Re: USDCNJ Case No. 2:16-cv-05301-ES-JAD

Dear Honorable Judge Salas,

Over the 20 years that I have known Veronica, I have always admired her passion for excellence and her steadfast integrity. She is both a business colleague and a close personal friend.

Veronica had already become a sought after expert in business and technology when I met her. Her acclaimed book, *Wireless Computing Primer*, and expertise led to numerous speaking engagements, TV appearances and articles. As I observed her efforts to help others, I was fortunate enough to become her friend.

During difficult times in my life, Veronica has been there for me. Her comforting words and actions demonstrated true compassion that I will cherish for life.

I am quite shocked and disappointed that Veronica has been in such a long legal fight against firms that should have long been held accountable for their actions. For a woman of such high character, Veronica's trial will bring decency and needed revelation to our legal process.

Yours truly,

Marsha Pappas
