, has recently emerged as a bigger driver of defaults. "The initial wave was largely driven by a higher frequency of fraudulent loans...and loose underwriting..."

More than half of the subprime delinquencies and foreclosures this year involved loans that hadn't yet reset, and thus were due to factors such as weak underwriting and falling home prices...

What he is essentially saying is that borrowers are "trapped" in these loans and they will not be going anywhere anytime soon. So, we are going to capitalize on these "week" and less credit "worthy" subprime borrowers because they can't refinance, thus we can milk every damn dime we can to increase our bortom line before they default and eventually we foreclose on them.

It's not over yet, boys and girls.

Then we'll send it to our REO servicing division, where we will continue to make big money because that property is sure not going to sell environ soon and in fect, it may be years before that over priced home sets. Thus, the money will be rolling for years to come.

Money was made by the truck loads when these toxic loans were originated by lenders and then packaged and sold on Weil Street. There's not a whole lot of that happening right now, so now, the money is in servicing them.

That's an easy prediction, given today's current real estate market, that is only getting worse by the second.

Remember Moe, tells it like it is. In middle class layman's terms. This is just a simple capitalistic business formula and these guys sure are capitalists. Right? Their business is to make money, regardless of how it's done, as long as it's all withing the scope of the law and to be honest, that is being questioned by many mortgage servicing industry watchdogs like myself.

#### More from Bloomberg;

Credit-Based Asset Servicing and Securitization LLC, a subprime mortgage investor written off by its centers, completed the sale of its Litton Loan Servicing business and named Goldman Sechs Group Inc. as the buyer.

The sale allowed C-Bass to reach an out-of-court restructuring with its creditors, the New York-based company said in a statement today. Litton deals with homeowners on behalf of mortgage companies if the borrowers

don't pay their bills on time. While terms weren't encounced today, Redien Group Inc., pert owner of C-Bess, seld last month the unit would be sold for about \$467.9 million to an unnamed acquirer.

Goldman, the world's largest securities firm, may be betting it can pick up Litton at a depressed price. C-Base's owners wrote off their entire equity investment of more than \$200 million this year, even while Litton continued to operate. Chief Financial Officer David Vinier said in September that his firm was hunting for "distanced access."

The reason why Goldman bought Litton Loan Servicing.

Goldman bought the company "because it's a recognized leader in the loanservicing sector," said Michael Du'Velly, spokesman for the New York-based accurities firm. "Given the stress in the residential mortpage market, a premium is being placed on quality workout-servicing capabilities, for which Litton is very self-known."

C-Bess was among more than 100 montgage lenders and investors forced to hell operations or find buyers in 2007 amid the worst housing slump in 16 years. Its majority owners were MGIC Investment Corp. and Radian, the nation's No. 1 and No. 3- ranked mortgage insurers.

Backstone Group LP advised C-Bass, which received legal counsel from Hunton and Williams.

Kelle Monthe, a spokeseromen for Milweukee-based MGIC. Tim Lynch a spokesmen for Philadelphie-based Redien, and Peter Cerwin, a spokesmen for New York-based C-Base, didn't return volcemal messages left after business hours.

I suspect will see many more acquisitions, measive consolidations and some very unlikely allences forming in the near future.

Details of the radical "bad bank" plan, the brainchild of US Treasury secretary Hank Paulson, are still being hammered out this weekend.

As things stand, the bail- out fund is going to be made available only to US banks. However, because banking giant HSBC owns US sub-prime lender Household, which it bought for \$14.2billion in 2002, it is understood the US government is considering making an exception for the bank.

"Potentially, what we have here is a fantastic bail-out," one of HSBC's institutional investors said.

"The question the US is looking at is whether or not Household is an American company, given that its parent company is a British bank."

Europe's biggest bank HSBC has written off \$3.2bn (£1.6bn) in the first three months of 2008 as a result of its exposure to the US sub-prime market.

The writedowns, which are lower than the total written off in the final quarter of 2007, are in line with what the bank had predicted.

HSBC now stands behind Citibank, UBS and Merrill Lynch as the banks with the largest value of writedowns.

### EXHIBIT B – 34 NEW JERSEY ATTORNEY GENERAL ANNOUNCES MORTGAGE FRAUD LAWSUITS

#### Attorney General Announces Mortgage Fraud Lawsuits

July 15, 2009 by <u>New Jersey RealEstateRoma</u>

Generational and Public Ltd Table News <u>Provide Street Plants Theory Card News</u> Markets Plants Plants Plants

TRENTON, NJ - July 15, 2009 - (RealEstateRama) --- Continuing the State's effort to combat mortgage-related fraud, Attorney General Anne Milgram announced today the filing of two new lawsuits charging a total of 10 individual and corporate defendants with selling bogus loan modification services to distressed homeowners.

Defendants in the two unrelated cases are charged with collecting unlawful "up-front" fees for loan modification services that either never materialized or made homeowners' situations worse. The defendants also are charged with misleading consumers through false advertising and deceptive solicitations, and engaging in debt adjustment activity without a format.

In one of the two lawauits, the defendants also are accused of violating federal law governing credit repair activity, and with founding a non-profit "financial advocacy council" solely to legitimize their fraudulent enterprises. The state has identified 42 homeowners victimized by the latest schemes.

"The conduct charged in these two cases is outrageous. It epitomizes the kind of callous, greedy and opportunistic finad we are committed to holting," said Attorney General Milgram. "In both cases, the defendants took advantage of despende people who looked to them for help. They gained the trust of their victims through deceptive advertising and misleading sales pitches, then collected thousands of dollars in unlawful fees and provided nothing in rotum but empty promises and added financial misery. We intend to hold these defendants accountable."

"Loan modification services are supposed to serve as a lifeline to homeowners facing foreclosure, but instead the unscrupslous operators in these cases used these programs to cheat struggling families and make a profit," said New Jersey Department of Barking and Insurance Commissioner Steven M. Goldman. "This type of activity is particularly reprehensible when it occurs in tough economic times when people are fighting to stay in their homes and are especially vulnerable."

With the lawsuits announced today, the state has filed a total of 11 civil mortgage fraud complaints since June 2008 naming 102 individual and corporate defendants, affecting more than \$20 victims and property worth more than \$20.1 million. The state has also obtained indictments or guilty pleas in seven criminal mortgage fraud cases involving a total of 10 defendants who were charged with victimizing close to 60 individuals and banks in connection with loans worth nearly \$11 million.

The conduct charged in the state's civil and criminal cases has included fraud that victimized people seeking to obtain loses through a broker, or seeking to own investment properties. Victims have also included these hopeful of improving their living situations via "rent-to-own" opportunities, as well as financially-desperate homeowners in need of loan modification help.

Named as defendants in one of the State's new lawsuits are Ejike N. Uzor, a licensed atterney who lists offices in Linden and Newark, and Stephen Pasch of Green Brook Township, Somerset County. Charged in the same lawsuit are corporate defendants New Day Financial Solutions, a Newark-based company owned and operated by Pasch, and three other Pasch companies. NDROA, Inc., which operates from Pasch's home in Green Brook Township, American Credit Report and Settlement, LLC, and Paramount Debt Settlement USA, LLC, both of which operate from the same address as Pasch's New Day Financial at 701 McCarter Highway, Suite 303, Newark.

### EXHIBIT B – 34 cont'd. **NEW JERSEY ATTORNEY GENERAL ANNOUNCES MORTGAGE FRAUD LAWSUITS**

Also named as corporate defendants are two Ucor companies: Ucor Financial Solutions, LLC and Fjike N. Ucor and Associates. Both companies list the same corporate address on McCarter Highway in Newark as the multiple companies run by Pasch. The American Financial Advocacy Council, a registered non-profit which lists both Pasch and Utor as officers, is also named as a defendant. The complaint charges that American Financial functions as nothing more than a tool to further the fraudulent activities of Pasch and Uzor.

The State's other new lawsuit names as a defendant Best Interest Rate Mortgage Company (BIRMCO), located on Haddon Avenue in the Westmont section of Haddon Township, Canden County.

Although the approach used by BERMCO to definated customers was different - the company used direct mult solicitations while defendants in the New Day lawsuit used Web-based advertising, radio ads and telephone outreach --- the outcome was the same homeowners seeking loan modification help were induced, through misleading promotional materials and deceptive sales pitches, to pay BIRMCO thousands of dollars in advance fees and not either nothing in return, or ultimately saw their financial situations become worse.

Details of the State's two complaints are as follows:

Milgram v. New Day Financial Solutions, etc. Filed in New Jersey Superior Court in Essen County, the State's seven-count complaint charges individual edants Pasch and Utor - along with seven corporations operated by Pasch, Utor or both - with violating New Jersey's Consumer Fraud Act. The della complaint also charges violation of state advertising regulations, the New Jersey Debt Adjustment and Credit Counseling Act and the federal Credit Repair Organizations Act.

The suit also charges that the American Financial Advocacy Council was essentially a ploy to encourage consumer confidence in the services of Pasch and Usor and their companies, through bogus "independent" recommendations made by the "non-profit."

According to the State's complaint, Pasch's New Day Financial operated from at least September 2008 through March 2009, charging customers thousands of dollars - payable in advance - for loan modification services, and offering a "100 percent money-back guarantee" if the company failed to deliver. New Day representatives urged customers to stop making mortgage payments while the company sought loan modification on their behalf. The complaint charges that, typically, New Day fieled to obtain loan modification for its customers, and in many instances put them in worse financial standing by instructing them to stop paying their mortgages.

The experiences of four different New Day victims, including three from New Jersey, are described in the complaint. In one case, a Sayreville woman paid New Day \$2,500 for loan modification help and later learned her lender had no record of any contact with New Day. The woman, who had coincidentally received a loan modification offer from her lender, asked New Day for a refund after learning the company had done nothing for her, but menor receipted over

r, a woman from Howell paid \$4,200 for New Day's services in September 2008. She was instructed to make her check payable to Pasch's company, NDROA. In early 2009, the woman received a letter from her mortgage company indicating that no loan modification review could begin because required documentation had not been provided. The woman tried repeatedly to contact New Day, but was unable to reach a representative except for one time, when she was instructed to be patient. Ultimately, the woman worked directly with her lender to modify her lose, but New Day never refunded her \$4,200.

According to the State's lawsuit, New Day posted notice on its Web site in March 2009 that it would no longer be soliciting loan modification clients. It was around that time, the lawsuit asserts, that the other defendant corporations belonging to Pasch and Utor – including the non-profit American Financial Advocacy Council - formed and began soliciting loan modification and other dobt-adjustment-related business.

According to the complaint, Pasch's American Credit Repair and Debt Settlement, and his company Paramount Debt Settlement USA, as well as Uzor and Associates, jointly began operating a Web site called www.creditepair199.com . The Web site offers credit repair and debt adjustment services, and provides a phone number to call to obtain such services. The same Web site advises consumers that they will be charged an "application/emolfment for" of \$199 per individual and \$319 per couple, plus a \$79-a-month service fee. (It is illegal in New Jersey to charge for credit repair services not yet. conterest )

The lawsuit also charges that the Pasch/Utor "non-profit" American Financial Advocacy Council — through its Web site at www.lordaavemyhome.com — has sought to instill consumer confidence in the defendants' bogus, for-profit operations. The complaint quotes the Web site as saying American Financial works "with a select group of Christian-owned companies that are able to assist consumers who are experiencing financial hardships." The same Web site provides links to the Web sites of Pasch's companies American Credit Repair and Debt Settlement and Paramount Debt Settlement USA, as well as the Unor companies Unor Financial Solutions, LLC and Unor and Associates. None of the companies are Econosid debt adjusters.

