

Williams received \$86,26.34 from Fremont which made the amount borrowed \$121,926.01. The amount borrowed listed in the fraudulent mortgage is \$261,000. Fremont added \$169,492.34 to the mortgage that was *NEVER ADVANCED TO WILLIAMS!* The fraud was not limited to the amount of the mortgage. The interest rate and terms were different making the extorted amount astronomically greater!

Financials are available that quantify the full extent of the attempted extortion in this case. Additional financials that explain other aspects of this case are also available. These financials are available on a need to know basis only. They will be presented at trial.
