

## WITNESSES

We have identified 838 witnesses so far who fit into 6 categories:

- └ Litton-Goldman-Case-Contacts
  - └ Character Witnesses
  - └ Defendant Witnesses
  - └ Doctors to Witness
  - └ Federal Witnesses
  - └ Financial Witnesses
  - └ Fremont Witnesses

Details will be released on a need-to-know basis only.

Some of our witnesses have volunteered to testify, many have agreed to testify, and some have not yet been contacted. All know the plaintiff, have done business with her firm, or are aware of business practices of the defendants. A few former and current employees, and affiliates, of the defendants, may be subpoenaed. The following pages include two lists: primary witnesses and all witnesses.

For the privacy of all witnesses, this list is only being provided to the Superior Court of Essex County in the State of New Jersey, and to Stuart I. Seiden of Duane Morris, the attorney who now represents all defendants.