Among other things, the State's lawsuit against Peach, Usor and the other defendants seeks to dissolve the non-profit American Financial, and asks the court to order a halt to the defendants' unlawful business practices. It also seeks restitution for consumers and the imposition of maximum civil penalties.

Milgram v. Best Interest Rate Mortgage Company (BIRMCO): Filed in Superior Court in Mercer County, the State's four-count complaint charges BIRMCO with violating the Consumer Fraud Act, state advertising regulations and the New Jersey Debi Adjustment and Credit Counseling Act, According to the complaint, BIRMCO is a state-licensed mortgage lender, but has no state license to conduct debt adjustment activity

Despite having no homse, BIRMCO has solicited loan madification customers since at least November 2008, typically by sending distressed homeowners direct mail solicitations that appear to have been sent by a government agency. The mailings describe the targeted homeowner's specific mortgage information, discuss the availability of various government programs to help financially strapped mortgage holders, and include a telephone number to call for further information. The telephone number is actually for BIRMCO, although the company's name appears nowhere on the original mailing.

Once a consumer calls the number, he or she is promised that BIRMCO can negotiate a loan modification resulting in a lower interest rate and lower monthly payments. Consumers who accept the offer are charged an up-front fee of several thousand dollars and must sign a contract, but they are promised a refund if BIRMCO fails to obtain a loan modification. They are also told to stop making mortgage payments and to avoid contacting their lenders, purportedly to strengthen their position in seeking loan modification.

In fact, the State's lewsuit charges, BIRMCO often does little or no work toward obtaining loss modification for its clients. The suit contends that clients who hire BIRMCO and heed the company's advice to stop making mortgage payments and up learning - typically through a call from their lenders - that they are not only delinquent on their mortgages, but that nothing has been done to modify their loans. Ultimately, the suit charges, customers end up 28

working directly with their lenders and obtaining loss modifications that would have been available in the first place.

Nonetheless, BIRMCO typically forwards a letter to the consumer afterward claiming credit for negotiating a beneficial modification. Customers who seek a refund after segotiating their own loan modifications or realizing BIRMCO did nothing for them usually either get nothing, or only a partial refund, the suit charges.

The State's complaint describes the experience of several BIRMCO victims, including a Belleville woman who paid the company \$2,900 up front and ended up with a loan modification that actually increased her mortgage payment by \$70 a month because she followed the company's advice to stop making mortgage payments. BIRMCO ultimately returned only half of her up-front fee.

As with the New Day complaint, the State's lawsuit against BIRMCO asks the court to order a halt to the defendants' unlowful business practices, seeks restitution for consumers and the imposition of maximum civil penalties.

The Attorney General urgod any member of the public who has been a victim of mortgage-related fraud to report it by calling the Division of Consumer Affairs. New Jersey residents can call the toll-free hotline at 1-800-242-5846. Consumers from out of state can call 973-504-5200. These seeking to file a complaint can also visit the Division's Web site at <u>uwww.siconsumersfleirs.gov</u>.

Milgrem also remitted homeowners facing foreclosure that free help may be available to them through the state's foreclosure mediation program. She urged distressed homeowners to explore what help is available through the program by calling the toll-free hotize number at 1-800-989-5277 or visiting the Web site at <u>www.NJForeclosureMediation.org</u>. Through the foreclosure mediation program, qualified homeowners who are in danger of losing their homes can receive help from housing counselors, attorneys and a neutral mediator to resolve loan delinquencies.

Attorney General Milgram thanked Deputy Attorney General Megan Lewis, Chief of the Division of Law's Affirmative Litigation Section, Deputy Attorney General Jam Michael of the Affirmative Litigation Section; Deputy Attorney General Janine Mattorn of the Affirmative Litigation Section; Assistant Attorney General James J. Savage of the Division of Law; Deputy Attorney General Raymond Chance, Chief of the Division of Law's Banking and Insurance Section, Deputy Attorney General Oregory McHugh of the Banking and Insurance Section; Supervising Investigator Jennifer Micco, Investigator Jaced O'Cone and Investigator Kevin Noland of the Division of Consumer Affairs, for their work on the Ioan modification cases announced today.

Why HSBC Is Returning to Hong Kong By Michael Schuman / Hong Kong Wednesday, Sept. 30, 2009

Megabank HSBC has been as much a part of Hong Kong history as Victoria Harbor, high tea at the Peninsula Hotel and martial-arts movies. Founded in 1865 as the Hongkong and Shanghai Banking Corporation, HSBC backed some of city's most important businessmen, including tycoon Li Ka-shing, and remains Hong Kong's No. 1 bank. But for much of the past 20 years, HSBC has expended a lot of its energy striving to be more than an Asian institution. With major acquisitions in the U.K., the U.S. and elsewhere, HSBC grew into one of the world's largest banks, with a truly international footprint. Since 1993, the Hong Kong stalwart has had its global headquarters in London.

But now HSBC has realized home is where the heart — and the money — is. On Sept. 25, HSBC announced that its chief executive, Michael Geoghegan, will relocate his office back to Hong Kong in February, 2010. The decision is yet another sign of the growing economic influence of Asia. Calling Asia the bank's "strategically most important region," HSBC said in a statement that Geoghegan's move "further positions the Group for the shift in the world's center of economic gravity from West to East."

#### LITTON LOAN AS VIEWED BY INDUSTRY

# **Profile by Standard & Poors**

Founded in 1988 by its current director, Larry Litton Sr., the company initially serviced prime mortgage loans and eventually migrated to distressed assets for the Resolution Trust Corp. (RTC). Applying the significant amount of expertise gained through these RTC contracts, management decided to focus its future business efforts on resolving seriously delinquent mortgages. In 1996, Litton was added to a newly formed investment company, C-BASS, as part of an initial investment made by Enhance Financial Services, its owner at the time. Enhance, which later was purchased by Radian Group Inc. (Radian), co-invested in C-BASS with MGIC Investment Corp. (MGIC) in July 1996 to form C-BASS LLC. MGIC and Radian each owned a 42% interest in C-BASS LLC, with the remainder owned by C-BASS senior management. C-BASS was a large purchaser of credit-sensitive assets, which consisted primarily of subprime mortgages. As an outgrowth of this strategy, Litton began servicing subprime accounts in 1998. Due to liquidity pressures, C-BASS LLC sold Litton to Goldman Sachs Group Inc. in December 2007. Previously, Litton was a division of the parent's industrial bank chartered in Utah, but it was realigned to become a division of Goldman Sachs Bank USA (GS Bank), which is state-chartered in New York. #### Goldman Sachs Fraud Charges Are a Business-Press Win By Ryan Chiltum

The New York Times's Louise Story and Gretchen Morgenson score a major scoop this morning with news that the SEC is charging Goldman Sachs with fraud over its structuring of CDOs, saying "the bank created and sold a mortgage investment that was secretly devised to fail."

This is a huge story. The SEC has found that its jaws still snap; Goldman, which has heretofore seemed virtually untouchable, is in the dock; it illustrates short-sellers'—John Paulson specifically here—role in creating the crisis and making billions off it; and the press and bloggers can claim a big victory, regardless of the ultimate outcome of the case. It also points the way to possible further SEC actions over the banks' similar dealings with Magnetar, which ProPublica detailed so impressively last week.

There's no doubt that press coverage was instrumental in this turn of events. On Christmas Eve, Morgenson and Story unleashed a terrific story zeroing in on how Goldman Sachs structured its Abacus deals so they would fail, all while betting against them.

As the Abacus deals plunged in value, Goldman and certain hedge funds made money on their negative bets, while the Goldman clients who bought the \$10.9 billion in investments lost billions of dollars.

The SEC is charging is that Goldman misled investors by telling them one company, called ACA, was managing the CDOs, when it was actually letting hedge-fund king Paulson pick bonds for it. Here's the SEC, from its press release:

"The product was new and complex but the deception and conflicts are old and simple," said Robert Khuzami, Director of the Division of Enforcement. "Goldman wrongly permitted a client that was betting against the mortgage market to heavily influence which mortgage securities to include in an investment portfolio, while telling other investors that the securities were selected by an independent, objective third party."

And boy did Paulson know how to pick 'em:

According to the SEC's complaint, the deal closed on April 26, 2007, and Paulson & Co. paid Goldman Sachs approximately \$15 million for structuring and marketing ABACUS. By Oct. 24, 2007, 83 percent of the RMBS in the ABACUS portfolio had been downgraded and 17 percent were on negative watch. By Jan. 29, 2008, 99 percent of the portfolio had been downgraded.

There's plenty of other thread to pull on in the Times's Christmas Eve piece, including a little-known company called Tricadia that created particularly toxic CDO's to allow clients to bet against them, and whose vice chairman up until a month ago was a senior adviser to Treasury Secretary Tim Geithner. ABC News from then:

White House visitor logs show Sachs was a regular in the West Wing, holding dozens of meetings with White House economic adviser Lawrence Summers, Chief of Staff Rahm Emanuel, and with staff for the National Economic Council. The logs show he had at least five meetings with President Obama in the Oval Office last year, and had participated in the president's daily economic briefing.

And this is hardly the only chicanery surrounding Abacus. Bloomberg's Jody Shenn wrote an important story on Abacus in November that reported Goldman was using its "sole discretion" to pay junior tranches of the CDOs before senior ones—the opposite of what's supposed to happen.

Goes to show you what good, tough journalism can do. Fraud charges have finally hit Wall Street, and The New York Times was instrumental in digging it out.

#### EXHIBIT B – 38 LARRY LITTON JR. LETTER TO THE EDITOR, FINANCIAL TIMES

# **Put your Readers Straight about Litton**

Letter to the Editor, Financial Times by Larry B. Litton, Jr., June 22, 2010

Financial Times - June 22, 2010 - By Larry B. Litton, Jr. © 2010 The Financial Times Limited. All rights reserved

Sir, Your articles about Litton Loan Servicing ("Subprime consumers hit at Goldman" and "US consumers rage against Goldman unit", June 16) distort the truth, omit key facts and create a misleading impression of the company.

# Importantly, neither mentioned that Litton has modified or granted trial modifications for more than 100,000 loans in the past two years. That is almost one-third of our total mortgage portfolio.

Litton strives to ensure that our customers are treated with respect and receive a fair opportunity to restructure their payments to levels they can afford. Unfortunately, there are cases where we cannot help customers who do not have the financial capacity to maintain a mortgage, even with a modification. There are also occasions when customers request a loan modification even if they have the financial resources to be able to service their existing loan.

The stories mischaracterise Litton's modification performance. In an interview with the reporter, I explained that Litton is among a group of servicers that grant trial modifications relying on verbal income information from the customer, until recently a standard practice under the Home Affordable Modification Program. A second group of servicers grant modifications only after receiving customers' written income verification. Servicers in the first category, like Litton, have lower conversion rates to permanent modifications because of the frequency of inconsistencies between customers' verbal and written income representations. The articles failed to mention that Litton is among the top-performing servicers, in its group, in converting homeowners from trial modifications to permanent modifications.

The stories make no attempt to put Litton's activities in the context of the broader mortgage servicing industry. Your readers have been given a misleading and incomplete picture and, in the process, have been poorly served.

#### Behind the foreclosure crisis, big banks' reign of error

By <u>Dana Milbank</u> Sunday, March 6, 2011

The problem in the nation's housing market now isn't subprime lending. It's subpar lenders.

Last fall, my wife and I refinanced our mortgage with Citibank. Sixty days later, we received a "cancellation notice" from our homeowners insurance company "for non-payment of premium."

Turns out Citibank, which had been collecting hundreds of dollars a month from us to pay the insurer, hadn't made the payments. It was, I later learned, one of the usual tricks mortgage servicers use to squeeze more cash out of their customers. About a month later, I learned of another trick: Citibank informed us that it was increasing our monthly payment by nearly \$300.

Along the way, a simple refi became a months-long odyssey: rates misquoted, interest charged on a phantom account, legal documents issued in wrong names, a mortgage officer who disappeared for days at a time (first it was his birthday, then his laptop was in the shop), a bounced check from Citibank's own title company, and the freezing of our bank accounts.

Count me among those who were glad to see the documentary "Inside 🍞 TWITTER Job" win an Oscar. The film reminded us that the financial crisis of 🛛 🛅 UNKEDIN 2008, whose aftereffects are still blighting the lives of millions of Americans, didn't just happen - it was made possible by bad behavior on the part of bankers, regulators and, yes, economists,

What the film didn't point out, however, is that the crisis has spawned a whole new set of abuses. many of them illegal as well as immoral. And leading political figures are, at long last, showing some

outrage. Unfortunately, this outrage is directed, not at banking abuses, but at those trying to hold banks accountable for these abuses.

# Goldman Closes the Door on Subprime

By Christine Harper and Karen Welse | June 09, 2011

When Goldman Sachs (GS) bought Litton Loan Servicing, a firm that collects mortgage payments from homeowners, in 2007 for an unannounced price, it seemed like a simple way to get an on-the-ground view of the subprime market. The insight would help Goldman Sachs figure out how much to pay for loans, and Litton would work with borrowers to get them back on track. Other sophisticated investors, including billionaire Wilbur L. Ross and private equity firm Centerbridge Capital Partners, bought mortgage servicers with a similar strategy in mind.

It didn't work out as planned. While there were plenty of distressed mortgages and lots of eager buyers, the loan holders had little incentive to mark down prices because that would mean taking a big loss on their books. "The distressed-asset market never got as hot as people were hoping it would," says Dean H. DeMeritte, an executive vice-president at Phoenix Capital, a Denver brokerage for mortgage servicing contracts.

On June 6, Goldman Sachs agreed to sell Litton to another mortgage servicer, Ocwen Financial (OCN), for \$263.7 million. The sale comes two months after Goldman Sachs wrote down the value of the business by about \$200 million. "It

On June 6, Goldman Sachs agreed to sell Litton to another mortgage servicer, Ocwen Financial (OCN), for \$263.7 million. The sale comes two months after Goldman Sachs wrote down the value of the business by about \$200 million. "It really makes sense for them to sell it," says David B. Hilder, an analyst at Susquehanna Financial Group. "They bought it at a time when the business was easier, and it looked like there might be some insights to be gained in the mortgage market from having a servicer." Neither Goldman Sachs nor Litton would comment.

#### STORY: S&P's Settlement With the SEC Isn't the End of Its Problems

Founded in 1988 by Larry B. Litton Sr. in Houston, Litton was one of the first mortgage servicers to specialize in working with troubled loans, sometimes called "scratch and dent" servicing. It developed that skill during the savings and loan crisis, when it was hired by Resolution Trust Corp. to handle mortgages that were orphaned by failed banks.

Larry Litton Jr., who now runs the company, is known in the industry for his Texas drawl, straight talk, and vocal support for working with struggling borrowers before they get too far behind. Bruce A. Gottschall, the founder of Neighborhood Housing Services of Chicago, a nonprofit that worked with Litton a decade ago, says the company "seemed to me a little bit more flexible in terms of modifications early on." Litton Jr. currently is a member of the Federal Reserve's Consumer Advisory Council, where he has been vocal about foreclosure prevention. Ocwen would not comment on whether he will stay with the company after the sale.

Litton's business grew with the subprime market. In 1995 it serviced \$1.2 billion in loans, according to Fitch Ratings. By 2007 its portfolio had ballooned to almost \$54 billion; it's about \$41.2 billion today. As the boom gave way to the bust, Litton was forced to hire more staff to deal with rising defaults. The company became the target of class actions alleging excessive fees and violations of consumer-protection laws as well as investigations by state and federal regulators. It has agreed to settle at least one of the lawsuits while denying liability; others are pending. It says it is cooperating with government investigations. Goldman Sachs will remain liable for

Goldman Sachs will remain liable for fines and penalties that could be imposed by government authorities relating to Litton's foreclosure and servicing practices before the deal closes.

#### STORY: The Supreme Court Seems Poised to Curb Bias Lawsuits-Again

With the Litton sale, Goldman Sachs will no longer deal directly with homeowners. Gottschall says Goldman's unloading the mortgage servicer is part of a bigger trend: "Wall Street is probably trying to distance themselves from the problems they caused."

**The bottom line:** By selling Litton Loan Servicing, Goldman Sachs is out of the messy business of working with distressed homeowners.

#### EXHIBIT B – 44 FEDERAL RESERVE TAKES ACTION AGAINST GOLDMAN SACHS

### Press Release

# FEDERAL RESERVE press release

#### Release Date: September 1, 2011

#### For immediate release

The Federal Reserve Board on Thursday announced a formal enforcement action against the Goldman Sachs Group, Inc. and Goldman Sachs Bank USA to address a pattern of misconduct and negligence relating to deficient practices in residential mortgage loan servicing and foreclosure processing involving its former subsidiary, Litton Loan Servicing LP.

Goldman Sachs sold Litton to Ocwen Financial Corporation on September 1, 2011 and has ceased to conduct residential mortgage servicing. Litton is the 23rd largest mortgage servicer in the United States.

The action orders Goldman Sachs to retain an independent consultant to review foreclosure proceedings initiated by Litton that were pending at any time in 2009 or 2010. The review is intended to provide remediation to borrowers who suffered financial injury as a result of wrongful foreclosures or other deficiencies identified in a review of the foreclosure process. The foreclosure review will be conducted consistent with the reviews currently underway at the 14 large mortgage servicers that consented to <u>enforcement actions</u> brought by the banking agencies on April 13, 2011.

If Goldman Sachs re-enters the mortgage servicing business while the action is in effect, it will be required to implement enhanced corporate governance, risk-management, compliance, borrower communication, servicing and foreclosure practices comparable to what the 14 mortgage servicers are implementing.

As noted in the April press release, the Federal Reserve believes monetary sanctions are appropriate and plans to announce monetary penalties. These monetary penalties against Goldman Sachs will be in addition to the corrective actions that Goldman Sachs will be taking pursuant to today's action. Goldman Sachs has acknowledged in today's action that it will be responsible for satisfying any civil money penalty that the Board of Governors could have assessed against Litton for its conduct.

Since I contacted the NJ Attorney General's office, I have learned that HSBC "acts as a trustee for certain loan securitization trusts in connection with the issuance of mortgage backed securities" (see Discovery Ex29: **PROOF**). I cannot confirm how HSBC's actions contributed to Litton's deception, however, trustees have been considered culpable in the mortgage crisis (see Caught in the Cross-fire: Securitization Trustees and Litigation During the Subprime Crisis or download). It has been determined that trusts are not exempt from state laws. It's interesting that HSBC is forging onward with reducing its presence in the US and UK and moving its headquarters to Hong Kong (see article below: HSBC to Trim 30,000 jobs).

Goldman Sachs is the parent company of Litton Loan, reported by many as having purchased it to realize substantial financial gains from foreclosing on properties of mortgage holders (see Goldman Sachs to Cash in Big Time With the Litton Loan Servicing Purchase). You may have noticed that Goldman is dumping Litton Loan (see Bloomberg article: Goldman Sachs Will Sell Litton Loan). I have amended my complaint to include Goldman Sachs as a defendant along with Litton Loan Servicing (download).

LONDON — HSBC, the big European bank, said Monday that it was cutting 30,000 jobs, as part of a wide-ranging cost-cutting program to improve profitability.

The large-scale cuts, which would represent about 10 percent of HSBC's work force, are part of the company's strategy to reduce expenses by \$2.5 billion to \$3.5 billion over the next two years. The layoffs include 5,000 positions the bank has already started to eliminate this year by closing some businesses.

#### PLAINTIFF'S RESPONSE TO CHARACTER ASSASSINATION BY DEFENDANT'S ATTORNEY

February 1, 2014

- TO: Denbeaux & Denbeaux Team
- FROM: Veronica Williams
- RE: Stern & Eisenberg's Effort to Destroy My Reputation

I was so angry and insulted after reading the first 2 paragraphs of the correspondence from David Lambropoulus to Judge Harriet Klein dated January 29, 2014 (attached), that I prepared this information as soon as I calmed down (a few days later). Yes, I know this is the *dance* and a common, underhanded legal strategy to undermine me. Let's turn it back on them. Of course, you should decide if and when to use this information.

I have always carried myself and taken great pride in having the upmost integrity. While I can cite numerous examples of being vetted and recognized for my character and integrity, let me highlight just a few:

Evidently Defendant believes that she can conjure a legitimate defense to this foreclosure action by burdening both the Court and opposing counsel with an endless legal brief. Defendant's opposition is a transparent attempt to raise arguments which have now become convenient predicated on her inability to honor her loan obligations. It bears noting that Defendant has admitted *all* elements of Plaintiff's *prima facie* case in mortgage foreclosure. (See Defendant's Legal Brief in Support of Opposition, page 2). Despite the voluminous nature of her opposition, Defendant falls well short in converting her strained arguments into genuine issues of material fact which would warrant the denial of Plaintiff's application for Summary Judgment. As will be discussed in detail below, Plaintiff is a holder in due course with actual possession of the original "wet ink" note.

#### <u>Defendants' Suggestion that Plaintiff Lacks</u> <u>Standing Is Unsupported By the Competent Evidence Provided</u>

Plaintiff and Defendant agree that, in a foreclosure action, standing is established via possession of the original note *or* an assignment of mortgage which pre-dates the filing of the complaint. <u>Deutsche Bank Trust Co. v. Angeles</u>, 428 N.J. Super. 315 (App. Div. 2012). (See Defendants Legal Brief in Support of Opposition, page 4). In the matter *sub judice*, Plaintiff has both possession of the original note in addition to an assignment of mortgage which predates the complaint.

Plaintiff takes issue with Defendant's representation to the Court that "Plaintiff did not plead possession in their complaint, nor have they produced anything to date that is evidence of their physical possession of the original promissory note." Clearly, paragraph 16 of Plaintiff's complaint avers that Plaintiff is the holder of the note and entitled to commence foreclosure. Further, Plaintiff's interrogatory response # 28 (attached to Defendants opposition as Exhibit

#### EXHIBIT B – 51 OCWEN SETS ASIDE \$100M FOR FORECLOSURE SETTLEMENTS

# Ocwen Sets Aside \$100M for Possible Foreclosure Settlement, Posts 3Q Loss

BY KATE BERRY OCT 30, 2014 2:57pm ET

Under fire from New York's top banking regulator, Ocwen Financial took a \$100 million charge for a potential settlement for servicing violations and posted a third-quarter loss.

On an Oct. 30 conference call with analysts, William Erbey, Ocwen's executive chairman, said the \$100 million charge was the company's "best estimate of the exposure" for backdating thousands of foreclosure letters to borrowers. Erbey deflected

"We need to deal with this, we need to deal with it effectively and do it quickly," said Bill Erbey, Ocwen's executive chairman, saying the charge could be "materially different" from an actual settlement.

#### EXHIBIT B – 52 CHRONOLOGY, COST & CONSEQUENCE OF "ERRORS"

Stop the theft of property from NJ and all US homeowners. While I cannot disprove the validity of the foreclosures, the information I present warrants further investigation before taking our homes.

The Hongkong and Shanghai Banking Corporation, a British owned bank now known as HSBC, is on course to take property owned by the Plaintiff with a NJ Foreclosure Case (**Docket F-00839-13**). There are likely more foreclosure cases underway in New Jersey and other states. Here's one way this is being done: the mortgage servicers added invalid amounts to the principal of loans, sold off their portfolios at inflated prices, and then went out of business. This is a summary of my mortgage history (Ex3:<u>PROOF</u> & <u>PROOF</u>):

#### SOURCE: DISCOVERY (Ex3: PROOF & PROOF)

Mortgage Servicing companies like Litton Loan, Fremont Home Loan and others, have repeatedly refused to give me a complete transaction history for my mortgage. Goldman Sachs, HSBC, Ocwen have fought "tooth and nail" to take my property that arguably carries a negative valuation (info available upon request). Their effort is not because they want to sell my property with full disclosure of the problems. It is likely because HSBC wants to escape fines while continuing to foreclose and take proceeds from homeowners out of the reach of the United States.

This motion should contain sufficient information to stop this atrocity.

#### EXHIBIT B – 52 cont'd. CHRONOLOGY, COST & CONSEQUENCE OF "ERRORS"

I am fighting to stop theft, not ownership of my home which is below water asset fraught with costly problems. The decline in value has been made public. I listed my house, at the height of the market, 3 times before Hurricanes Irene and Sandy and also before crime and abandoned properties skyrocketed in my neighborhood. Many, not all, of the damages were presented in HAMP applications (copies available of Ex41). I am in my 32<sup>nd</sup> year of living in and owning my home. I know South Orange and this neighborhood. There is a huge cost to owning this property *without a mortgage*, with little to no upside for at least 10 years.

To be sure, my primary objective is to stop theft of homes and the devaluation of a mainstay of the American dream that also empowers the economy – home ownership.

In response to a request from the attorney representing all defendants (Stuart I. Seiden of Duane Morris), I (the Plaintiff) have prepared this document that further clarifies and streamlines the "1500 pages" Mr. Seiden said my former attorney gave to him. I believe this includes a subset of that information, with explanations to help him better understand this matter. In response to Mr. Seiden's request, I assembled my proof in a timeline with further explanation, to help him understand what happened.

To help better understand this matter, Mr. Seiden's clients can help explain the financials, operational, regulatory and other pertinent information.

A summary of what happened, with links to proof, is presented in the following pages.

This document includes information not provided in the official discovery filing. UPDATED 11/18/14

#### SERIAL ERRORS, FRAUD, or BOTH?

#### SUMMARY

This document explains how a series of actions by the defendants caused the financial ruin and near death of Veronica Williams. Links to documents, video and audio files corroborate the explanation. Additional information can be provided to those with a need to know.

#### The following outline provides a chronological summary of how:

- A series of deceptive & fraudulent actions led to decimation of my income and health
- I have tried for 7 years to reverse the negative impact as the defendants dragged me through the mud and avoided taking responsibility for their actions
- Refusal to account for \$208,000 discrepancy in principal balance
- Am now trying to get my day in court, before a jury of my peers

More than 40 years of time, money and effort went into preparing my firm – ACT Inc. – for the impending orders on our US GSA contract . The new orders required that I consolidate my operations. To achieve this, I decided to sell my home. After listing my home 3 times between 2005 and 2007 (Ex0: <u>PROOF</u>) without an offer over \$175,000, I decided to stay. My second option was to lower my cost of capital and operations costs by restructuring debt, a common practice. Several firms offered to refinance my mortgage, I chose Litton Loan.

#### **CREATED DEBT RESTRUCTURE PLAN IN PREPARATION FOR IMPENDING ORDERS**

2008 approached mortgage firms to refinance. Narrowed my choice to Chase & Litton (had just bought my loan)

- Chase offered 3% for both mortgages
- Had Several Conversations with Litton Loan
  - Told them of my concern: I refinanced in 2006 due to Litton Loan's bad reputation and recording payments late (PROOF: &Ex1:<u>Pmt-2005</u> & Ex2:<u>Refinance</u>)
  - o Litton Loan added about \$112,325 & Fremont added about \$95,675 to my principal (Ex3:PROOF)
  - I refinanced with **Fremont Loan** to escape Litton Loan (for mortgage history see Ex2:<u>PROOF</u>)
  - I ended up back with Litton Loan, so why accept a modification and stay with Litton??
- Litton made compelling offer & said Goldman Sachs' ownership gave them new integrity
  - o Litton told me they were now owned by Goldman Sachs and I did not have to worry
  - o Litton assured me they would give me a modification if HAMP did not come through Ex4 PROOF
  - Even after "errors (returning my check, too many iterations of spreadsheet, countless phone calls) I was assured verbally & in writing that the modification would be confirmed upon receipt of my checks. (Ex5 <u>PROOF</u>)
  - I was further assured that the modification would be approved by HAMP or Litton Loan and the attached document was sent in error
- Litton reduced my mortgage principal but not enough (Ex3: <u>PROOF</u> & <u>PROOF</u>)
- In addition to the amount Litton Loan had added to my principal, Fremont added about \$95,675 to my principal (Ex3:<u>PROOF</u> & <u>PROOF</u>)
- My intention was to accept the unjustified additions to principal, focus on the FEMA job and closing task orders against my firm's GSA contract, and use the modification to lower my costs of financing.
- Despite excessive addition to principal I decided to proceed, to focus time on ACT Inc. customers; heighted acquisition effort allowed ACT Inc. to achieve recognized and approved vendor status with multiple Federal Agencies. (Ex6: <u>PROOF</u>) Stepped up marketing and sales in 2005 (DoD working Group, IRA meetings, Proposals show DHS, DC, HUD Ex7: <u>WITNESS</u>)
- Sept. 2009 Received job offer from FEMA to gain immediate "past performance"; contingent upon security clearance approval (Ex8: <u>PROOF</u>)

#### LAUNCHED DEBT RESTRUCTURE PLAN \* I PROCEEDED WITH PLAN

- Jan-Dec 2009 Litton Loan's representatives asked for extensive information and detailed analysis, *reassuring me along the way that my modification would be forthcoming*. Some of the documents submitted include, but are not limited to:
  - o 2/25/09 to Julius Connor Ex9: PROOF
  - o 3/28/09 to Brenda Moreno Ex10: PROOF
  - o 8/2/09 to Loss Mitigation Dept. Ex11: PROOF
  - o 9/28/09 to Loss Mitigation Dept. Ex12: PROOF
  - o 12/28/09 to Bessie Cahee Ex13: PROOF
  - o Jan-Nov Submitted several other requested analyses (COPIES AVAILABLE UPON REQUEST)
- I paid off uncollateralized debt (Ex14: <u>PROOF</u>)
   I purchased money order and sent it with returned checks to Litton (Ex15:<u>PROOF</u>, Ex16:<u>PROOF</u>, Ex17:<u>PROOF</u>)
- Continued with my "living mobile" trial/prep for FEMA job (Ex7: WITNESS)
- Cultivating business relationships and improved remote operations for ACT Inc. (Ex7: WITNESS)
- Completed E-Quip & responses for Federal Security Clearance on 12/12/2009 (Ex18: PROOF & Ex7: WITNESS)

#### WHEN I WAS STUNNED WITH NOTICE OF FORECLOSURE JUST BEFORE HEARING

- Began drive from Ft. Lauderdale, FL to South Orange, NJ alone (Ex7: WITNESSES)
- Arrived in NJ about 4am the morning of the foreclosure hearing (Dec. 23, 2009)
- Too Exhausted to attend; Foreclosure was granted for Docket F- 28279-09 (Ex19: PROOF)
- Was told it was an error and would be reversed if I sent an additional payment (Ex20: PROOF)
- I completed all payments required for my modification (Ex15: PROOF)

#### FORECLOSURE GRANTED AND MY SUFFERING BEGAN

- Dec. 2009 Litton Loan reneged on modification by foreclosing (Ex19:PROOF)
- Dec. 2009 Litton said they could stop foreclosure if I documented what we discussed (Ex13: PROOF)
- Jan. 2010 Litton Loan's staff was unaware of the legal response by their attorney. With apology for Litton's errors and a promise of the immediate reversal of foreclosure and confirming the modification, I made more payments (Ex21: <u>PROOF & Ex22: Pmt-2010 & Ex15: PROOF</u>)
- Mar 2010 Lost Clearance (Ex23: PROOF & Ex7: WITNESS)
- 3/16/10 Lost GSA contract (Ex24:<u>PROOF &</u> Ex7: <u>WITNESSES</u>)
- 5/12/10 Lost FEMA job (Ex23:<u>PROOF</u> & Ex7: <u>WITNESSES</u>)
- By 2010 Lost strong credit ratings (D&B, Trans Union, Equifax, Experian)
- 2010→ Health declined (Ex25:<u>PROOF & Ex7: WITNESSES</u>)
- 2010→ My company –AC T Inc. now in jeopardy (Ex7: <u>WITNESSES</u>)
- 2010→ Ability to find jobs decimated (Ex26: <u>PROOF &</u> Ex7: <u>WITNESSES</u>)

Dear Ms. Meaney,

We are appealing the denial of our SBA loan application (Attachment I).

After realizing the magnitude of my health decline caused by these events, the IRS waived all fees Sept. 16, 2014 (Attachment II). The Superior Court of NJ awarded me a default judgment against Litton Loan, Goldman Sachs, HSBC, Ocwen et. al. on Nov. 17, 2014 upon hearing my position and viewing invalid documents from the attorneys. This document presents extensive evidence that refutes the reasons for denying our loan. I believe in standing up for truth and fairness, no matter who the opponent.

ACT Inc. has had multiple contracts just in the last two years that could have opened new revenue streams if we had adequate financing. My case with the Superior Court of New Jersey Essex Docket L-004753-13 shows how the defendants brought our firm's revenue to a grinding halt and imposed life threatening damage to my health. Reasons to approve our loan application are presented in Attachment III.

The Discovery document submitted to the court (Attachment IV) shows a systemic and systematic pattern of deception that caused the precipitous loss of revenue by ACT Inc. While there was a glimmer of hope in 2009, and again in 2012, the firms involved have moved aside the first six law firms they retained to defeat me (see Discovery Ex47: **PROOF**) and lined up behind Duane Morris LLP. to avoid taking responsibility for their actions.

The draft motion for a proof hearing shows why: honoring their agreement with me could set the stage for additional losses including their \$100B (estimate) mortgage portfolio to come tumbling down (Attachment V).

The summarized reasons supporting this request are presented in Attachments V, VI, VII, VIII and IX.

The following pages show the SBA's denial of our loan application and why the denial should be reversed. If you have any questions feel free to contact me by phone at 973-762-4100 or by email at

Thank you,

Veronica Williams President

RE: SBA Disaster Loan Application No.: 1000115934

Dear Ms. Williams:

In response to your request for reconsideration of your previously declined disaster loan, we have thoroughly reviewed all of your new and previously provided information. Although we made every effort to approve your loan request, we are unable to offer you a disaster loan for the following reason(s):

#### **Unsatisfactory credit history**

As you are aware, your loan application was previously declined due to unsatisfactory credit history. Your letter indicated your credit issues were related to ongoing medical problems and a downturn in the economy. We have reviewed your Credit Bureau Report and all the accompanying documentation you have provided regarding the status of your credit and mortgage accounts. After a thorough review we conclude you have not provided sufficient information to overcome the decline for credit. Therefore, your loan remains declined.

#### Lack of repayment ability

Our analysis of your historic Federal Tax Returns, 2011 year to date profit and loss statement and all the information provided with your loan application we concluded your income is insufficient to repay a disaster loan in addition to your existing debts, living expenses, taxes, insurance, and other obligations.

#### Not eligible due to Policy Reasons

Absolute Computer Technologies, Inc is not in Good Standing with the New Jersey Department of Treasury, Division of Revenues. A legal entity which is not in Good Standing in the state in which it is organized and the state in which the disaster occurred is not eligible for disaster assistance.

If you disagree with our decision, you have the right to request reconsideration. Your request must:

- 1. Be in writing and be received by this office within 90 days from the date of this letter.
- 2. Contain significant new information that you believe will overcome the decline reason(s).
- 3. Provide a completed, signed and dated IRS Form 8821 (enclosed).

#### ATTACHMENT III Reasons to Approve Loan Application

To be sure, I've had challenges in my life that many cannot imagine, much less handle. But I've met them head-on and have worked hard to prevail. So when I finally succeeded in positioning my firm to achieve a 40-year goal of closing task orders against a Federal Supply Schedule that took many years to earn, I will not sit back after losing it to deception. The reasons for denial are primarily attributable to problems that occurred as a result the deception by a few financial firms. The other reasons appear to be due to my decision to take legal action against these firms.

In response to a request from the attorney representing all defendants (Stuart I. Seiden of Duane Morris), I (the Plaintiff) have prepared this document that further clarifies and streamlines the "1500 pages" Mr. Seiden said my former attorney gave to him. I believe this includes a subset of that information, with explanations to help him better understand this matter. In response to Mr. Seiden's request, I assembled my proof in a timeline with further explanation, to help him understand what happened.

To help better understand this matter, Mr. Seiden's clients can help explain the financials, operational, regulatory and other pertinent information.

A summary of what happened, with links to proof, is presented in the following pages.

### SERIAL ERRORS, FRAUD, or BOTH?

#### **SUMMARY**

This document explains how a series of actions by the defendants caused the financial ruin and near death of Veronica Williams. Links to documents, video and audio files corroborate the explanation. Additional information can be provided to those with a need to know.

#### The following outline provides a chronological summary of how:

- A series of deceptive & fraudulent actions led to decimation of my income and health
- I have tried for 7 years to reverse the negative impact as the defendants dragged me through the mud and avoided taking responsibility for their actions
- Refusal to account for \$208,000 discrepancy in principal balance
- Am now trying to get my day in court, before a jury of my peers

More than 40 years of time, money and effort went into preparing my firm – ACT Inc. – for the impending orders on our US GSA contract. The new orders required that I consolidate my operations. To achieve this, I decided to sell my home. After listing my home 3 times between 2005 and 2007 (<u>PROOF</u>) without an offer over \$175,000, I decided to stay. My second option was to lower my cost of capital and operations costs by restructuring debt, a common practice. Several firms offered to refinance my mortgage, I chose Litton Loan.

#### **CREATED DEBT RESTRUCTURE PLAN IN PREPARATION FOR IMPENDING ORDERS**

2008 approached mortgage firms to refinance. Narrowed my choice to Chase & Litton (had just bought my loan)

- Chase offered 3% for both mortgages
- Had Several Conversations with Litton Loan
  - Told them of my concern: I refinanced in 2006 due to Litton Loan's bad reputation and recording payments late (PROOF: & Ex1: <u>Pmt-2005</u> & Ex2: <u>Refinance</u>)
  - o Litton Loan added about \$112,325 & Fremont added about \$95,675 to my principal (Ex3:<u>PROOF</u>)
  - o I refinanced with Fremont Loan to escape Litton Loan (for mortgage history see Ex2:PROOF)
  - $\circ$  I ended up back with Litton Loan, so why accept a modification and stay with Litton??
  - Litton made compelling offer & said Goldman Sachs' ownership gave them new integrity
  - o Litton told me they were now owned by Goldman Sachs and I did not have to worry
  - o Litton assured me they would give me a modification if HAMP did not come through Ex4 PROOF
  - Even after "errors (returning my check, too many iterations of spreadsheet, countless phone calls) I was assured verbally & in writing that the modification would be confirmed upon receipt of my checks. (Ex5 **PROOF**)
  - $\circ$  I was further assured that the modification would be approved by HAMP or Litton Loan and the attached document was sent in error
- Litton reduced my mortgage principal but not enough (Ex3: PROOF)
- In addition to the amount Litton Loan had added to my principal, Fremont added about \$95,675 to my principal (Ex3:<u>PROOF</u>)
- My intention was to accept the unjustified additions to principal, focus on the FEMA job and closing task orders against my firm's GSA contract, and use the modification to lower my costs of financing.
- Despite excessive addition to principal I decided to proceed, to focus time on ACT Inc. customers; heighted acquisition effort allowed ACT Inc. to achieve recognized and approved vendor status with multiple Federal Agencies. (Ex6: <u>PROOF</u>) Stepped up marketing and sales in 2005 (DoD working Group, IRA meetings, Proposals show DHS, DC, HUD Ex7: <u>WITNESS</u>)
- Sept. 2009 Received job offer from FEMA to gain immediate "past performance"; contingent upon security clearance approval (Ex8: <u>PROOF</u>)

#### LAUNCHED DEBT RESTRUCTURE PLAN \* I PROCEEDED WITH PLAN

- Jan-Dec 2009 Litton Loan's representatives asked for extensive information and detailed analysis, *reassuring me along the way that my modification would be forthcoming*. Some of the documents submitted include, but are not limited to:
  - o 2/25/09 to Julius Connor Ex9: PROOF
  - o 3/28/09 to Brenda Moreno Ex10: PROOF
  - o 8/2/09 to Loss Mitigation Dept. Ex11: PROOF
  - O 9/28/09 to Loss Mitigation Dept. Ex12: PROOF
  - O 12/28/09 to Bessie Cahee Ex13: PROOF
  - o Jan-Nov Submitted several other requested analyses (COPIES AVAILABLE UPON REQUEST)
- I paid off uncollateralized debt (Ex14: <u>PROOF</u>)
   I purchased money order and sent it with returned checks to Litton (Ex15:<u>PROOF</u>, Ex16:<u>PROOF</u>, Ex17:<u>PROOF</u>)
- Continued with my "living mobile" trial/prep for FEMA job (Ex7: <u>WITNESS</u>)
- Cultivating business relationships and improved remote operations for ACT Inc. (Ex7: WITNESS)
- Completed E-Quip & responses for Federal Security Clearance on 12/12/2009 (Ex18: PROOF & Ex7: WITNESS)

#### WHEN I WAS STUNNED WITH NOTICE OF FORECLOSURE JUST BEFORE HEARING

- Began drive from Ft. Lauderdale, FL to South Orange, NJ alone (Ex7: WITNESSES)
- Arrived in NJ about 4am the morning of the foreclosure hearing (Dec. 23, 2009)
- Too Exhausted to attend; Foreclosure was granted for Docket F- 28279-09 (Ex19: PROOF)
- Was told it was an error and would be reversed if I sent an additional payment (Ex20:PROOF)
- I completed all payments required for my modification (Ex15: PROOF)

# Draft of Motion for Proof Hearing

We request compensatory damages of \$ M for the Plaintiff. Punitive damages should be determined by the court.

No amount of money can compensate for the near death incidents and trauma that the defendants put me through.

The defendants' actions inflicted severe injury in the Plaintiff warranting payment of the following damages:

| HURT TO PLAINTIFF   | DAMAGES<br>INCURRED | DAMAGES<br>SOUGHT |
|---|---------------------|-------------------|
| COMPENSATORY  | DOLLARS I           | N MILLIONS        |
| Loss of ACT Inc. contracts (\$279.2M)   | \$279.2 M           | TBD               |
| • Loss of Employability in field of experience (\$1.8M [\$300K * 6 YRS- 2009-2015]) | \$2.1M              | TBD               |
| Stress Induced Severe Prolonged Illness   | \$500.0 M           | TBD               |
| PUNITIVE  | SEVERE              | TBD               |

Much of the proof is provided in the <u>Discovery</u> document filed with the court. Several witnesses will attest to injuries and proof documents are included. Recent validation from the Federal government is attached to this document.

#### LOSS OF ACT INC. CONTRACTS

I invested 40 years, and in recent years, hundreds of thousands of dollars, to position ACT Inc. for lucrative, multi-year Federal task orders. ACT Inc. had been awarded Federal Supply Schedules, was positioned with multiple Federal agencies, and the Plaintiff was offered a FEMA job that would have given her a security clearance and the US Dept. Homeland Security past performance necessary to close task orders against ACT Inc.'s Federal Supply Schedule. The defendants' reneged on the modification, causing everything to be lost. Details are provided in the Discovery document.

#### LOSS OF EMPLOYABILITY

As a financial, operations and information technology professional, the Plaintiff's ability to secure jobs depends on clean credit and no legal actions. While her record earned the Plaintiff and her firm contracts from major companies over her 35+ year career, she has been denied hundreds of jobs since the defendants' actions.

#### STRESS INDUCED SEVERE PROLONGED ILLNESS

Defendants began deceptive actions in 2002. Their deception intensified in 2008. Despite convincing the Plaintiff that new ownership by Goldman Sachs had cleaned up their act, the deception of all defendants grew immensely. The Plaintiff did not realize the impact that the defendants' actions had on her health until her doctors began asking more probing questions. Soon it was clear that the Plaintiff's symptoms were directly correlated to and the direct result of, continued deception and depraved actions of the defendants. Between September 2012 and January 2013, she was hospitalized 3 times for stress induced illness. Her team of doctors ran every conceivable test to prove this.

#### WHY HAVE DEFENDANTS SPENT MORE TO TAKE PLAINTIFF'S HOME THAN IT IS WORTH?

- The deception and fraud is clearly documented
- Dramatic decline in property value known to FEMA, HUD, HAMP, Ocwen and other defendants
- Hurricane Irene, Sandy, and poor maintenance warrant repairs that will exceed \$120,000
- Defendants fought with 6 law firms (Ex47: PROOF), plus investigators, insurance firms and other since 2010

#### BECAUSE .....

- Plaintiff's case exposes "in and out" mortgage fraud
- 28.9% of US homeowners have been foreclosed upon (There have been over 25 million foreclosures in the US since 2000.)
- New Jersey is #2 in foreclosures among US states
- HSBC is #2 bank in the world with assets of \$2.723Trillion
- Goldman Sachs is #28 bank in the world with assets of \$1.505Trillion
- \$263.7Million is what Ocwen paid Goldman Sachs for the Litton portfolio (app 300K loans ~ \$879 per loan?!)
- Value of mortgage portfolios involving HSBC likely to exceed \$100Billion Forbes; HSBC sold only \$3.2Billion in 2013 <u>Bloomberg</u> & <u>NYTimes</u> & <u>HousingWire</u>
- HSBC left the US after underwriting Billions in mortgages and facilitating foreclosures
- There are foreclosures pending that will allow HSBC to take even more money out of the US

# ATTACHMENT V cont'd. **Draft** of Motion for Proof Hearing

### SUMMARY OF WHAT HAPPENED

The first defendant (Litton Loan) purchased my mortgage when my equity was about three times the amount of the principal balance of my mortgage. Due to their predatory reputation, I refinanced with the second defendant (Fremont) to get it out of the hands of Litton Loan. Fremont's mortgage had been underwritten by the third defendant (HSBC). A year later Fremont, the company that sold me the mortgage, went out of business and the first defendant (Litton Loan) acquired my mortgage again. During this time the fourth defendant (Goldman Sachs), a prominent US based financial firm, bought the first defendant (Litton Loan). So rather than move my mortgage to a financial firm who offered me a lower rate (Chase), I decided to accept the modification from the first defendant (Litton Loan) who was now owned by the fourth defendant (Goldman Sachs). A series of mistruths and deception by all defendants cost me everything I've worked for over the last 53 years, and almost took my life several times. To make matters worse, the defendants holding the mortgage have repeatedly failed to explain \$208,000 that has been added to the mortgage principal since this series of transactions began. The evidence supporting this statement is presented over and over in the Discovery document submitted to the Superior Court of New Jersev (download click here).

Dear Trish:

I am writing to confirm our latest conversation. I will pay a final settlement of \$375 to Capital One. I can no longer pay \$620. Since our last conversation I have settled with another creditor, reducing the amount available from the final payment received from my firm's client.

Prior to sending the payment, however, we must receive written confirmation from Capital One and any of your affiliate firms or individuals for review by our advisors. Without a legally binding settlement letter, I will must include previous letters to Capital One (copies attached) in our applications for credit. The US Small Business Administration and Internal Revenue Service have been copied to demonstrate my good faith efforts to resolve this eight year old debt that was charged off April 28, 2007.

Trish, I appreciate your efforts that resulted in Capital One reversing their decision in the August 1, 2013 letter and allow you to intercede in an attempt to resolve this. You have made a stellar effort and it is now in the hands of Capital One senior management. The original attorney who handled this, and duplicitously initiated the judgment, worked for Arthur Nudelman of Nudelman, Nudelmand and Zeiring (see attachments). You indicated the current attorney of record is Keith Golub of Nudelman Klemm & Golub PC. Again, based on past actions I no longer trust, nor am I willing to work with, any firm with which Arthur Nudelman is affiliated. I cannot afford an attorney to intervene. I hope that Capital One will step up, if necessary, and right this wrong.

I trust we can finally settle this account. Please send your response to me via facsimile at 888-

| Your File No: | NN50466  |
| Docket No.:   | DC-022606-09 (on file with the Superior Court of New Jersey) |

Dear Sir/Madam:

The judgment by Capital One is not valid and should be removed from my credit reports immediately. I expect that Capital One will take immediate steps to have this judgment vacated.

I was never notified of the court action nor the date of this action. The greater injustice is that Arthur Nudeiman repeatedly failed to confirm that they had legal jurisdiction over my debt. Negotiated a repayment plan in good faith and made all payments to Capital One (the legitimate holder of the debt). The repayment plan is provided in Attachment II.

| DATE       | PAYMENT           |  |  |
|------------|-------------------|--|--|
| 12/15/2009 | \$145.00          |  |  |
| 11/26/2009 | \$145.00          |  |  |
| 10/8/2009  | \$ 50.00          |  |  |
| PREMOUS    | PREVIOUS PAYMENTS |  |  |
| 7/24/2008  | \$ 30.00          |  |  |
| 6/12/2008  | \$ 30.00          |  |  |

Capital One has confirmed receipt of all payments (Attachment I).

I had several conversations with Greg Moore of Nudelman, Nudelman & Ziering and told him repeatedly I was sending the agreed upon payments to Capital One and would only make checks payable to Arthur Nudelman after they or Capital One provided me written confirmation that Arthur Nudelman or his firm was legally entitled to collect payments. They failed to do so and managed to get a judgment without notifying me.

As a result of their action of Arthur Nudelman and his firm, I suffered substantial financial losses and incredible stress. I was in the final stages of being reviewed for a security clearance for a Federal job and major task order against my Federal contract. The judgment was assessed one week before I was to be cleared. As a result of Arthur Nudelman and his firm's action, I lost the clearance, job, impending tasks orders and contract.

Please send copies of my corrected credit report to me via facsimile at 888-492-5864.

Dear Mr. Fairbank:

I did not receive a response to the attached correspondence sent to the Capital One Office of Executive Resolution, so I am addressing this request to you.

Capital One should repair the damage to my credit caused by the duplicitous and egregious actions of its creditors and internal recovery department.

Capital One sent The Northland Group after me while Capital One's Internal Recovery Dept, pursued me to collect money for the same account – at the same time. I was so determined to do my best to honor and settle my debts that I did not realize I had paid and settled the same account with Northland and with Capital One until I prepared last week's letter. Capital One should pay Nudeiman et. al. the money they want or intervene to do what is necessary to reverse the judgment and close my account with written notice to all collection agencies that this account has been "settled without an outstanding balance".

Here are snapshots of what I described:

Dear Mr. Shulman & Mr. Berry,

I have just learned that I was the victim of identity theft and need your intervention to resolve the problem.

I have no doubt that my identity was recently stolen by one or more persons who had access to recent tax returns filed or Federal job applications. There has been little or no opportunity to access the information stolen through other means.

I have the knowledge and credentials to explain why and provide validation. You must act right now. This person or group has recently received or is waiting for stolen Federal funds. I also trust you will use my case to track and stop these and other identity thieves.

I will respond to a single person whom I can validate and is assigned to my case. I will release my social security number, IRS Form 14039 and other personal information required to that person. I can be reached by phone at 202-486-4565 or via email at <u>VWtemp@OfficeThatWorks.com</u>. I shall await contact from your office.

Sent via email to <a href="mailto:DisasterCustomerService@sba.gov">DisasterCustomerService@sba.gov</a>

Dear Ms. Meaney,

We are appealing the denial of our SBA loan application (Attachment I).

After realizing the magnitude of my health decline caused by these events, the IRS waived all fees Sept. 16, 2014 (Attachment II). The Superior Court of NJ awarded me a default judgment against Litton Loan, Goldman Sachs, HSBC, Ocwen et. al. on Nov. 17, 2014 upon hearing my position and viewing invalid documents from the attorneys. This document presents extensive evidence that refutes the reasons for denying our loan. I believe in standing up for truth and fairness, no matter who the opponent.

ACT Inc. has had multiple contracts just in the last two years that could have opened new revenue streams if we had adequate financing. My case with the Superior Court of New Jersey Essex Docket L-004753-13 shows how the defendants brought our firm's revenue to a grinding halt and imposed life threatening damage to my health. Reasons to approve our loan application are presented in Attachment III.

The Discovery document submitted to the court (Attachment IV) shows a systemic and systematic pattern of deception that caused the precipitous loss of revenue by ACT Inc. While there was a glimmer of hope in 2009, and again in 2012, the firms involved have moved aside the first six law firms they retained to defeat me (see Discovery Ex47: **PROOF**) and lined up behind Duane Morris LLP. to avoid taking responsibility for their actions.

The draft motion for a proof hearing shows why: honoring their agreement with me could set the stage for additional losses including their \$100B (estimate) mortgage portfolio to come tumbling down (Attachment V).

The summarized reasons supporting this request are presented in Attachments V, VI, VII, VIII and IX.

The following pages show the SBA's denial of our loan application and why the denial should be reversed. If you have any questions feel free to contact me by phone at 973-762-4100 or by email at

Thank you,

Veronica Williams President

RE: Disaster Loan Application No.: 1000219393

Dear Ms. Williams:

In response to your request for reconsideration of your previously declined disaster loan, we have thoroughly reviewed all of your new and previously provided information. With your reconsideration request you submitted 189 pages of documentation including but not limited to the following:

With your reconsideration request you submitted 189 pages of documentation including but not limited to the following:

- 1. Civil actions filed against Litton Loan Servicing, HSBC Bank USA, Premont Home Loan Trust 2006-C Mortgage-Backed Certificates Series 2006-C, Goldman Sachs, Ocwen loans, Stern & Eisenberg and PC Powers Kirn, LLC asserting predatory actions.

- 3. Statements of Civil action in process against Capital One for refusing to remove their Judgment against you.

- 5. A detailed listing of the "Pattern of Deceit" offering a chronological record of adverse credit events and your reaction to these events.
- 6. A 14 year, detailed chronological record of personal events and their impact upon your ability to repay debt.
- 7. Copies of Litton Loan Servicing Modification Confirmation documentation along with copies of submitted checks paid to Litton Loan from Veronica A. Williams.

Although we made every effort to approve your loan request, we are unable to offer you a disaster loan for the following reason(s):

# ATTACHMENT I cont'd.

Absolute Computer Technologies, Inc. 1000219393

### Lack of repayment ability

Our analysis of all the information provided with your loan application concluded your income is insufficient to repay a disaster loan in addition to your existing debts, living expenses, taxes, insurance, and other obligations.

#### Not Eligible

We have reason to believe unreported income exists based on documentation received by the IRS. Wage transcripts received from the IRS show Unemployment Compensation of \$22,776 received by Veronica A. Williams in tax year 2011 that was not reported on her personal 1040 federal tax returns.

#### **Unsatisfactory credit history**

Our evaluation of your credit report and related information indicates that you have not complied with the terms of your prior debt obligations. As a result, we lack reasonable assurance of your willingness or ability to comply with the terms of a disaster loan. We based this decision on information obtained from EQUIFAX P.O. Box 740241 Atlanta, GA 30374 Phone: 1-800-685-1111.

#### Economic injury is not substantiated

The sole purpose of an Economic Injury Disaster Loan (EIDL) is to help a small business meet its working capital requirements during the disaster-affected period until normal operations resume. Economic injury is a negative change in the financial condition of a small business concern that is directly attributable to the effects of the declared disaster. This change in financial condition must result in the business being unable to meet its obligations as they mature or to pay ordinary and necessary operating expenses.

Generally, we measure economic injury by comparing the gross margins generated by the business during the period affected by the disaster to those generated in similar, non-disaster periods. The differences show the disaster's financial impact on the business' operations. Next, we determine the amount of funds the business and its owners need until normal operations resume. Finally, we compare the disaster's impact on operations with the identified financial needs. The smaller of these two amounts is the business' maximum economic injury eligibility. Economic injury disaster loans cannot exceed the financial requirements the business and its owners could have covered had there been no disaster.

In your case, Gross Revenue claimed after the disaster greatly exceeds historical sales for the same period.

If you disagree with our decision, you have the right to request reconsideration. Your request must:

- 1. Be in writing and be received by this office WITHIN 90 DAYS from the date of this letter.
- 2. Contain significant new information that you believe will overcome the decline reason(s).
- 3. Include a completed, signed and dated (with current date), Tax Information Authorization, IRS Form 8821. The form may be obtained from the IRS at www.irs.gov or you may contact our Customer Service Center at 1-800-659-2955.
- 4. Contain current financial statements (dated within 90 days).

# ATTACHMENT III Reasons to Approve Loan Application

To be sure, I've had challenges in my life that many cannot imagine, much less handle. But I've met them head-on and have worked hard to prevail. So when I finally succeeded in positioning my firm to achieve a 40-year goal of closing task orders against a Federal Supply Schedule that took many years to earn, I will not sit back after losing it to deception. The reasons for denial are primarily attributable to problems that occurred as a result the deception by a few financial firms. The other reasons appear to be due to my decision to take legal action against these firms.

### ACT Request Reconsideration of Loan Application SANDY #4021 Business Loan Application: SBA Reference Number: # 1000219393 Page 9 of 28

**Economic injury is not substantiated** The sole purpose of an Economic Injury Disaster Loan (EIDL) is to help a small business meet its working capital requirements during the disasteraffected period until normal operations resume. Economic injury is a negative change in the financial condition of a small business concern that is directly attributable to the effects of the declared disaster. This change in financial condition must •result in the business being unable to meet its obligations as they mature or to pay ordinary and necessary operating expenses.

Generally, we measure economic injury by comparing the gross margins generated by the business during the period affected by the disaster to those generated in similar, non-disaster periods. The differences show the disaster's financial impact on the business' operations. Next, we determine the amount of funds the business and its owners need until normal operations resume. Finally, we compare the disaster's impact on operations with the identified financial needs. The smaller of these two amounts is the business' maximum economic injury eligibility. Economic injury disaster loans cannot exceed the financial requirements the business and its owners could have covered had there been no disaster.

In your case, Gross Revenue claimed after the disaster greatly exceeds historical sales for the same period.

Our economic injury was primarily attributable to financial firms named in the complaint with the Superior Court of New Jersey. ACT was in a recovery when Hurricanes Irene and Sandy hit. Our sales cycles are 6 months to 2 years; our business cycles are 3 to 7 years. A business cycle starts with the initial sales effort and ends once the obligations have been delivered and all projects have been closed. Since our business and contract cycles typically last 5 years, it is not in accordance with financial analytical practices to view financial impact on an annual basis.

### THE INFORMATION BELOW WILL BE COMPLETED ONCE THE SBA HAS ELIMINATED ALL PREVIOUS ISSUES.

If you measure economic injury by comparing the gross margins generated by the business during the period affected by the disaster to those generated in similar, non-disaster periods, the decline is **TBD** %.

Next, the amount of funds the business and its owners need until normal operations resume is determined by the contracts at the time that the loan would be accepted by ACT Inc.

Finally, the disaster's impact on operations with the identified financial needs is approximately **\$TBD**.

The smaller of the amount the business and owner needs and the disaster's impact, is the former/latter. ACT's maximum economic injury eligibility is therefore **\$TBD**.

In response to a request from the attorney representing all defendants (Stuart I. Seiden of Duane Morris), I (the Plaintiff) have prepared this document that further clarifies and streamlines the "1500 pages" Mr. Seiden said my former attorney gave to him. I believe this includes a subset of that information, with explanations to help him better understand this matter. In response to Mr. Seiden's request, I assembled my proof in a timeline with further explanation, to help him understand what happened.

To help better understand this matter, Mr. Seiden's clients can help explain the financials, operational, regulatory and other pertinent information.

A summary of what happened, with links to proof, is presented in the following pages.

# SERIAL ERRORS, FRAUD, or BOTH?

### **SUMMARY**

This document explains how a series of actions by the defendants caused the financial ruin and near death of Veronica Williams. Links to documents, video and audio files corroborate the explanation. Additional information can be provided to those with a need to know.

### The following outline provides a chronological summary of how:

- A series of deceptive & fraudulent actions led to decimation of my income and health
- I have tried for 7 years to reverse the negative impact as the defendants dragged me through the mud and avoided taking responsibility for their actions
- Refusal to account for \$208,000 discrepancy in principal balance
- Am now trying to get my day in court, before a jury of my peers

More than 40 years of time, money and effort went into preparing my firm – ACT Inc. – for the impending orders on our US GSA contract. The new orders required that I consolidate my operations. To achieve this, I decided to sell my home. After listing my home 3 times between 2005 and 2007 (<u>PROOF</u>) without an offer over \$175,000, I decided to stay. My second option was to lower my cost of capital and operations costs by restructuring debt, a common practice. Several firms offered to refinance my mortgage, I chose Litton Loan.

### **CREATED DEBT RESTRUCTURE PLAN IN PREPARATION FOR IMPENDING ORDERS**

2008 approached mortgage firms to refinance. Narrowed my choice to Chase & Litton (had just bought my loan)

- Chase offered 3% for both mortgages
- Had Several Conversations with Litton Loan
  - Told them of my concern: I refinanced in 2006 due to Litton Loan's bad reputation and recording payments late (PROOF: &Ex1:<u>Pmt-2005</u> & Ex2:<u>Refinance</u>)
  - o Litton Loan added about \$112,325 & Fremont added about \$95,675 to my principal (Ex3:PROOF)
  - o I refinanced with Fremont Loan to escape Litton Loan (for mortgage history see Ex2: PROOF )
  - o I ended up back with Litton Loan, so why accept a modification and stay with Litton??
  - Litton made compelling offer & said Goldman Sachs' ownership gave them new integrity
  - o Litton told me they were now owned by Goldman Sachs and I did not have to worry
  - o Litton assured me they would give me a modification if HAMP did not come through Ex4 PROOF
  - Even after "errors (returning my check, too many iterations of spreadsheet, countless phone calls) I was assured verbally & in writing that the modification would be confirmed upon receipt of my checks. (Ex5 <u>PROOF</u>)
  - $\circ$  I was further assured that the modification would be approved by HAMP or Litton Loan and the attached document was sent in error
- Litton reduced my mortgage principal but not enough (Ex3:PROOF)
- In addition to the amount Litton Loan had added to my principal, Fremont added about \$95,675 to my principal (Ex3:<u>PROOF</u>)
- My intention was to accept the unjustified additions to principal, focus on the FEMA job and closing task orders against my firm's GSA contract, and use the modification to lower my costs of financing.
- Despite excessive addition to principal I decided to proceed, to focus time on ACT Inc. customers; heighted acquisition effort allowed ACT Inc. to achieve recognized and approved vendor status with multiple Federal Agencies. (Ex6: <u>PROOF</u>) Stepped up marketing and sales in 2005 (DoD working Group, IRA meetings, Proposals show DHS, DC, HUD Ex7: <u>WITNESS</u>)
- Sept. 2009 Received job offer from FEMA to gain immediate "past performance"; contingent upon security clearance approval (Ex8: <u>PROOF</u>)

### LAUNCHED DEBT RESTRUCTURE PLAN \* I PROCEEDED WITH PLAN

- Jan-Dec 2009 Litton Loan's representatives asked for extensive information and detailed analysis, *reassuring me along the way that my modification would be forthcoming*. Some of the documents submitted include, but are not limited to:
  - O 2/25/09 to Julius Connor Ex9: PROOF
  - o 3/28/09 to Brenda Moreno Ex10: PROOF
  - o 8/2/09 to Loss Mitigation Dept. Ex11: PROOF
  - O 9/28/09 to Loss Mitigation Dept. Ex12: PROOF
  - O 12/28/09 to Bessie Cahee Ex13: PROOF
  - o Jan-Nov Submitted several other requested analyses (COPIES AVAILABLE UPON REQUEST)
- I paid off uncollateralized debt (Ex14: <u>PROOF</u>)
   I purchased money order and sent it with returned checks to Litton (Ex15:<u>PROOF</u>, Ex16:<u>PROOF</u>, Ex17:<u>PROOF</u>)
- Continued with my "living mobile" trial/prep for FEMA job (Ex7: <u>WITNESS</u>)
- Cultivating business relationships and improved remote operations for ACT Inc. (Ex7: WITNESS)
- Completed E-Quip & responses for Federal Security Clearance on 12/12/2009 (Ex18: PROOF & Ex7: WITNESS)

- Mar 2010 Lost Clearance (Ex23:<u>PROOF</u> & Ex7: <u>WITNESS</u>)
- 3/16/10 Lost GSA contract (Ex24:<u>PROOF</u> & Ex7: <u>WITNESSES</u>)

# Draft of Motion for Proof Hearing

We request compensatory damages of \$ M for the Plaintiff. Punitive damages should be determined by the court.

No amount of money can compensate for the near death incidents and trauma that the defendants put me through.

The defendants' actions inflicted severe injury in the Plaintiff warranting payment of the following damages:

| HURT TO PLAINTIFF   | DAMAGES<br>INCURRED | DAMAGES<br>SOUGHT |
|---|---------------------|-------------------|
| COMPENSATORY  | DOLLARS I           | N MILLIONS        |
| Loss of ACT Inc. contracts (\$279M)   | \$279.2 M           | TBD               |
| • Loss of Employability in field of experience (\$1.8M [\$300K * 6 YRS- 2009-2015]) | \$2.1M              | TBD               |
| Stress Induced Severe Prolonged Illness   | \$500.0 M           | TBD               |
| PUNITIVE  | SEVERE              | TBD               |

Much of the proof is provided in the <u>Discovery</u> document filed with the court. Several witnesses will attest to injuries and proof documents are included. Recent validation from the Federal government is attached to this document.

#### LOSS OF ACT INC. CONTRACTS

I invested 40 years, and in recent years, hundreds of thousands of dollars, to position ACT Inc. for lucrative, multi-year Federal task orders. ACT Inc. had been awarded Federal Supply Schedules, was positioned with multiple Federal agencies, and the Plaintiff was offered a FEMA job that would have given her a security clearance and the US Dept. Homeland Security past performance necessary to close task orders against ACT Inc.'s Federal Supply Schedule. The defendants' reneged on the modification, causing everything to be lost. Details are provided in the Discovery document.

#### LOSS OF EMPLOYABILITY

As a financial, operations and information technology professional, the Plaintiff's ability to secure jobs depends on clean credit and no legal actions. While her record earned the Plaintiff and her firm contracts from major companies over her 35+ year career, she has been denied hundreds of jobs since the defendants' actions.

#### STRESS INDUCED SEVERE PROLONGED ILLNESS

Defendants began deceptive actions in 2002. Their deception intensified in 2008. Despite convincing the Plaintiff that new ownership by Goldman Sachs had cleaned up their act, the deception of all defendants grew immensely. The Plaintiff did not realize the impact that the defendants' actions had on her health until her doctors began asking more probing questions. Soon it was clear that the Plaintiff's symptoms were directly correlated to and the direct result of, continued deception and depraved actions of the defendants. Between September 2012 and January 2013, she was hospitalized 3 times for stress induced illness. Her team of doctors ran every conceivable test to prove this.

#### WHY HAVE DEFENDANTS SPENT MORE TO TAKE PLAINTIFF'S HOME THAN IT IS WORTH?

- The deception and fraud is clearly documented
- Dramatic decline in property value known to FEMA, HUD, HAMP, Ocwen and other defendants
- Hurricane Irene, Sandy, and poor maintenance warrant repairs that will exceed \$120,000
- Defendants fought with 6 law firms (Ex47: PROOF), plus investigators, insurance firms and other since 2010

#### BECAUSE .....

- Plaintiff's case exposes "in and out" mortgage fraud
- 28.9% of US homeowners have been foreclosed upon (There have been over 25 million foreclosures in the US since 2000.)
- New Jersey is #2 in foreclosures among US states
- HSBC is #2 bank in the world with assets of \$2.723Trillion
- Goldman Sachs is #28 bank in the world with assets of \$1.505Trillion
- \$263.7Million is what Ocwen paid Goldman Sachs for the Litton portfolio (app 300K loans ~ \$879 per loan?!)
- Value of mortgage portfolios involving HSBC likely to exceed \$100Billion Forbes; HSBC sold only \$3.2Billion in 2013 <u>Bloomberg</u> & <u>NYTimes</u> & <u>HousingWire</u>
- HSBC left the US after underwriting Billions in mortgages and facilitating foreclosures
- There are foreclosures pending that will allow HSBC to take even more money out of the US

# ATTACHMENT V cont'd. **Draft** of Motion for Proof Hearing

### SUMMARY OF WHAT HAPPENED

The first defendant (Litton Loan) purchased my mortgage when my equity was about three times the amount of the principal balance of my mortgage. Due to their predatory reputation. I refinanced with the second defendant (Fremont) to get it out of the hands of Litton Loan. Fremont's mortgage had been underwritten by the third defendant (HSBC). A year later Fremont, the company that sold me the mortgage, went out of business and the first defendant (Litton Loan) acquired my mortgage again. During this time the fourth defendant (Goldman Sachs), a prominent US based financial firm, bought the first defendant (Litton Loan). So rather than move my mortgage to a financial firm who offered me a lower rate (Chase), I decided to accept the modification from the first defendant (Litton Loan) who was now owned by the fourth defendant (Goldman Sachs). A series of mistruths and deception by all defendants cost me everything I've worked for over the last 53 years, and almost took my life several times. To make matters worse, the defendants holding the mortgage have repeatedly failed to explain \$208,000 that has been added to the mortgage principal since this series of transactions began. The evidence supporting this statement is presented over and over in the Discovery document submitted to the Superior Court of New Jersey (download click here).

Sent via facsimile to Fax 888-259-3021 total of 21 pages

Dear Trish:

I am writing to confirm our latest conversation. I will pay a final settlement of \$375 to Capital One. I can no longer pay \$620. Since our last conversation I have settled with another creditor, reducing the amount available from the final payment received from my firm's client.

Prior to sending the payment, however, we must receive written confirmation from Capital One and any of your affiliate firms or individuals for review by our advisors. Without a legally binding settlement letter, I will must include previous letters to Capital One (copies attached) in our applications for credit. The US Small Business Administration and Internal Revenue Service have been copied to demonstrate my good faith efforts to resolve this eight year old debt that was charged off April 28, 2007.

Trish, I appreciate your efforts that resulted in Capital One reversing their decision in the August 1, 2013 letter and allow you to intercede in an attempt to resolve this. You have made a stellar effort and it is now in the hands of Capital One senior management. The original attorney who handled this, and duplicitously initiated the judgment, worked for Arthur Nudelman of Nudelman, Nudelmand and Zeiring (see attachments). You indicated the current attorney of record is Keith Golub of Nudelman Klemm & Golub PC. Again, based on past actions I no longer trust, nor am I willing to work with, any firm with which Arthur Nudelman is affiliated. I cannot afford an attorney to intervene. I hope that Capital One will step up, if necessary, and right this wrong.

I trust we can finally settle this account. Please send your response to me via facsimile at 888-

Dear Mr. Fairbank:

The firm that represented Capital One engaged in deceptive practices and acted in bad faith. The result was substantial health and financial injury to me and my company. At the very least, Capital One should have the judgment vacated and the debt forgiven.

Please send written confirmation of the vacated judgment and zero balance on this account to me via facsimile at or email to

| Your File No: | NN50466  |
| Docket No.:   | DC-022606-09 (on file with the Superior Court of New Jersey) |

Dear Sir/Madam:

The judgment by Capital One is not valid and should be removed from my credit reports immediately. I expect that Capital One will take immediate steps to have this judgment vacated.

I was never notified of the court action nor the date of this action. The greater injustice is that Arthur Nudeiman repeatedly failed to confirm that they had legal jurisdiction over my debt. Negotiated a repayment plan in good faith and made all payments to Capital One (the legitimate holder of the debt). The repayment plan is provided in Attachment II.

| DATE              | PAYMENT  |  |  |
|-------------------|----------|--|--|
| 12/15/2009        | \$145.00 |  |  |
| 11/26/2009        | \$145.00 |  |  |
| 10/8/2009         | \$ 50.00 |  |  |
| PREVIOUS PAYMENTS |          |  |  |
| 7/24/2008         | \$ 30.00 |  |  |
| 6/12/2008         | \$ 30.00 |  |  |

Capital One has confirmed receipt of all payments (Attachment I).

I had several conversations with Greg Moore of Nudelman, Nudelman & Ziering and told him repeatedly I was sending the agreed upon payments to Capital One and would only make checks payable to Arthur Nudelman after they or Capital One provided me written confirmation that Arthur Nudelman or his firm was legally entitled to collect payments. They failed to do so and managed to get a judgment without notifying me.

As a result of their action of Arthur Nudelman and his firm, I suffered substantial financial losses and incredible stress. I was in the final stages of being reviewed for a security clearance for a Federal job and major task order against my Federal contract. The judgment was assessed one week before I was to be cleared. As a result of Arthur Nudelman and his firm's action, I lost the clearance, job, impending tasks orders and contract.

Please send copies of my corrected credit report to me via facsimile at 888-492-5864.

Dear Mr. Fairbank:

I did not receive a response to the attached correspondence sent to the Capital One Office of Executive Resolution, so I am addressing this request to you.

Capital One should repair the damage to my credit caused by the duplicitous and egregious actions of its creditors and internal recovery department.

Capital One sent The Northland Group after me while Capital One's Internal Recovery Dept, pursued me to collect money for the same account – at the same time. I was so determined to do my best to honor and settle my debts that I did not realize I had paid and settled the same account with Northland and with Capital One until I prepared last week's letter. Capital One should pay Nudeiman et. al. the money they want or intervene to do what is necessary to reverse the judgment and close my account with written notice to all collection agencies that this account has been "settled without an outstanding balance".

Here are snapshots of what I described:

Dear Mr. Shulman & Mr. Berry,

I have just learned that I was the victim of identity theft and need your intervention to resolve the problem.

I have no doubt that my identity was recently stolen by one or more persons who had access to recent tax returns filed or Federal job applications. There has been little or no opportunity to access the information stolen through other means.

I have the knowledge and credentials to explain why and provide validation. You must act right now. This person or group has recently received or is waiting for stolen Federal funds. I also trust you will use my case to track and stop these and other identity thieves.

I will respond to a single person whom I can validate and is assigned to my case. I will release my social security number, IRS Form 14039 and other personal information required to that person. I can be reached by phone at 202-486-4565 or via email at <u>VWtemp@OfficeThatWorks.com</u>. I shall await contact from your office.

By regulation, we are permitted to accept reacceptance requests after the expiration of the filing deadline only when we are able to establish that the late request resulted from substantial causes essentially beyond the control of the applicant.

I do not understand; the appeal clearly demonstrates that my case meets the regulation guidelines to accept reacceptance requests after the expiration of the filing deadline. The documentation provided clearly shows that "the late request resulted from substantial causes essentially beyond the control of the applicant". The IRS agreed and waived our fees. The Discovery document and Motion for Proof Hearing also clearly show that fraud by the defendants prevented me proceeding with an offer from FEMA.

I realize the information submitted is quite extensive. May I review it with you to help point you to the many instances presented in which our appeal meets regulatory requirements for reacceptance?

Dear Ms. Williams:

The U.S. Small Business Administration has received your letter dated January 28, 2015 requesting reconsideration of your disaster loan applications. Unfortunately, we are unable to grant your request.

As we stated in our letter April 18, 2012, the 90 day deadline to request reconsideration of your disaster loan application expired on July 18, 2012. By regulation, we are permitted to accept reacceptance requests after the expiration of the filing deadline only when we are able to establish that the late request resulted from substantial causes essentially beyond the control of the applicant.

Based upon the explanation cited in your letter, your request has failed to evidence substantial causes beyond your control that prevented you from meeting the deadline to request reacceptance.

We regret our inability to assist you in this matter.

Sincerely,

RE: Reacceptance of Case File 1000219393

Dear Ms. Williams:

The U.S. Small Business Administration has received your letter dated January 28, 2015 requesting reconsideration of your disaster loan applications. Unfortunately, we are unable to grant your request.

As we stated in our letter September 3, 2013, the 90 day deadline to request reconsideration of your disaster loan application expired on December 3, 2013. By regulation, we are permitted to accept reacceptance requests after the expiration of the filing deadline only when we are able to establish that the late request resulted from substantial causes essentially beyond the control of the applicant.

Based upon the explanation cited in your letter, your request has failed to evidence substantial causes beyond your control that prevented you from meeting the deadline to request reacceptance.

We regret our inability to assist you in this matter.

Sincerely,

Jerry Williamson Supervisory Loan Officer

# WITNESSES

We have identified 838 witnesses so far who fit into 6 categories:

Details will be released on a need-to-know basis only.

Some of our witnesses have volunteered to testify, many have agreed to testify, and some have not yet been contacted. All know the plaintiff, have done business with her firm, or are aware of business practices of the defendants. A few former and current employees, and affiliates, of the defendants, may be subpoenaed. The following pages include two lists: primary witnesses and all witnesses.

For the privacy of all witnesses, this list is only being provided to the Superior Court of Essex County in the State of New Jersey, and to Stuart I. Seiden of Duane Morris, the attorney who now represents all defendants.

## BRIEF IN SUPPORT OF MOTION FOR: INJUNCTION AGAINST THE SALE OF 541 SCOTLAND ROAD, S. ORANGE, NJ AND DISMISSAL OF FORECLOSURE AND DISMISSAL OF MORTGAGE

Actions Against Deliberate, Systemic Fraud Must Be Enforced

This document presents the Motion WITH SELECTED EVIDENCE THAT SUPPORTS each point. The evidence provided should be more than sufficient, however, additional information is available – if necessary – from the 8,000 pages filed. The foreclosure was fraudulent, it was executed deceptively, and William has repeatedly been denied due process in her numerous attempts to be heard by the Courts.

The fraudulent mortgage and other evidence of the crimes in this case are evidenced in filings with the NJ Superior Court, the U.S. District Court of New Jersey, the U.S. Court of Appeals, Third District and several Federal Agencies. The injunction and both dismissals should be granted for several reasons, including:

• The mortgage in the foreclosure documents is fraudulent. The principal amount, interest rate, type of interest and terms are not what Williams agreed to. See Attachment I

- The mortgage was filed after the foreclosure was filed; over 2 years after allegedly executed.
- Foreclosure hearings were held without the knowledge or presence of the property owner, named in the foreclosure. See Attachment II
- . The foreclosure case filings contain extensive false information. See Attachment III,
- The first law firm hired to seek the foreclosure had accurate information and notified the property owner. See Attachment IV
- A second law firm was hired, used false information, and did not give the property owner sufficient notice. See Attachment III
- The NJ Judge who signed the final order DID NOT preside over the foreclosure hearing.
   Neither Judge listened to the property owner. See Attachment V
- The property owner's cases (NJ Case Docket No. ESSX L 000081-11, NJ Case Docket No. ESSX L 004753-13, U.S. District Court of NJ Case 2:16-cv-05301-ES-JAD, U.S. Court of Appeals, Third District 19-1032) include more than 7 witnesses who were involved in or directly responsible for creating the fraudulent mortgage. See Attachment VI
- The loss incurred by the property owner, thus far, vastly exceeds the amount of the mortgage and the value of the property. See Attachment VII
- If necessary, I can subpoen legal and financial professionals who are aware of dubious actions by firms involved in this fraud.

An additional copy of supporting filings and documents (over 16GB) was provided to the Court on a thumb drive with the Motion. Defendants have been given multiple copies of everything.

Respectfully submitted,
